Who's who in Entertainment

HarperCollins

From the ivory tower to the barricades!

Radical intellectuals explore the relationship between research and resistance.

[Disney Trivia from the Vault](#) Psychology Press

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter

Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

[Disney A to Z](#) W. W. Norton

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely

successful. This book offers a long-overdue acknowledgment of America's true and proud history.

He was my best friend's older brother. My first love, who left town without so much as a goodbye... Eight years later, I've said yes to marrying another man—the ever-so-perfect Julian Baker. I'm finally ready to let go of my past for a new future. But like all gut-wrenching love triangles, my past and future collide in a cruel twist of fate. Inside a busy restaurant, he's sitting at the table next to me wearing a jealous stare. And I'm forced to face the man who destroyed my heart in high school. Lex Edwards, now billionaire tycoon, won't back down easily. He's ruthless, cunning, and no longer the sweet and loving college graduate studying to become a doctor. Just like me, our tumultuous affair broke him. But now, he is hell-bent on winning me back. And Lex Edwards will stop at nothing to prove just how powerful our love is, even if it means we need to relive the past... A forbidden love story about fate, heartache, and second chances.

Dave Smith, the retired Chief Archivist of The Walt Disney Company, has continued his "Ask Dave" column through the D23 website. In recent years, questions have gotten more interesting and difficult for Dave to answer, as the more common answers can now be found online. Now with another critical mass of about 1,100 new Disney trivia Q&A, Dave is ready to assemble his second volume, *Disney Facts Revealed*. Divided into chapters covering a specific aspect of Disney history—including Disneyland, Walt Disney World, Disney films, Disney television, Disney characters, Disney collectibles, and more—many of the questions lead Dave to fascinating information that has not been published elsewhere.

Aesthetics of Gentrification HarperCollins UK

Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Understanding Media Dramatists Play Service, Inc.

Gentrification is reshaping cities worldwide, resulting in seductive spaces and exclusive communities that aspire to innovation, creativity, sustainability, and technological sophistication. Gentrification is also contributing to growing social-spatial division and urban inequality and precarity. In a time of escalating housing

crisis, unaffordable cities, and racial tension, scholars speak of eco-gentrification, techno-gentrification, super-gentrification, and planetary-gentrification to describe the different forms and scales of involuntary displacement occurring in vulnerable communities in response to current patterns of development and the hype-driven discourses of the creative city, smart city, millennial city, and sustainable city. In this context, how do contemporary creative practices in art, architecture, and related fields help to produce or resist gentrification? What does gentrification look and feel like in specific sites and communities around the globe, and how is that appearance or feeling implicated in promoting stylized renewal to a privileged public? In what ways do the aesthetics of gentrification express contested conditions of migration and mobility? Addressing these questions, this book examines the relationship between aesthetics and gentrification in contemporary cities from multiple, comparative, global, and transnational perspectives.

The Fellowship of the Ring Houghton Mifflin Harcourt

The Boston Directory for the Year 1852 Disney Editions

From the critically acclaimed author of *The Ash House*, in a society where emotions themselves are thought to be the cause of the illness that has taken over the world, sisters Ani and Payton must unravel a dark truth in this story that explores the depth of our own strength in how we observe and deal with our emotions. Since the world fell sick with fantastical illnesses, sisters Payton and Ani have grown up in King Jude's Hospital. Payton wants to be a methic like her father, working on a cure for her mother's sleeping fever. Ani, however, thinks the remedy for all illness might be found in the green wilderness beyond the hospital walls. When Ani stumbles upon an imprisoned boy who turns everything he touches to gold, her world is turned upside-down. The girls find themselves outside the hospital for the first time, a dark mystery unraveling...

Kungaloosh! Harvard University Press
When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic

communications upon man and life in the twentieth century.

Disney Facts Revealed Psychology Press
Includes full descriptions of all Donald Duck, Mickey Mouse, Pluto, and Goofy cartoons; the story of Mickey's birth; the Disney Channel Premiere films and Disney television shows; the Disney parks; Disney Academy Awards and Emmy Awards; the Mouseketeers throughout the years; and details of Disney company personnel and primary actors.

