The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them

think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. *Statue in the Book of Daniel* Pragmatic Bookshelf Compares the transitional

*What Happens When Women Say Yes to God* Zonderkidz “Who do you say I am?” Matthew 16:15 In his insightful follow-up to the bestselling book, *The Power of God’s Names*, Dr. Tony Evans introduces you to Jesus in ways you may have never seen Him before. Jesus is anticipated from the very beginning of the Bible and is mentioned many times up until He finally arrives on the scene in Bethlehem—yet never in the Old Testament is He called Jesus. Rather, He has many names that reflect all the different aspects of His character. And there are even more names in the New Testament to explore as well! Both in-depth Scripture research and Dr. Evans’ signature storytelling style make *The Power of Jesus’ Names* a fascinating journey—you will get to know Him as Immanuel King Lamb of God Great High Priest Son of God and more. As you study the life and character of Jesus, you will enter into a deeper understanding of who He is and what He came to do for—and in—your life today.

[The Story of Noah and the Ark](#) Harvest House Publishers Every Family Has Issues There is no such thing as a perfect family...or an easy family. We all make mistakes that

hurt our family members and we've all been hurt by those we love. 6

Hidden Behaviors That Destroy Families by Dr. Magdalena Battles addresses the top conflicts that cause relationships to become strained or broken. These hidden behaviors are:

- A failure to forgive or apologize
- Criticism
- Gossip
- Deception
- A lack of inclusion
- A failure to accept differences

While every

family has issues, what really matters is how we deal with them. Are we working in a way that resolves problems? Or are we allowing them to fester and explode? The healing in your family can begin with you. It often takes just one person to make the changes needed to make relationships more positive. Dr. Battles provides you with practical tips based on research, biblical principles, and

her own observations of what has worked in families—including her own. Here are essential tools to restore the damaged relationships in your life. Families can function in a way where love and support are practiced daily. It is a process, but the result will be happier lives and more fulfilling relationships.

**The Children of Divorce**  
Tyndale House Publishers, Inc.  
From bestselling

writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences . Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit

Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's

most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of

our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times). [Brave Queen Esther](#) Zondervan Academic Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial

disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr.

Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone e else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus. **The Prisoner in the Third Cell** Review
