The Diary of Anne Frank (play) Applause Theatre & Cinema

"An appealing and inventive novel...original and cathartic."—Dana Kennedy, New York Times On February 16, 1944, Anne Frank recorded in her diary that Peter, whom she at first disliked but eventually came to love, had confided in her that if he got out alive, he would reinvent himself entirely. This is the story of what might have happened if the boy in hiding survived to become a man. Peter arrives in America, the land of self-creation; he flourishes in business, marries, and raises a family. He thrives in the present, plans for the future, and has no past. But when *The Diary of a Young Girl* is published to worldwide acclaim and gives rise to bitter infighting, he realizes the cost of forgetting. Based on extensive research of Peter van Pels and the strange and disturbing life Anne Frank's diary took on after her death, this is a novel about the memory of death, the death of memory, and the inescapability of the past. Reading group guide included.

Diary of Anne Frank Biteback Publishing
"Everything you want to know about the Anne Frank phenomenon, about the perception and the effect of the text, whose writer became an icon, is said within these pages." —Wolfgang Benz, author of *A Concise History of the Third Reich* While Anne Frank was in hiding during the German Occupation of the Netherlands, she wrote what has become the world's most famous diary. But how could an unknown Jewish girl from Amsterdam be transformed into an international icon? Renowned Dutch

scholar David Barnouw investigates the facts and controversies that surround the global phenomenon of Anne Frank. Barnouw highlights the ways in which Frank's life and ultimate fate have been represented, interpreted, and exploited. He follows the evolution of her diary into a book (with translations into nearly 60 languages and editions that added previously unknown material), an American play, and a movie. As he asks, "Who owns Anne Frank?" Barnouw follows her emergence as a global phenomenon and what this means for her historical persona as well as for her legacy as a symbol of the Holocaust. "Reasonable, elegant, sometimes provocative, essential." —Ian Buruma, author of *Year Zero: A History of 1945*
Diary of Anne Frank Oldcastle Books Ltd

Anne Frank & Emmett Till is an effort to reveal how some of the people the author has known and the seminal events she experienced, enabled her to link together in an imaginary conversation, the seemingly disparate lives of Anne Frank and Emmett Till, two iconic figures who were murdered by societies that couldn't protect them. In some chapters the author quotes portions of the dialogue she used in her play, *Anne & Emmett*, with an explanation of what events triggered the thoughts in her mind. In disclosing her personal views and attitudes, she hopes the reader may come to understand the making of the playwright as well as the making of the play, and "why I am as I am." The book is not an academic treatment on the subjects of racism and anti-Semitism. Rather, it is simply how both evils impacted the author's life and played a major role in the creation of *Anne & Emmett*. The sole objective in writing the play and this book has been

to convey how state-sponsored hatred kills, and how powerful oppressors use the same tactics and techniques to dehumanize, dominate, and destroy those they consider to be unworthy of membership in the human community. It is Ms. Langhart Cohen's hope that if we join Anne and Emmett, and their parents, Otto and Mamie, on an imaginary journey into the realm of memory where they recount their histories, it might help illuminate the way forward for us to achieve a higher level of decency and humanity.

The Diary of Anne Frank Puffin Modern Classics

The text considers two questions: what happened to the Jews of Holland during the war, and how has Dutch literature come to terms with the enormity of the event? The authors trace the destruction of Dutch Jewry and analyse the relation between history and the literature of the Holocaust.

Anne Frank and Me Bloomsbury Publishing

This book explores portrayals of Anne Frank in American literature, where she is often invoked, if problematically, as a means of encouraging readers to think widely about persecution, genocide, and victimisation; often in relation to gender, ethnicity, and race. It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's Diary in the 1950s, and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power. At the same time, though, literary representations of Frank are associated with the adaptations; critics often assume that these texts unquestioningly perpetuate the problems with the

adaptations. This is not true. This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America, and in order to consider gender, coming of age, and forms of inequality in American culture in various historical moments; and of course, to consider the ways Frank herself is represented in America. This book argues that the most compelling representations of Frank in American literature are alert to their own limitations, and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her. It will be of great interest to researchers and students of Frank, the Holocaust in American fiction and culture, gender studies, life writing, young adult fiction, and ethics.