How the World Changed Social Media AK Press

How far will you go to get what you want? Will you be the same person if you do? When twenty-something star sex blogger and memoirist Ethan tracks down his idol, the gifted but obscure forty-ish novelist Olivia, he finds they each crave what the other possesses. As attraction turns to sex, and they inch closer to getting what they want, both must confront the dark side of ambition and the trouble of reinventing oneself when the past is only a click away.

The Real World Crown

One of Essence's Best Books of the Year NAACP Image Awards Winner for Outstanding Literary Work With a foreword by Speaker Nancy Pelosi "There was no greater friend to the poor, to the lost, to the left out, and to the left behind. If you want to understand this great man, read his historic, important book and learn the lessons and values from his 'moral voice crying in the wilderness' on behalf of our American democracy." —Rep. John Lewis (D-GA) Known for his poise, intellect, and influence until his death in October 2019, Elijah Cummings was one of the most respected figures in contemporary politics, a politician who held fast to his beliefs but was not afraid to reach across the aisle in the name of friendship and progress. Since his earliest days in government through his time as a representative and chairman of the House Oversight and Reform Committee, he proved his abilities as a politician who could operate at the highest levels of democracy, serving the people of Baltimore and illustrating the importance of working with—and for—the underdog. Yet in his final years of life, Cummings recognized that democracy was the underdog. *We're Better Than This* draws from Cummings's own life to show the formative moments that prepared him for the disturbing first years of the Trump presidency and spurred him to hold the administration accountable for their actions. Weaving together the urgent drama of modern-day politics and character-defining stories from his past, Cummings offers a never-before-told

perspective on how his personal history, coming of age in South Baltimore, laid the foundation of a life spent fighting for justice. He goes behind the scenes with the House Democratic leadership, offering an eye-opening chronicle of the grim realities of holding the Trump administration to account. Detailing this moment of unprecedented obstructionism by both the president and Republicans, Cummings presents a vital defense of how government oversight defines our collective trust, examining the dangerous precedent for both parties that exists if the executive branch remains above public scrutiny. Part memoir, part call to action, *We're Better Than This* is the story of our modern-day democracy and the threats that we all must face together, as well as a retrospective on the life and career of one of our country's most inspirational politicians. As we approach another test of our democracy, the next race for the White House, *We're Better Than This* reminds people that in this country we don't elect kings, and we cannot afford four more years of this false one.

The Cultural Front Penguin

"Michael Gross's new book...packs [in] almost as many stories as there are apartments in the building. The Jackie Collins of real estate likes to map expressions of power, money and ego... Even more crammed with billionaires and their exploits than 740 Park" (Penelope Green, *The New York Times*). With two concierge-staffed lobbies, a walnut-lined library, a lavish screening room, a private sixty-seat restaurant offering residents room service, a health club complete with a seventy-foot swimming pool, penthouses that cost almost \$100 million, and a tenant roster that's a roll call of business page heroes and villains, Fifteen Central Park West is the most outrageously successful, insanely expensive, titanicly tycoon-stuffed real estate development of the twenty-first century. In this "stunning" (CNN) and "deliciously detailed" (Booklist, starred review) *New York Times* bestseller, journalist Michael Gross turns his gimlet eye on the new-money wonderland that's sprung up on the southwest rim of Central Park. Mixing an absorbing business epic with hilarious social comedy, Gross "takes another gossip-laden bite out of the upper crust" (Sam Roberts, *The New York Times*), which includes Denzel Washington, Sting, Norman Lear, top executives, and Russian and Chinese oligarchs, to name a few. And he recounts the legendary building's inspired genesis, costly construction, and the flashy international lifestyle it has brought to a once benighted and socially déclassé Manhattan neighborhood. More than just an apartment building, 15CPW represents a massive paradigm shift in the lifestyle of New York's rich and famous—and is a bellwether of the city's changing social and financial landscape.
