*A Real-Life Guide to Raising Confident, Loving Children the Attachment Parenting Way* Simon and Schuster

A real-world guide to Attachment Parenting from the Big Bang Theory actress, neuroscientist, and mother Mayim Bialik—a book hailed by Dr. William Sears as “delightful” and by Ricki Lake as “a fantastic guide to birth and parenting that is packed with invaluable wisdom.” Mayim Bialik was the child star of the popular 1990s TV sitcom *Blossom*, but she definitely didn’t follow the typical child-star trajectory. Instead, Mayim got her PhD in neuroscience from UCLA, married her college sweetheart, and had two kids. Mayim then did what many new moms do—she read a lot of books, talked with other parents, and she soon started

questioning a lot of the conventional wisdom she heard about the “right” way to raise a child. That’s when she turned to Attachment Parenting, a philosophy and lifestyle popularized by well-known physicians like Dr. William Sears and Dr. Jay Gordon. To Mayim, Attachment Parenting’s natural, child-led approach not only felt right emotionally, it made sense intellectually and instinctually. She found that when she followed her intuition and relaxed into her role as a mother instead of following some rigid parenting script, both she and her children thrived. Taking into account her experience as a mother (and her scientific background), Mayim presents the major tenets of Attachment Parenting, including: Baby wearing: How to “wear” your baby in a sling or a wrap to foster a closer bond with your child—it’s possible even for mamas with bad backs (and with big babies)! Breastfeeding: Learn how to listen to your baby’s cues rather than sticking to a rigid schedule—and why people on airplanes love a nursing mother! Gentle discipline: How to get your child to behave without yelling, threats, or time-outs—it really is possible. Co-sleeping: How to avoid “sleep training” and get a great night’s sleep for the whole family. Without the pretense and luxuries typical of so many Hollywood actors and parents, Mayim describes the beauty, simplicity, and purposefulness of Attachment Parenting, and how it’s become the guiding principle for her family. Much more than a simple how-to parenting guide, *Beyond the Sling* shows us that the core principles underlying Attachment Parenting are universal and can be appreciated no matter how you decide to raise your child.

*Everwild* Algonquin Books

These days, many mothers-to-be find themselves torn between the desire for a natural childbirth with minimal medical intervention and the peace of mind offered by instant access to life-saving technology that only a hospital can provide. In *Natural Hospital Birth*, doula Cynthia Gabriel asserts that there is no good reason that women in North America should not be able to have both. She shows expectant mothers what they can do to avoid unnecessary medical interventions and how to take initiative and consciously prepare for the kind of birth they want to have. Also included are inspiring stories from other women who know firsthand that natural birth in the hospital is possible. With this

book, mothers-to-be will be equipped with the knowledge they need to ensure a satisfying hospital birth that they will look back on with peace and joy.

*The Best of Both Worlds* Back Bay Books

Nick the "chocolate ogre" wants to help the children of Everlost to reach the light at the end of the tunnel, and is slowly handing each child a coin which will release them from Everlost. But Mary Hightower wants to trap the children forever, and joins forces with Pugsy Capone, a death boss, who gains allies in a terrible way... Meanwhile, Allie has gone in search for her parents and joins up with a group of "skinjackers". But, as her search takes her further away from Nick and the children of Everlost, Allie uncovers a shocking secret... it seems that "skinjackers" are not actually dead... In this riveting sequel to the imaginative, supernatural thriller, *Everlost*, there is new dark force to be reckoned with.

And Baby Makes Three Little, Brown Spark

Unlike the other Birthmothers in her utopian community, teenaged Claire forms an attachment to her baby, feeling a great loss when he is taken to the Nurturing Center to be adopted by a family unit.

**Mayim's Vegan Table** Guilford Publications

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Kite Runner One World

WAY OF THE PEACEFUL WARRIOR has become one of the most

beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

*A Book That Changes Lives: Easyread Super Large 20pt Edition*  
Wednesday Books

"Powered by insight and true wit." --Meg Wolitzer, New York Times bestselling author of *The Female Persuasion* "I can't remember the last time I was as completely bewitched by a fictional character as I was by Bea Seger . . . What a treat to view life through the eyes of this funny, smart, gutsy woman." --Richard Russo, author of *Empire Falls* and *Chances Are...* Bea Seger has spent a lifetime running from her childhood. The daughter of a famous photographer, she and her brothers were the subjects of an explosive series of images in the 1960s known as the Marx Nudes. Disturbing and provocative, the photographs left a family legacy of grief felt long past the public outcry and media attention. Now, decades later, both the Museum of Modern Art and Hollywood have come calling, eager to cash in on the enduring interest in these infamous photos. Bea faces a choice: Let the world in--and be financially compensated for the trauma of her childhood--or leave it all locked away in a storage unit forever. Twice divorced from but still dependent on aging rock star Gary Going, Bea lives in Manhattan with her borrowed dog, Dory, and her sort-of half-sister, Echo. Navigating old resentments and betrayals, Bea stumbles towards her best future, even as the past looms larger than ever before. Carry the Dog reverberates with rock and roll, and truths about the human condition of a late-

blooming feminist. To inhabit this story is to be swept into Bea's world, to bear witness as the little girl in the photographs and the woman in the mirror meet at the blurry intersection of memory and truth, disappointment and gratitude, vulnerability and connection, and most of all, resilience.

*The Red and the Black* RH Childrens Books

The Butter Battle Book, Dr. Seuss's classic cautionary tale, introduces readers to the important lesson of respecting differences. The Yooks and Zooks share a love of buttered bread, but animosity brews between the two groups because they prefer to enjoy the tasty treat differently. The timeless and topical rhyming text is an ideal way to teach young children about the issues of tolerance and respect. Whether in the home or in the classroom, The Butter Battle Book is a must-have for readers of all ages.

