Rachel and Leah Reminders of Faith

One of the Bible's most notorious women longs for a love she cannot have in this captivating novel from the award-winning author of Isaiah's Legacy. "Mesu Andrews yet again proves her mastery of weaving a rich and powerful biblical story!"—Roseanna M. White, author of *A Portrait of Loyalty Before she is Potiphar's wife, Zuleika is the daughter of a king and the wife of a prince. She rules the isle of Crete alongside her mother in the absence of their seafaring husbands. But when tragedy nearly destroys Crete, Zuleika must sacrifice her future to save the Minoan people she loves. Zuleika's father believes his robust trade with Egypt will ensure Pharaoh's obligation to marry his daughter, including a bride price hefty enough to save Crete. But Pharaoh refuses and gives her instead to Potiphar, the captain of his bodyguards: a crusty bachelor twice her age, who would rather have a new horse than a Minoan wife. Abandoned by her father, rejected by Pharaoh, and humiliated by Potiphar's indifference, Zuleika yearns for the homeland she adores. In the political hotbed of Egypt's foreign dynasty, her obsession to return to Crete spirals into deception. When she betrays Joseph—her Hebrew servant with the face and body of the gods—she discovers only one love is worth risking everything.* *Queen Vashti's Comfy Pants* Herald Press (VA)

Sarah. Hagar. Rebekah. Leah. Rachel. Bilhah. Zilpah. These are the Matriarchs of Genesis. A people's self-understanding is fashioned on their heroes and heroines. Sarah, Rebekah, Leah, and Rachel—the traditional four Matriarchs—are important and powerful people in the book of Genesis. Each woman plays her part in her generation. She interacts with and advises her husband, seeking to achieve both present and future successes for her family. These women act decisively at crucial points; through their actions and words, their family dynamics change irrevocably. Unlike their husbands, we know little of their unspoken thoughts or actions. What the text in Genesis does share shows that these women are perceptive and judicious,

often seeing the grand scheme with clarity. While their stories are told in Genesis, in the post-biblical world of the Pseudepigrapha, their stories are retold in new ways. The rabbis also speak of these women, and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature. Using extensive quotations, we present these women through five lenses: the Bible, Early Extra-Biblical Literature, Rabbinic Literature, Contemporary Scholarship, and Feminist Thought. In addition, we consider Hagar, Abraham's second wife and the mother of Ishmael, as well as Bilhah and Zilpah, Jacob's third and fourth wives.

Why Her? U of Nebraska Press

If success is defined in the eye of the beholder, who are you letting behold your success? Nicki Koziarz is confronting the comparison question: Why her? Through two striving sisters in the Bible, Nicki uncovered six truths' we need to hear when trying to measure up leaves you falling behind. These six truths will help you: · Stop staring at her success and find satisfaction in yours. · Find contentment with your life without being complacent in who you are becoming. · Gain godly wisdom to answer the Why Her silent question of your soul. Someone will always be ahead. But that doesn't mean you're behind. Because Truth, like always, will set us free. And free women don't have to measure up to anybody. Not even her.

A stranger fleeing from his past. Two sisters married to the same man, now bitter rivals for his love. A family torn apart by the deception of the father, who holds the lives of all he loves in his hands. Jacob - a man who fled for his life from the brother he cheated. Leah - a woman disfigured from a childhood disease, now forced to obey her father and deceive both her sister and the man she loves. Rachel - the love of Jacob's life who waits patiently for their marriage, only to end up having to share him with her own sister. Laban - the wily old man who pulls the strings to control those he loves and those he uses. From L. M. Roth, author of *Battleground: Elijah and the War With Jezebel, A Star In the Darkness, Esther and the King of Persia, and Arise My Love, the Princess Who Fell Asleep*, comes a sensitive and poignant retelling of the legendary love triangle that birthed the Twelve Tribes of Israel. *A Dance In the Desert, The Story of Leah, Jacob, and Rachel* is a tale of yearning, heartbreak, and sibling rivalry that still evokes across the centuries the drama of a family torn apart, yet whose legacy is one of the great dynasties of history. Can they overcome the bitter jealousy that threatens to destroy them and thus receive their inheritance? Or will they only succeed in destroying each other?