Anne Frank's Tales from the Secret Annex Gareth Stevens Publishing LLLP

In June 1942, Anne Frank received a red-and-white-checked diary for her thirteenth birthday, just weeks before she and her family went into hiding in an Amsterdam attic to escape the Nazis. For two years, with ever-increasing maturity, Anne crafted a memoir that has become one of the most compelling documents of modern history. But Anne Frank's diary, argues Francine Prose, is as much a work of art as it is a historical record. Through close reading, she marvels at the teenage Frank's skillfully natural narrative voice, at her finely tuned dialogue and ability to turn living people into characters. *Anne Frank: The Book, The Life, The Afterlife* tells the extraordinary story of the book that became a force in the world. Along the way, Prose definitively establishes that Anne Frank was not an accidental author or a casual teenage chronicler but a

writer of prodigious talent and ambition.

Anne Frank Stage Partners

Shortly after her 13th birthday, Anne Frank and her family were forced into hiding. It was World War II and the German Nazis were rounding up Jewish people and killing them or sending them to work in horrible camps. During her time in hiding, Anne wrote about the experience in her diary. What was the fate of Anne and her family? What became of her diary? Find the answers to these questions and more in *Anne Frank: Get to Know the Girl Beyond Her Diary*.

Anne Frank Penguin

The story of Anne Frank and her diary is one of the world's most important and well-known, but less is known about the woman who sheltered Anne and her family for years and, ultimately, rescued Anne's diary from Nazi clutches. Miep Gies was a woman who rose to bravery when humanity needed it and risked everything for her neighbors. It is because of Miep we know Anne Frank--and now, this is Miep's story.

The Boy Who Loved Anne Frank

Macmillan

Tells the story of Anne Frank, a young Jewish girl who kept a diary during two years of hiding from the Germans in an Amsterdam attic.

Literature and Language Pantheon

Anne Frank's youthful optimism was a stark contrast to the terrible monstrosities of World War II. While Anne and her family hid from the world in a secret annex, she confided in her diary, nicknamed Kitty, providing the world with an inside view of what it was like to grow up fearing the wrath of Nazi Germany. This biography uses Anne's moving writings to highlight the events of her short life. Her diary is a powerful tool and reminder of the unjust hate that

caused the Holocaust. Sidebars and fact boxes offer more information about this time period.

Roses from the Earth Capstone

What if the boy in hiding with Anne Frank survived and reinvented himself after the war, as he swore in the diary to do? On February 16, 1944, Anne Frank recorded in her diary that Peter, whom she at first disliked but eventually came to love, had confided in her that if he got out alive, he would reinvent himself entirely. This is the story of what might have happened if the boy in hiding survived to become a man. Peter arrives in America, the land of self-creation; he flourishes in business, marries, and raises a family. He thrives in the present, plans for the future, and has no past. But when *The Diary of a Young Girl* is published to worldwide acclaim and gives rise to bitter infighting, he realizes the cost of forgetting. Based on extensive research of Peter van Pels and the strange and disturbing life Anne Frank's diary took on after her death, this is a novel about the memory of death, the death of memory, and the inescapability of the past.

Anne Frank Dramatists Play Service Inc

The story of Anne Frank, her family and the famous diaries, told with the help of thousands of letters, documents and photographs recently discovered in an attic. Anne Frank wrote a diary from the age of 13 as she hid for over two years in the back of an Amsterdam warehouse escaping the horrors of Nazi occupation. An intimate record of tension and struggle, adolescence and confinement, anger and heartbreak, it is among the most enduring documents of the twentieth century, famed throughout the world. Since first publication in 1947, the diary has been read by tens of millions of people in many different translations.

A bestseller in its 1952 and 1997 (definitive) editions, it remains a beloved and deeply admired testament to the indestructible nature of the human spirit. Recently discovered letters, documents and photographs of Anne and her family including letters from her, her father's letters from Auschwitz and his poignant descriptions of searching for his family after the war and his discovery of the diaries, have been made into a family saga by Mirjam Pressler, the editor of the definitive edition of the Diary. The book, which reads like a novel, an epic, fateful, family saga, recounts the story of Anne's family both before, during and after the war. It contrasts the normality of family life with the horrors of persecution, deportation and the concentration camps and through it we gain new insight into Anne and her iconic diary. Dreams Of Anne Frank Hachette UK "A searing study of the suspense and torture visited upon a group of Jewish people hiding out from the Nazis in Amsterdam during World War II." (John McClain, New York Journal American.). *Anne Frank's Diary: The Graphic Adaptation* Sleeping Bear Press Told through the warm lens of a beloved pet, *The Cat Who Lived with Anne Frank* captures the life of a young girl filled with promise in a way that young readers can appreciate and understand, with art by the NY Times bestselling illustrator of *I DISSENT!* When Mouschi the cat goes with his boy, Peter, to a secret annex, he meets a girl named Anne. Bright, kind and loving, Anne dreams of freedom and of becoming a writer whose words change the world. But Mouschi, along with Anne and her family and friends, must stay hidden, hoping for the war to end and for a better future. Told from the perspective of the cat who actually lived with Anne