*Deathwatch* Houghton Mifflin Harcourt

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

*Attached at the Heart* Houghton Mifflin Harcourt

Today's parents are constantly pressured to be perfect. But in striving to do everything right, we risk missing what children really need for lifelong emotional security. Now the simple, powerful "Circle of Security" parenting strategies that Kent Hoffman, Glen Cooper, and Bert Powell have taught thousands of families are available in self-help form for the first time. You will learn: How to balance nurturing and protectiveness with promoting your child's independence. What emotional needs a toddler or older child may be expressing through difficult behavior. How your own upbringing affects your parenting style--and what you can do about it. Filled with vivid stories and unique practical tools, this book puts the keys to healthy attachment within everyone's reach--self-understanding, flexibility, and the willingness to make and learn from mistakes. Self-assessment checklists can be downloaded and printed for ease of use.

**The Snowy Day** Beyond the Sling A Real-Life Guide to Raising Confident, Loving Children the Attachment Parenting Way  
Mayim Bialik, Jeopardy! host and star of *The Big Bang Theory*, puts her Ph.D. to work as she talks to teens about the science of growing up and getting ahead. A must-have book for all teenage girls. Growing up as a girl in today's world is no easy task.

Juggling family, friends, romantic relationships, social interests and school...sometimes it feels like you might need to be a superhero to get through it all! But really, all you need is little information. Want to know why your stomach does a flip-flop when you run into your crush in the hallway? Or how the food you put in your body now will affect you in the future? What about the best ways to stop freaking out about your next math test? Using scientific facts, personal anecdotes, and wisdom gained from the world around us, Mayim Bialik, the star of *The Big Bang Theory*, shares what she has learned from her life and her many years studying neuroscience to tell you how you grow from a girl to a woman biologically, psychologically and sociologically. And as an added bonus, *Girling Up* is chock-full of charts, graphs and illustrations -- all designed in a soft gray to set them apart from the main text and make them easy to find and read. Want to be strong? Want to be smart? Want to be spectacular? You can! Start by reading this book. Praise for *Girling Up*: "Bialik is encouraging without being preachy . . . many teens will be drawn to this engaging and useful book." --Booklist "Ultimately, the author stresses that 'Girling Up' does not end with adulthood—it is a lifelong journey. Thanks to Bialik, readers have a road map to make this trip memorable." --School Library Journal "Written in conversational style . . . the tone remains understanding, supportive, and respectful of the reader's individuality throughout the text." --VOYA

Simon and Schuster

A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

*A Novel* Penguin

America's foremost baby and childcare experts, William Sears M.D. and Martha Sears, R.N., explain the benefits -- for both you and your child -- of connecting with your baby early. Would you and your baby both sleep better if you shared a bed? How old is too old for breastfeeding? What is a father's role in nurturing a newborn? How does early attachment foster a child's eventual independence? Dr. Bill and Martha Sears -- the doctor-and-nurse, husband-and-wife team who coined the term "attachment parenting" -- answer these and many more questions in this practical, inspiring guide. Attachment parenting is a style of parenting that encourages a strong early attachment, and

advocates parental responsiveness to babies' dependency needs. The Attachment Parenting Book clearly explains the six "Baby B's" that form the basis of this popular parenting style: Bonding, Breastfeeding, Babywearing, Bedding close to baby, Belief in the language value of baby's cry, and Beware of baby trainers. Here's all the information you need to achieve your most important goals as a new parent: to know your child, to help your child feel right, and to enjoy parenting.

**How to Be Strong, Smart and Spectacular** Da Capo Lifelong Books

The adventures of a little boy in the city on a very snowy day. On board pages.

[Of Mice and Men](#) Harmony

"Trust me. This is the only baby book you'll ever need! It's amazing, heartwarming, and completely user-friendly. Just add your heart!" --Christiane Northrup, MD, author of *Mother-Daughter Wisdom*, *The Wisdom of Menopause*, and *Women's Bodies*, *Women's Wisdom Attached at the Heart* offers readers practical

parenting advice for the modern age. In its most basic form, "attachment parenting" is instinctive. A crying baby is comforted and kept close to parents for protection. If hungry, he or she is breastfed. And while it is understood that there is no such thing as perfect parenting, research suggests that there is a strong correlation between a heightened sense of respect, empathy, and affection in those children raised the "attachment parenting" way. In this controversial book, readers will gain much needed insight into childrearing while learning to trust the intuitive knowledge of their child, ultimately building a strong foundation that will strengthen the parent-child bond. Using the Eight Principles of Parenting, readers will learn: How to prepare for baby before birth Why breastfeeding is a must for busy moms When to start feeding solid food How to respond to temper tantrums Sleeping safety guidelines and the benefits of cosleeping Tips for short separation How to practice positive discipline and its rewards Tips for finding and maintaining balance The benefits of using a baby sling and

implementing infant massage Tips on dealing with criticism from those opposed or unfamiliar with AP style The dangers surrounding traditional discipline styles of parenting Contrary to popular belief, "attachment parenting" has been practiced in one form or another since recorded history. Over the years, it had been slowly replaced by a more detached parenting style—a style that is now believed by experts to be a lead contributing factor to suicide, depression, and violence. The concept of "attachment parenting"—a term originally coined by parenting experts William and Martha Sears—has increasingly been validated by research in many fields of study, such as child development, psychology, and neuroscience. Also known as "conscious parenting," "natural parenting," "compassionate parenting," or "empathic parenting," its goal is to stimulate optimal child development. While many attachment-parenting recommendations likely counter popular societal beliefs, authors Barbara Nicholson and Lysa Parker are quick to point out that the benefits outweigh the backlash of criticism that advocates of detached parenting may impose.