Rachel & Leah - Bible Study Book: What Two Sisters Teach Us about Combating Comparison

 Schocken

Good Women Behaving Badly A spiteful boss, a defiant employee,

a manipulative mother, a desperate housewife, an envious sister...honey, we know these women. We've lived with them, worked with them, or caught a glimpse of them in our mirrors. Now let's take a look at their ancient counterparts in Scripture: Sarah mistreated her maidservant, Hagar despised her mistress, Rebekah manipulated her son, Leah claimed her sister's husband, and Rachel envied her fertile sister. They were far from evil, but hardly perfect. Mostly good, yet slightly bad. In other words, these matriarchal mamas look a lot like us. "A Slightly Bad Girl is simply this: a woman unwilling to fully submit to God. We love him, serve him, and worship him, yet we find it difficult to trust him completely, to accept his plan for our lives, to rest in his sovereignty." —from *Slightly Bad Girls of the Bible*

The Lost Matriarch offers a unique response to the sparse and puzzling biblical treatment of the matriarch Leah. Although Leah is a major figure in the book of Genesis, the biblical text allows her only a single word of physical description and two lines of direct dialogue. The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob, the husband she shares with three other wives, including her beautiful younger sister, Rachel. Fortunately, two thousand years of traditional and modern commentators have produced many fascinating interpretations (midrash) that reveal the far richer story of Leah hidden within the text. Through Jerry Rabow's weaving of biblical text and midrash, readers learn the lessons of the remarkable Leah, who triumphed over adversity and hardship by living a life of moral heroism. The Lost Matriarch reveals Leah's full story and invites readers into the delightful, provocative world of creative rabbinic and literary commentary. By experiencing these midrashic insights and techniques for reading "between the lines," readers are introduced to what for many will be an exciting new method of personal Bible interpretation.

This third book of Card's Women of Genesis series traces the intertwined lives of four women celebrated in the Bible: Leah, oldest daughter of Laban; Leah's beautiful sister Rachel; Bilhah, an orphan taken in by Laban; and Zilpah, a servant born into Laban's tribe. Original.

The Red Tent Zondervan

They chose to marry the same man, now they are locked in

marriage with each other for life, for better and for worse. Two sisters: Leah and Rachel both wanted a part of Israel, the man of God, Israel the nation, and Israel the state of mind. They wanted to be part of Israel, and they got there, but only after they left the cheating ways in which they were raised. They faced adversity and trouble of their own making, before they became mighty women, which was when they answered Israel and said: Now then, whatsoever God hath said unto thee, do. (Gen:31-16) It was only then, that Israel: the man, the nation, and the state of mind rose up (Gen:31-17) and was met by the angels of God on his way (Gen:32:1). Leah and Rachel, they became the Matriarchs of Israel by choice. Maybe you can see part of yourself in them? The Biblical facts are presented as they provide the foundation for the practical lessons to our daily life. The fictional tales are added for you to relax, to quiet yourself, and enjoy. They are a picture of words of life in Biblical times. In the beginning was the Word, and the Word was with God and the Word was God.

