COOLEY GUERRA

The Devouring Simon and Schuster

An innocent mound of grass-covered earth. A weathered wooden door. A root cellar, shelter from violent storms, storage for the farm's produce. On Walter Sikes' farm, the root cellar hides a dark and dangerous secret. A monster slumbers there, imprisoned by powerful magics--a monster that once was Walter Sikes' eldest son. Transformed by a madman's curse, Jesse Sikes is a killing machine. Twenty years ago he cut a bloody swath through the small town of Gideon--until his mother struck him down with her own occult powers. Now Eleanor Sikes is dying. The bonds that hold the monster are weakening. Soon Jesse will be free. No one in Gideon will be safe. The Wendigo The Floating Press

Saat berusaha menemukan bukti yang menyangkal keberadaan Homo vampiris, kaum vampir, Dr. Warthrop diminta mantan tunangannya menyelamatkan suami wanita itu dari Wendigo, makhluk pemangsa manusia. Meskipun menganggap Wendigo cuma fiktif, Warthrop berhasil menolong si suami dari kematian dan kelaparan. Lalu melihat laki-laki tersebut berubah menjadi Wendigo. Mampukah sang doktor dan Will Henry memburu si predator utama, yang seperti vampir, tidak hidup tapi juga tidak mati, tak pernah puas memangsa manusia? Buku kedua seri Sang Monstrumologis ini mengeksplorasi batas antara mitos dan kenyataan, cinta dan benci, genius dan gila.

Code Name Simon and Schuster

When 14-year-old Nick is sent to his father in Burma to escape the 1941 bombings in London, he finds himself in even more danger as Japanese soldiers arrive and take control of the plantation house.

Sins of the Flesh □□□

When Dr. Warthrop begins to doubt fourteen-year-old Will Henry's

loyalty, he sets him against one of the most horrific creatures in the Monstrumarium unaware that Will's life and his own fate will lie in the balance.

Amazing X-Men Vol. 2 Independently Published

Flesh-eating danger abounds in the chilling sequel to *The Monstrumologist* that is "as fast-paced, elegant, and yes, gruesome as its predecessor" (Publishers Weekly, starred review). While Dr. Warthrop is attempting to disprove that Homo vampiris, the vampire, could exist, his former fiancée asks him to save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in *The Monstrumologist* series explores the line between myth and reality, love and hate, genius and madness.

Eya is done running from her enemy. Now, the very people who took her home and threatened her life should be scared of the exiled princess with newfound powers. Reunited with her brothers and bonding with new friends, Eya fights against the Pescelean invasion of Hicares with the might of Kandum's army behind her. Success in battle comes easy, but something doesn't sit right with her. She's not sure she's fighting on the right side. Is she truly fated to destroy an entire nation, or is there a way out of this prophecy? Eya learns that sometimes your enemies are the people you allow closer than anyone else. *Flirting With the Tempest* is the second book of *The Tilverin Trilogy*, a fantasy war story that takes place between several countries in the world of Tilverin.

Clay's wife is on his trail, and so is Captain America! Cap's mighty shield has never faced anything like the gamma-fueled claws of a Hulkverine!

The Isle of Blood Simon and Schuster

Algonquin legend tells of the Wendigo, an evil spirit sent to punish mankind. It can possess a person and turn them into a monstrous creature consumed by a need to eat human flesh. For John Bear the Wendigo was merely a scary story his grandfather used to tell him. That is, until a man is found dead in the deep northern woods of Maine, butchered like an animal and with his heart cut out. And the only tracks they can find are massive footprints that couldn't possibly be human. Now, John is sure that what is stalking the inhabitants of their remote outpost is a Wendigo, even if no one else believes it. He must stop a monster he once thought was nothing more than a tale to warn children. From Vaughn C. Hardacker, acclaimed author of *Sniper* and *The Fisherman* and twice finalist for the Maine Literary Awards, comes a supernatural thriller from the winter depths of the Maine wilderness, where the line between myth and reality blurs and ancient horrors are never fully buried. All are in danger of the Wendigo's endless hunger, but how do you find a creature that can look like anyone until it's too late?

Dangerous Spirits Capstone Classroom

Five friends ice fishing in the far northern part of Minnesota's Upper Peninsula encounter something out of their worst nightmares. A creature from myth and legend. A creature with an insatiable appetite. Sending out a call for help, they can only pray it reaches them in time. Team Odin arrives to find a creature like nothing they have ever faced before. From out of the nightmares of the frozen north comes the Wendigo. The Spirit of Hunger with a lust for human flesh. The fate of the survivors and the entire team rests on finding a way to defeat the cannibalistic beast. Battling the Wendigo will take the team through the frozen forests of Minnesota and across the border into Canada. Death

haunts them at every turn, taking Team Odin into the fight of their lives. Beyond science, beyond legend, beyond human understanding, lies the Curse of the Wendigo.

In the morning the camp was astir before the sun. There had been a light fall of snow during the night and the air was sharp. Punk had done his duty betimes, for the odors of coffee and fried bacon reached every tent. All were in good spirits. "Wind's shifted!" cried Hank vigorously, watching Simpson and his guide already loading the small canoe. "It's across the lake—dead right for you fellers. And the snow'll make bully trails! If there's any moose musing around up thar, they'll not get so much as a tail-end scent of you with the wind as it is. Good luck, Monsieur Défago!" he added, facetiously giving the name its French pronunciation for once, "bonne chance!" Défago returned the good wishes, apparently in the best of spirits, the silent mood gone. Before eight o'clock old Punk had the camp to himself, Cathcart and Hank were far along the trail that led westwards, while the canoe that carried Défago and Simpson, with silk tent and grub for two days, was already a dark speck bobbing on the bosom of the lake, going due east. The wintry sharpness of the air was tempered now by a sun that topped the wooded ridges and blazed with a luxurious warmth upon the world of lake and forest below; loons flew skimming through the sparkling spray that the wind lifted; divers shook their dripping heads to the sun and popped smartly out of sight again; and as far as eye could reach rose the leagues of endless, crowding Bush, desolate in its lonely sweep and grandeur, untrodden by foot of man, and stretching its mighty and unbroken carpet right up to the frozen shores of Hudson Bay....
