The Art of Renaissance Europe Sterling Children's Books Works in the Museum's collection that embody the Renaissance interest in classical learning, fame, and beautiful objects are illustrated and discussed in this resource and will help educators introduce the richness and diversity of Renaissance art to their students. Primary source texts explore the great cities and powerful personalities of the age. By studying gesture and narrative, students can work as Renaissance artists did when they created paintings and drawings. Learning about perspective, students explore the era's interest in science and mathematics. Through projects based on poetic forms of the time, students write about their responses to art. The activities and lesson plans are designed for a variety of classroom needs and can be adapted to a specific curriculum as well as used for independent study. The resource also includes a bibliography and glossary. *Fantastic Beasts and where to Find Them* Insights Go behind the scenes of J. K. Rowling's magical universe of

creatures and wizards in this exciting full-colour companion volume to *Fantastic Beasts: The Crimes of Grindelwald*. Newt, Tina, Queenie, and Jacob, the beloved heroes of *Fantastic Beasts and Where to Find Them*, are back! In this second adventure, they're joined by fan favourites from the Harry Potter universe, including Albus Dumbledore, Nicolas Flamel, and the villainous Gellert Grindelwald. Officially licensed by Warner Bros. Consumer Products and designed by MinaLima - the creative force behind the graphics and many of the props for the first *Fantastic Beasts and Where to Find Them* as well as the Harry Potter films - this authorised tie-in compendium delivers a rich and unique 'making of' experience for fans of all ages. This keepsake treasury offers an imaginative, close-up look at Newt Scamander and his colourful trove of cohorts - beasts and wizards alike - as they face off against the evil forces of Gellert Grindelwald, one of the world's most powerful dark wizards, in a story that travels from New York City to London and onto Paris. Brimming with film-making secrets, full-colour artwork, and stories from the cast and crew, this magnificent book is modelled after a special item from the movie, and features removable facsimile reproductions of props and other materials from the movie, along with some very

special effects. A tribute to moviemaking magic, it is an essential for every Wizarding World fan, aspiring concept artists and designers, and cinema buffs.

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
