Although it takes two to have a great marriage, an important truth for any marriage partner to realize is that he or she can really change no one other than him or herself. Nevertheless, changes in just one person can have an amazing impact on a marriage relationship! Instead of focusing on "How do I have a better marriage?" this book embraces that truth, and helps women ponder the question, "How can I be the best wife I can be?" It provides every woman with skills, information, and encouragement to make a positive difference to this and future generations, by wholeheartedly investing in her marriage and her relationship with her husband today. *The Wholehearted Wife* is written by Erin and Greg Smalley, along with Gary Smalley, the creator and presenter of *Keys to a Loving Relationship*, one of the best-selling video series of all time. Recognizing that most if not all married women have either experienced a time when her marriage felt lifeless—or sat with another female friend or family member who was experiencing that situation—this book is also a

wonderful resource for those times.

Out of your heart flow your words and actions. Change your heart, and you'll change your life. According to best-selling author Dr. Gary Smalley, nobody has to live by the destructive subtle lies or believe the distortions of truth this world holds out to us. There are steps, strategies, and beliefs people can bring to their lives to either totally transform them or quietly improve them—and it all starts with hiding God's Word in their hearts. Hiding God's Word in his heart radically changed the life of Smalley himself, and he is seeing it revolutionize the lives of people around him as well—from lust, materialism, selfishness, anger, stress, overeating, anxiety, and guilt, just to name a few. No matter a person's age, experiences, or previous patterns, this book will guide readers to the whys and hows of orchestrating their beliefs to forever change their lives and relationships.

The best-selling classic that helps children thrive today and experience a special future tomorrow. Now revised, updated, and enhanced for a new generation! Children of every age long for the gift of “the blessing” — the unconditional love and approval that come from a healthy relationship with their parents. This life-changing gift, essential for instilling a deep sense of self-worth and unshakable emotional well-being, contains five essential elements: meaningful touch, a spoken message, attaching high value, picturing a special future, and an active commitment. Offering solid, practical advice and a fresh perspective on making this gift a bigger part of our families, *The Blessing* powerfully communicates these biblically based elements as necessary to prepare children for positive future relationships, including their relationship with a loving God. But what if we've missed out on the blessing in our own lives? The book includes hope for “reversing the curse” and helps readers find blessing in situations of divorce, death, desertion, adoption, and blended families. New to this updated edition are practical ideas, questions, exercises, and links for online resources — plus practical advice for planning a blessing event for a child, preparing a written keepsake blessing, and living out the blessing every day of our lives.

Too often, couples enter remarriage unaware of potential problems and unprepared for the challenges stepfamily life will bring. *The Heart of Remarriage* takes a unique approach to success in remarriage by going straight to the heart, helping couples heal from the inside out rather than offering surface suggestions that may change circumstances but not the lives of couples and their families. Drs. Gary and Greg Smalley partner with remarried couple Dan and Marci Cretsinger to offer this marriage-changing idea: No matter what circumstances or challenges a remarried couple and their stepfamily face, the solution starts in their hearts. Remarried couples will learn how to examine their own hearts and heal them from the hurts of the

past, so that they can be filled with God's love and let that love overflow to their family members. *The Heart of Remarriage* teaches readers how to create emotional security for every family member and offers practical ideas for connecting at the heart level with their spouse, children, and stepchildren. Couples will be encouraged to keep their hearts open and challenged to leave a family legacy of love.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 God is the creator of marriage. Listen to how Eugene Peterson, author of *The Message*, paraphrases this truth: God, not you, made marriage. His Spirit inhabits even the smallest details of marriage. And what does he want from marriage. Children of God, that's what. #2 The purpose of marriage is to create a loving relationship between a man and a woman. If you don't first understand how something is supposed to work, you might misuse it and end up frustrated or worse. #3 If you don't know how something works or what it's for, you'll end up either making a fool of yourself or misusing it and potentially causing frustration and heartache. We want to help you understand how marriage is supposed to work and what God's true purpose for marriage is so you can avoid making some devastating mistakes. #4 The purpose of marriage is to help us become like Christ. If you miss out on this understanding, your marriage will be destined for pain and frustration. But if you get it, especially now as you prepare to walk down the aisle, you'll be far ahead of the rest of the pack.

Though couples today are armed with communication styles, financial advice, and knowledge of each other's needs, marriages still turn stale. Through illustrations and practical advice from his years as a therapist, Robert Paul helps couples discover how to make their marriage fresh and full of fun, fascination, and freedom. By addressing each gender while avoiding stereotypical extremes, Paul shows that the adventurous romance men crave seamlessly complements the romantic adventure women need.

*Men's Relational Toolbox* Nottingham University Press

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In *Lifelong Love Affair*, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find *Lifelong Love Affair* an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott.
