David Halberstam's The Fifties: \"The Fear and the Dream\" Part 2 American Dream In The Fifties The 1950's American Dream In the 1950's, the \"American dream\" was originated around the idea that anyone could have the opportunity to achieve more success than in their countries of origin; for others, it was the opportunity to become an individual without the constraints imposed by class, race, and ethnicity. The 1950's American Dream - American Dream Project The 1950s were a time of prosperity in America because of the economic boom after the end of the Great Depression, and home ownership was considered the epitome of the American dream. America saw increased material wealth and the growth of suburbs and automobile production. In the 1950s,

the American economy was on the upswing. What Was the \"American Dream\" of the 1950s? The decade following World War II is often described as one of the most prosperous economic times in American history. With victory under their belts and money in their pockets, Americans in the 1950s could optimistically pursue the American dream. Part of that dream included the comforts of home ownership and the opportunity to start a family. The 1950s: Pursuing The American Dream During the 1950s, the economy boomed, and many Americans enjoyed material comfort. The \"American dream,\" a notion that was largely shaped by the 1950s, is still pursued today. WHY IT MATTERS NOW WHY IT MATTERS NOW The dream woman of the 1950s was depicted in advertising and on TV as doing constant housework, but always with a smile. The American Dream in the Fifties The American Dream in the Fifties Settled into her brand new house near San Diego, California, Carol Freeman felt very fortunate. Her husband Mark had his own law practice, and when their first baby was born, she became a full-time homemaker.
