YAZMIN PORTER

An Insider's Guide to the UN "O'Reilly Media, Inc."

For more than twenty years, the Insiders' Guide series has remained the essential source for in-depth travel and relocation information. Written by locals and true insiders, each guide is packed with useful tips on places to stay, restaurants, events, attractions, fun things to do with the kids, nightlife, recreation, shopping, local history, and much more--as well as a comprehensive appendix called "Living Here" that offers information on real estate, education, health care, and more.

Santa Barbara The Insider's Guide to Culture Change Creating a Workplace That Delivers, Grows, and Adapts

Music theaters, lakes and rivers, retirement, outlet shopping, outdoor recreation, scenic daytrips, fishing and hunting, theme parks and nightlife.

Routledge

Termed "the indispensable source on the United Nations" by Joseph S. Nye of Harvard's Kennedy School of Government, this book is now fully revised and updated to include new material on fragile states, R2P (responsibility to protect), recent Security Council issues such as the revolts in Libya and Syria, and a greatly expanded section on understanding and participating in a Model UN. "This easily readable overview of the main activities of the United Nations system provides the reader with an appreciation of its complexity and of its many programs and agencies."—James S. Sutterlin, author

ofThe United Nations and the Maintenance of International Security; Distinguished Fellow in UN Studies, Yale University "With highly readable and journalistic clarity, the author leads readers through the complex organizational structure of the United Nations. Her concise and entertaining narrative sheds light on its mission, evolution, and controversies."—Jackie Gropman and Susan Woodcock, School Library Journal

Restore that "showboat" look to tired gelcoat, canvas, brightwork, upholstery, metalwork, and more Boat cleaning isn't as simple as taking a can of kitchen cleanser and scrubbing away, and improper procedures can cause damage to the boat or the environment. This is the only stem-to-stern guide to all aspects of boat cleaning and detailing. The book recommends both generic and brand-name cleaning and maintenance materials to help you make the right selections. Lots of before-and-after photos show you how to: Keep your boat looking great and protect market value Achieve maximum results with minimum work and environmentally safe methods. Use tables and checklists to keep work organized and efficient

Insiders' Guide® to Baton Rouge Macmillan

The secret to the success or failure of any business boils down to its culture. From disengaged employees to underserved customers, business failures invariably stem from a culture problem. In *The Insider's Guide to Culture Change*, acclaimed culture transformation expert and global executive Siobhan McHale shares her proven four-step process to demystifying culture transformation and starting down the path to positive change. Many leaders and managers struggle to get a handle on exactly what culture is and how pervasive its impact is throughout an organization. Some try to change the culture by publishing a statement of core values but soon find that, aside from some short-term lip service, no meaningful change happens. Others try to unify the culture around a set of shared goals that satisfy shareholders but find their efforts backfire as stressed employees throw their hands up because "leadership just doesn't get it." Others implement expensive new IT systems to try to bring about change, only to find that employees find "workarounds" and soon go back to their old ways. Culture transformation expert Siobhan McHale defines culture simply: "It's how things work around here." *The Insider's Guide to Culture Change* walks readers through McHale's four-step process to culture transformation, including how to Understand what "corporate culture" really is and how it impacts every aspect of the way your organization operates Analyze where your culture is broken or not adding maximum value Unlock the power of reframing roles within your company, to empower and engage your employees Utilize proven methods and tools to break through deeply embedded patterns and change your company mind-set Keep the momentum going by consolidating gains and maintaining your foot on the change accelerator With *The Insider's Guide to Culture Change*, watch your employees go from followers to change leaders who drive an agile culture that constantly outperforms.
