A feast for any lover of English children's books. -Christian Herald Over sixty years ago, Joan Bodger, her husband, and their two children traveled to the UK for the adventure of a lifetime. There, they sought to discover the lands they knew from their beloved children's books. Come along and see for yourself the people and places behind the stories we love. In Edinburgh, they stand outside the childhood home of Robert Louis Stevenson. They discover the countryside that inspired Caldecott's

illustrations in Whitworth. In the Lake District, the farm where Jemima Puddle-duck laid her eggs. And in Winnie the Pooh Country Mrs. Milne herself shows the way to "that enchanted place on the top of the Forest [where] a little boy and his Bear will always be playing." Join their adventures, from sleeping in a wagon to "messaging about" in boats on the Thames. While not all their quests end in victory, like any marvelous story, how they get there is what matters. While we can't all make the journey ourselves, we can let Joan Bodger

take us along. As Emily Dickinson says, even if we “have never seen a moor”, we can still imagine “how the heather looks.” How the Heather Looks has been called ‘the book most often stolen by retiring children’s librarians’. This new edition features the stunning art by Mark Lang, and the authors’ afterword, written thirty years after the book was first released.

In Leading Matters, current Chairman of Alphabet (Google's parent company), former President of Stanford University, and "Godfather of Silicon Valley," John L. Hennessy shares the core elements of leadership that helped him become a successful tech entrepreneur, esteemed academic, and venerated administrator. Hennessy's approach to leadership is laser-focused on the journey rather than the destination. Each chapter in Leading Matters looks at valuable elements that have shaped Hennessy's career in practice and philosophy. He discusses the pivotal role that humility, authenticity and trust, service, empathy, courage, collaboration, innovation, intellectual curiosity, storytelling, and legacy have all played in his prolific, interdisciplinary career.

Hennessy takes these elements and applies them to instructive stories, such as his encounters with other Silicon Valley leaders including Jim Clark, founder of Netscape; Condoleezza Rice, former U.S. Secretary of State and Stanford provost; John Arrillaga, one of the most successful Silicon Valley commercial real estate developers; and Phil Knight, founder of Nike and philanthropist with whom Hennessy cofounded Knight-Hennessy Scholars at Stanford University. Across government, education, commerce, and non-profits, the need for effective leadership could not be more pressing. This book is essential reading for those tasked with leading any complex enterprise in the academic, not-for-profit, or for-profit sector.

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-

century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday *The Shooting Star* Stanford University Press

With perfect precision, the author guides the reader along a path of awakening which leads to liberation from the pain and limitations of the past into the joyful and unlimited world of Now. This book reveals, in the simplest way, how to still the mind and become fully present and awake in

the truth of life. Perhaps the most important aspect of this book is the author's unique insight into the nature of the mind and ego. Each page of this book reveals a part of the mystery. There are hidden keys to awakening on every page. It is like a road map home.

Maya Angelou, one of the best-loved authors of our time shares the wisdom of a remarkable life in this bestselling spiritual classic. This is Maya Angelou talking from the heart, down to earth and real, but also inspiring. This is a book to be treasured, a book about being in all ways a woman, about living well, about the power of the word, and about the power of spirituality to move and shape your life. Passionate, lively, and lyrical, Maya Angelou’s latest unforgettable work offers a gem of truth on every page. Maya Angelou speaks out . . . On Faith: “I'm taken aback when people walk up to me and tell me they are Christians. My first response is the question 'Already?' It seems to me a

lifelong endeavor to try to live the life of a Christian. It is in the search itself that one finds ecstasy." On Racism: "It is time for parents to teach young people early on that in diversity there is beauty and there is strength. We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter their color." On Taking Time for Ourselves: "Each person deserves a day away in which no problems are confronted, no solutions searched for. Each of us needs to withdraw from the cares which will not withdraw from us. A day away acts as a spring tonic. It can dispel rancor, transform indecision, and renew the spirit." On Death and Grieving: "When I sense myself filling with rage at the absence of a beloved, I try as soon as possible to remember that my concerns should be focused on what I can learn from my departed love. What legacy was left which can help me in the art of living a good life?" On Style: "Style is as unique and nontransferable and perfectly personal as a fingerprint. It is wise to take the time to develop one's own way of being, increasing those things one does

well and eliminating the elements in one's character which can hinder and diminish the good personality."

STAGE to STAGE Living Book Press
In this propulsive memoir from Achut Deng and Keely Hutton, inspired by a harrowing New York Times article, Don't Look Back tells a powerful story showing both the ugliness and the beauty of humanity, and the power of not giving up. I want life. After a deadly attack in South Sudan left six-year-old Achut Deng without a family, she lived in refugee camps for ten years,

until a refugee relocation program gave her the opportunity to move to the United States. When asked why she should be given a chance to leave the camp, Achut simply told the interviewer: I want life. But the chance at starting a new life in a new country came with a different set of challenges. Some of them equally deadly. Taught by the strong women in her life not to look back, Achut kept moving forward, overcoming one obstacle after another, facing each day with hope and faith in her future. Yet, just as Achut began to think of the US as her home, a tie to her old life resurfaced, and for the first time, she had no choice but to remember her past.

"Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games."
—Anthony Robbins, #1 New York Times–bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game's greats. The Single Plane Golf Swing: Play Better Golf the Moe Norman Way reveals the secrets of the swing that enabled him to hit the ball solidly with unerring

accuracy and consistency—every time. Norman’s simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as “Little Moe” and regarded as the world authority on Norman’s swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called “The Feeling of Greatness.” Graves shares Norman’s brilliant insights and liberating approach to the game and demonstrates why the conventional “tour” swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O’Connor, Norman’s biographer, the book also engagingly tells Norman’s bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. “One of golf’s greatest untold stories, Moe Norman’s life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success.”

This beloved account about an intrepid young Englishman on the first leg of his walk from London to Constantinople is simply one of the best works of travel literature ever written. At the age of eighteen, Patrick Leigh Fermor set off from the heart of London on an epic journey—to walk to Constantinople. *A Time of Gifts* is

the rich account of his adventures as far as Hungary, after which *Between the Woods and the Water* continues the story to the Iron Gates that divide the Carpathian and Balkan mountains. Acclaimed for its sweep and intelligence, Leigh Fermor's book explores a remarkable moment in time. Hitler has just come to power but war is still ahead, as he walks through a Europe soon to be forever changed—through the Lowlands to Mitteleuropa, to Teutonic and Slav heartlands, through the baroque remains of the Holy Roman Empire; up the Rhine, and down to the Danube. At once a memoir of coming-of-age, an account of a journey, and a dazzling exposition of the English language, *A Time of Gifts* is also a portrait of a continent already showing ominous signs of the holocaust to come.
