The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe. Their prayers and poems, their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative, healing God.

Jesus never promised that we would be free of difficulties in this life, that neither suffering nor hardship would cause us pain. What he did promise was to be with us no matter the situation—even to the end of the age. Sacred Space: A Little Book of Encouragement offers seventy short chapters to comfort us with God's presence in the midst of life's challenges and to remind us that Jesus journeys with us step-by-step. Each entry—which includes a Gospel reading, a short reflection, and a prayer—is given a descriptive title so that readers can easily find the encouragement they need depending on their situation at the time. Lovingly

compiled by Vinita Hampton Wright using select material from Sacred Space (the online prayer site that serves millions of spiritual pilgrims), this inviting and reassuring little book gently reminds us of the compassion, care, and calm that God provides in our moments of need.

Currently in its seventh year, "Sacred Space:

The PrayerBook 2011" is the ideal daily prayer book for thoughtful, busy Christians and is based on the popular prayer web site, www.sacredspace.ie, which was inaugurated by the Irish Jesuits. The site logs over six million visitors per year, has been translated into twenty languages, and has people praying at the site at a rate of one every twenty seconds. The simple six-step prayer method was first developed by St. Ignatius of Loyola, founder of the Jesuits, and this new edition provides the same daily readings and prayer starters as the website. Inexpensive and portable, "Sacred Space: The Prayer Book 2011" is an oasis of calm for people who find it otherwise

difficult to grab a few moments to read, reflect, and pray in the midst of their hectic lives.

SACRED HEART OF JESUS PRAYER B

Sacred Space

Bestselling author and beloved retreat leader Joyce Rupp has offered companionship and gentle guidance throughout the seasons in such books as *May I Have This Dance?* and *Anchors for the Soul*. In *Jesus, Friend of My Soul*, each two-page daily reflection brings our attention to the Lenten season, providing reflections for growth and inviting us to follow Jesus and become more like him. "As Christians," Joyce Rupp writes, "we look to the person of Jesus to learn from him." Because our lives are filled to the brim with activity, it is easy to drift away from trying to live as Jesus did, and

we find ourselves in need of time to focus on drawing close to him again and learning from his example. In *Jesus, Friend of My Soul*, Rupp guides us from Ash Wednesday through Easter Sunday illustrating both how Jesus called his followers to change and how his actions provide us a blueprint for growth. Rupp helps us learn from the qualities of Jesus and the actions and teachings that marked his time on earth, including: how Jesus extended mercy after Peter's denials how Jesus trusted in his Father, even as he experienced other emotions when troubling events occurred how Jesus spoke and acted with integrity, which made him a valuable and

trustworthy person for others to listen to and follow. Each day's reflection begins with a verse from scripture and a meditation centered on Jesus' life, actions, and teachings that are applied to our lives. We are then offered a prayer and an intention to carry with us throughout the day. Each brief reflection gently leads us to new growth in our lives and invites us to reach new depths in our faith. Questions for individual or group study are included.

Sacred Space, Beloved City: Iris Murdoch's London is a celebration of Iris Murdoch's love for London and establishes her amongst distinguished "London writers" such as William Blake,

Charles Dickens and Virginia Woolf. Individual chapters focus on the City, London art galleries and museums, the Post Office Tower (now the BT Tower), the statue of Peter Pan in Kensington Gardens, Whitehall and the River Thames. Each chapter identifies intricate links between the environment and human consciousness and is accompanied by a corresponding walk that links Murdoch's plots to landmarks and routes. All essays and walks are illustrated with sketches by Paul Laseau. These drawings not only illustrate locations for identification but also conjure their atmosphere so that readers engage with how Murdoch's characters experience

their surroundings. The final London Glossary is an annotated index of the London place names mentioned in all of Murdoch's 26 novels.

The English Reformation was no bolt of lightning out of a clear blue sky. Nor was it an event that was inevitable, smooth, or predictable. Rather, it was a process that had its turbulent beginnings in the late medieval period and extended through until the Restoration. This book places the emphasis not just on law makers or the major players, but also, and more importantly, on those individuals and parish communities that lived through the twists and turns of reform. It explores the

unpredictable process of the English Reformation through the fabric, rituals and spaces of the parish church in the Diocese of Norwich c. 1450-1662, as recorded, through the churchwardens' accounts and the material remains of the late medieval and early modern periods. It is through the uses and abuses of the objects, rituals, spaces of the parish church that the English Reformation became a reality in the lives of these faith communities that experienced it.

of the Spirit, a timely guide with 100 prayers for entering into a personal relationship with the Divine. Has there ever been a more urgent need for her unique and profound (and sometimes wonderfully cranky) take on our spiritual reality, healing, and the language of holiness?" -- Anne Lamott, author of *Traveling Mercies and Help, Thanks, Wow* In her most personal book to date--now available in paperback for the first time--beloved teacher and best-selling author Caroline Myss draws on her own practice to help us regain our fluency in the language

of prayer and renew our connection to the sacred. *Intimate Conversations with the Divine* offers 100 of Myss's personal prayers as a resource and inspiration to start a prayer practice of your own. Each prayer illustrates a different type of grace that feeds the human soul, from awakening, endurance, and healing, to silence, surrender, and trust. "We are one holy system of life and great cosmic truth, which is that all life--including all of us--breathes together," Myss writes. "I hope this book, these prayers, will bring you comfort and grace, and help you through the difficult times ahead. And I hope they will inspire you to believe that with God, all

things are possible."