Frank in the famous Amsterdam annex, this poignant book paints a picture of a young girl who wistfully dreams of a better life for herself and her friends, tentatively wonders what mark she might leave on the world, and, above all, adamantly believes in the goodness of people. Accompanied by beautiful, vivid art, this book is a perfect introduction to a serious topic for younger readers, especially at a time when respect and inclusion are so important. Praise for *The Cat Who Lived With Anne Frank*: "This gentle introduction to one of the darkest times in modern history . . . can also provide a starting point for more in-depth study, reading, and discussion." -- School Library Journal "A gentle but effective introduction to one aspect of the Holocaust, and to this well-known family. . . . an independent read for those at the upper end of the age range. It is an excellent resource for introducing the Holocaust in classrooms." --Jewish Book Council The Boy Who Loved Anne Frank: A Novel McDougal Littell In one moment Nicole Burns's life changes forever. The sound of gunfire at an Anne Frank exhibit, the panic, the crowd, and Nicole is no longer Nicole. Whiplashed through time and space, she wakes to find herself a privileged Jewish girl living in Nazi-occupied Paris during World War II. No more Internet diaries and boy troubles for Nicole-now she's a carefree Jewish girl, with wonderful friends and a charming boyfriend. But when the Nazi death grip tightens over France, Nicole is forced into hiding, and begins a struggle for survival that brings her face to face with Anne Frank. "This is a powerful and affecting story." (KLIATT) *Dear Anne, From Nina (one-act version)* Penguin Books India A timeless story rediscovered by each

new generation, *The Diary of a Young Girl* stands without peer. This graphic edition remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature. "[A] stunning, haunting work of art..."—The New York Times Book Review For both young readers and adults *The Diary* continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Includes extensive quotations directly from the definitive edition; adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel.

Anne Frank Routledge

"*The Diary of Anne Frank*" is a stage adaptation of the book "*The Diary of a Young Girl*". The play is a dramatization by Frances Goodrich and Albert Hackett. The play received the Pulitzer Prize for Drama for Albert Hackett and Frances Goodrich. Susan Strasberg won the 1956 Theatre World Award. It also received the 1956 New York Drama Critics Circle award for best play. Fuji Books' edition of "*The Diary Of Anne Frank*" contains supplementary texts: * Selected anti-war poems. * Selected poems about hope. * Selected quotes of Anne Frank.

The Footsteps of Anne Frank Harper Collins

Anne Frank's '*Diary of a Young Girl*' is the most widely read work of non-fiction after the bible. Yet, there has never been an in-depth biography of the teenage writer who perished in the concentration camp of Bergen-Belsen. Here, Carol Ann Lee vividly recreates Anne's short life. Having exclusive access to a number of

unpublished documents, she has captured Anne's complex and evolving character.

Representations of Anne Frank in American Literature Indiana University Press

Hiding from the Nazis in the "Secret Annex" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's *Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit. [The Diary of Anne Frank](#) Viking Adult In July 1942, Anne Frank And Her Family Fleeing The Horrors Of Nazi Occupation, Hid In The Back Of An Amsterdam Warehouse. Anne Was Thirteen When The Family Went Into The Secret Annex, And Over The Next Two Years She Vividly Describes In Her Diary The Frustrations Of Living In Such Confined Quarters, The Constant Threat Of Discovery, Hunger And Tiredness, And, Above All, The Boredom. Her Diary Ends Abruptly When She And Her Family Were Finally Discovered By The Nazis In August 1944. The Author Was Born On 12 June 1929 And Died While Imprisoned

At Bergen-Belsen, Three Months Short Of Her Sixteenth Birthday. The Book

Remains The Single Most Poignant True-Life Story To Emerge From The Second World War.