And Rachel Stole the Idols Turtleback Books

Do you know who the Matriarchs of the 12 tribes of Israel were? They were named Rachel and Leah, and their two handmaidens, Zilpah and Bilhah. Here we focus on the two central women in Jacob's life; Rachel and Leah, the sisters he married. When two women are married to the same man, it is easy to imagine the many problems that probably occur in this household, dysfunctionality being at the top of the list. The story only gets better as you continue to read; the more you read, the more you discover what this story is all about. Both Rachel and Leah are considered among the great women of the Bible. If you go to the book of Ruth 4:11, you will see what the witnesses exclaimed to Boaz when he married Ruth; it says, "And all the people that were in the gate, and the elders, said, We are witnesses. The ELOHIM make the woman that is come into thine house like Rachel and like Leah, which two did build the house of Israel: and do thou worthily in Ephratah, and be famous in Bethlehem:" They were saying, may this woman be like Rachel and Leah; may she be a great blessing like these women. Leah, Rachel, and their two handmaidens bore the children that became the twelve tribes of Israel. Here is the order of their birth: Leah's first set of children: • Reuben, Simeon, Levi, Judah Bilhah's children: Dan, Naphtali Zilpah children: • Gad, Asher Leah's second set of children: • Issachar, Zebulun, (Dinah) Rachel's children: • Joseph, and Benjamin Two wives, two handmaidens, twelve sons, and one daughter were born to Jacob. It is a fantastic story, but there is a catch. You will never lose interest in the story of Jacob and his two wives, and it will answer the question that has haunted many people over the centuries; If Jacob hated Leah so much, why did he continue to have so many children with her? This dramatic story is a real page-turner; romance, deception, and cruelty are just some words that describe this epic story. Jacob pays for his bride and will more than prove his devotion and love for Rachel. But what about Leah? Consider scrolling up. clicking the buy now. and reading this book immediately

This book is a sequel to Janet Boast's Biblical Women Emerging from the Shadows series Eve, Sarah and Rebekah. The Bible predominantly deals with the affairs of men in the presence of God: kings, prophets, the victorious, the vanquished, and the rise and fall of empires. However, it has very little to say about women who, after all, gave birth to the men. This book gives insight into the fortitude of women in biblical times and the importance of family structures in determining long-term outcomes. Leah and Rachel: Emerging from the Shadows tells of: The birth of Leah's sister Rachel Jacob and Rachel's first meeting Jacob asking for Rachel's hand in marriage Leah's trick in order to marry Jacob Rachel's marriage to Jacob seven years later Rachel's death in child birth Leah being banished to the outer camp

Shechen of the Hivites' marriage to Dinah Dinah's brothers' slaughter of the Hivites Leah's death and burial in the family grave Joseph being sold into slavery Janet Boast has had a lifelong interest in what religion has to teach us. Reflecting on her readings of the Bible, she decided to write Leah and Rachel, following Eve, Sarah and Rebekah, all conjectures of what life was really like from a woman's perspective. She is also the author of Heavenly Inspirations, a collection of poems giving insights into the gift of life and our planet Earth. Heather Andrews Dobbs, Ordained New Thought Minister, writes: "I have known Janet for many years: she is an active individual, warm-hearted and approachable. Her poems and readings, shared at my workshops, inspired the whole group and encouraged them to think creatively."

Beautiful Rachel wants nothing more than for her older half sister Leah to wed and move out of their household. Maybe then she would not feel so scrutinized, so managed, so judged. Plain Leah wishes her father Laban would find a good man for her, someone who would love her alone and make her his only bride. Unbeknownst to either of them, Jacob is making his way to their home, trying to escape a past laced with deceit and find the future God has promised him. But the past comes back to haunt Jacob when he finds himself on the receiving end of treachery and the victim of a cruel bait and switch. The man who wanted only one woman will end up with sisters who have never gotten along and now must spend the rest of their lives sharing a husband. In the power struggles that follow, only one woman will triumph . . . or will she? Combining meticulous research with her own imaginings, Jill Eileen Smith not only tells one of the most famous love stories of all time but will manage to surprise even those who think they know the story inside and out.

The World Needs Beautiful Things WaterBrook

Leah and Rachel were two Jewish women from the city of Haran, the same as Rebecca, wife of Isaac, son of the Patriarch Abraham. In this context, it is worth mentioning the following: Abraham always sought the ramification of his descendants through his close relatives, whom he trusted. In this way, the Patriarch maintained his religious customs and family unity. The story of these two iconic ladies begins with the arrival of Jacob, son of Isaac and Rebecca, who had deceived his father by posing as his older brother, Esau, and thus take the blessing of his father Isaac who was on his deathbed, old and blind. For this reason, he could not differentiate between one son and another when it came to blessing him. This act of deception was taken by his brother Esau as a...
