There are also entry pages where parents can reminisce about their own childhood reading memories. La chronique des Bridgerton (Tome 6) - Francesca HarperCollins

From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince--while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young,

marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society--just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees

to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm--at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

The Lying Life of Adults Harper Collins
It takes a minx to tempt a rogue...Beautiful and feisty Henrietta Barrett has never followed the dictates of society. She manages her elderly guardian's estate, prefers to wear breeches rather than dresses, and answers to the unlikely name of Henry. But when her guardian passes away, her beloved home falls into the hands of a

distant cousin. And it takes a rogue to tame her...William Dunford, London's most elusive bachelor, is stunned to learn that he's inherited property, a title...and a ward bent on making his first visit his last. Henry is determined to continue running the Cornwall estate without help from the handsome new lord, but Dunford is just as sure he can change things...starting with his wild young ward. But turning Henry into a lady makes her not only the darling of the town, but an irresistible attraction to the man who thought he could never be tempted.

To Sir Phillip, With Love St. Martin's Press

USA Today bestselling author Gayle Callen creates an unforgettable story of mistaken identity and irresistible

attraction in this first in a wonderfully engaging series set in the Scottish Highlands. Shaken from sleep during the night and bundled off to the Highlands by a burly Scot, Riona is at first terrified, then livid. Hugh McCallum insists they were promised to each other as children to ensure peace between their clans. The stubborn laird refuses to believe he's kidnapped the wrong Catriona Duff. Instead, he embarks on a campaign of slow-burning seduction. At first, Hugh cares only what their marriage can do for his people. Now he's starting to crave Riona for her own sake, but her true identity jeopardizes his clan's contract. And unless she chooses to risk all to be his bride, he'll lose the only thing he prizes more than the lands he's fought so hard to save—the passionate

marriage they could have together.

New York Times bestselling author Nora Roberts deftly blends romance and suspense in this compelling novel of a

Now on the verge of a successful career, and having fallen in love with the man of her dreams, Emma is looking to the future. Yet it's the past that is about to catch up with her. For Emma, her childhood had been almost like a rags-to-riches fairy tale—until the tragic night that changed her family forever. But what Emma thinks she knows about that terrible night and the man she's about to marry is only half the truth. The other half is locked away in the last place she'd ever think to look: her own memories. It's a mystery a handsome and relentlessly driven

In every life there is a turning point. A moment so tremendous, so sharp and breath-taking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous bachelor, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname

was to remain Bridgerton for only a mere thirty-six hours longer - the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.

Dragonfly in Amber HarperCollins

You will not break me for I am unbreakable. He's the town's notorious bad boy. She's the innocent good girl. Jaxson Reid and Julia Sinclair were the most unlikely friends. One fateful night brought them together, and they formed a bond-one so strong it was unbreakable-until they gave into temptation. Fast forward five years and Jaxson is back to fix the mistakes he's made with the only girl who's ever mattered to him. Only someone isn't happy with his return, someone who thinks Julia is theirs, and they will stop at

nothing to make sure it stays that way-forever. Jaxson will not only fight to protect Julia, but also battle the new and existing demons that haunt his soul from the death and corruption of war. ***

Fighting Temptation is book one in the Men of Honor series. Each book in this series can be read as a standalone, but for the best reading experience, I recommend reading in order. If you love steamy, emotional Romantic Suspense stories with protective alpha males and sweet heroines who will stop at nothing to find their happily-ever-after, then this series is for you.

When He Was Wicked: The 2nd Epilogue Laura Roppe

The Governess Game HarperCollins
Three bestselling authors. Two delightful novels. One terrific collection! From Julia Quinn, author of the Bridgerton series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes THE LADIES MOST... a duo of cleverly crafted novels, The Lady Most Likely and The Lady Most Willing, together for the first time. THE LADY

MOST LIKELY Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially THE LADY MOST LIKELY to marry an eligible Earl. THE LADY MOST WILLING Taran

Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands, raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a mistake! As the snow piles up outside the highland castle, and the guests are forced to pass

the time together, the initial dismay turns to unanticipated attractions and then irresistible passions – and indeed, there might be one LADY MOST WILLING to marry a Scottish lord.
