George Washington, His
Slaves, and the Creation
of America Perfection
Learning

An Imperfect God is a
major new biography of
Washington, and the first
to explore his
engagement with
American slavery When

George Washington wrote
his will, he made the
startling decision to set
his slaves free; earlier he
had said that holding
slaves was his "only
unavoidable subject of
regret." In this
groundbreaking work,
Henry Wiencek explores
the founding father's
engagement with slavery
at every stage of his life--
as a Virginia planter,
soldier, politician,

president and statesman.
Washington was born and
raised among blacks and
mixed-race people; he
and his wife had blood
ties to the slave
community. Yet as a
young man he bought and
sold slaves without
scruple, even raffled off
children to collect debts
(an incident ignored by
earlier biographers).
Then, on the
Revolutionary battlefields

where he commanded both black and white troops, Washington's attitudes began to change. He and the other framers enshrined slavery in the Constitution, but, Wiencek shows, even before he became president Washington had begun to see the system's evil. Wiencek's revelatory narrative, based on a meticulous examination of private papers, court records, and the voluminous Washington archives, documents for the first time the moral transformation

culminating in Washington's determination to emancipate his slaves. He acted too late to keep the new republic from perpetuating slavery, but his repentance was genuine. And it was perhaps related to the possibility--as the oral history of Mount Vernon's slave descendants has long asserted--that a slave named West Ford was the son of George and a woman named Venus; Wiencek has new evidence that this could indeed have been true.

George Washington's heroic stature as Father of Our Country is not diminished in this superb, nuanced portrait: now we see Washington in full as a man of his time and ahead of his time. [A Community Helper Guessing Book](#) Classroom Complete Press
 ONE OF THE NEW YORK TIMES BOOK REVIEW'S TEN BEST BOOKS OF THE YEAR • MAN BOOKER PRIZE FINALIST • “A gripping historical narrative exploring both the bounds of slavery and what it means to be truly

free.” —Vanity Fair
Eleven-year-old George Washington Black—or Wash—a field slave on a Barbados sugar plantation, is initially terrified when he is chosen as the manservant of his master’s brother. To his surprise, however, the eccentric Christopher Wilde turns out to be a naturalist, explorer, inventor, and abolitionist. Soon Wash is initiated into a world where a flying machine can carry a man across the sky, where even a boy born in chains may embrace a life of

dignity and meaning, and where two people, separated by an impossible divide, can begin to see each other as human. But when a man is killed and a bounty is placed on Wash’s head, they must abandon everything and flee together. Over the course of their travels, what brings Wash and Christopher together will tear them apart, propelling Wash ever farther across the globe in search of his true self. Spanning the Caribbean to the frozen Far North,

London to Morocco, Washington Black is a story of self-invention and betrayal, of love and redemption, and of a world destroyed and made whole again.

I Am Benjamin Franklin
Farrar, Straus and Giroux
The much-heralded Good Knight is back—only this time his three little dragon friends are sick in bed. Their scaly foreheads are hot and their noses are drip-drip-dripping. They feel awful. The Good Knight comes to the rescue again! He brings them some slimy, grimy

soup from the wizard to make them feel better. But the dragons won't touch it. What is a Good Knight to do?

Ida B. Applewood believes there is never enough time for fun. That's why she's so happy to be homeschooled and to spend every free second outside with the trees and the brook. Then some not-so-great things happen in her world. Ida B has to go back to that Place of Slow but Sure Body-Cramping, Mind-Numbing, Fun-Killing Torture—school. She feels her heart getting smaller and smaller and

hardening into a sharp, black stone. How can things go from righter than right to a million miles beyond wrong? Can Ida B put together a plan to get things back to just-about perfect again?

This historic time-travel fantasy is a riveting sequel to a bestselling classic. Ten-year-old Matt Carlton and six friends are accidentally swept back in time--to Boston in 1776! The British now occupy the city, and redcoat guards are everywhere! While the boys are being held captive by a den of Patriot spies, the girls have been taken in by a wealthy Tory family. The pox is rampant; danger lies around every corner--and there's no hope for returning home to their

own time. How will these seven children survive? Readers will relish the nonstop action and humorous dialogue in this riveting sequel to Woodruff's bestselling novel, *GEORGE WASHINGTON'S SOCKS*. *The Goat Lady* Main Street Books

In the midst of an innocent lakeside campout, five modern-day children are transported back into the time of George Washington. Humorous, historical fiction that middle graders will enjoy.

Ida B Houghton Mifflin Harcourt

From James Rees, Executive Director of Mount Vernon, comes an enlightening guide to the leadership wisdom of America's first great leader. George Washington was more than just an inspiring battlefield commander; he was critical to the founding and success of the United States of America. His leadership, his vision, and his courage united a war-torn country and set the United States on the path to greatness.

Washington's historic contribution to this nation--his leadership and his character--are as relevant and valuable today as they have ever been. This book reveals Washington's character, his leadership, his vision, and most surprising of all, his business skills and acumen. Most people aren't aware that Washington, while all of the above, was also a successful businessman and visionary entrepreneur. Exhibiting qualities sorely lacking in so many of our political

and business leaders today, Washington remained steadfastly honest and ethical, following guiding principles that would benefit leaders around the world. George Washington's Leadership Lessons reveals a man of true character, worthy of emulation not just in the realm of politics and war, but in all leadership positions.

A Time Travel

Adventure Simon and Schuster
The eleven-year-old son of the Ravenmaster at the

Tower of London befriends a Jacobite rebel being held prisoner there. Tough Love Institute of International Education Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Fun with language! What is an antonym? You'll find the answer inside this book—it's all about antonyms! Author Brian P. Cleary and illustrator Brian Gable creatively clarify (not confuse) the concept of antonyms.

Their clever (not foolish) rhymes and comical (not serious) illustrations combine to highlight key words. Each pair or group of antonyms is printed in color for easy identification. *George Washington's Socks* George Washington's Socks While enjoying a innocent lakeside campout, five modern-day children are transported back in time to the days of George Washington and other American Revolutionary figures. Reprint. *George Washington's Socks*

Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is

drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes clear that even the smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book

author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular Jimmy's Boa series, which has been translated into six languages. Trinka lives in Bernardsville, New

Jersey. The Scarlet Stockings Spy is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of his favorite superheroes were such a pleasure, it was only natural that he would wind up an illustrator. Nowadays, his award-winning artwork appears on book covers and in magazines instead of on the refrigerator. He has produced hundreds of cover illustrations for major publishers across the United States. Robert lives in historic Bucks County, Pennsylvania.

The daughter of one of the South's most famous Baptist preachers discovers a shocking secret about her father that puts her at odds with both her faith and her family in this debut novel. "Spellbinding...Revival Season should be read alongside Alice Walker's The Color Purple and

Chimamanda Ngozi Adichie’s *Purple Hibiscus*.” —The Washington Post A New York Times Book Review Editors’ Choice Every summer, fifteen-year-old Miriam Horton and her family pack themselves tight in their old minivan and travel through small southern towns for revival season: the time when Miriam’s father—one of the South’s most famous preachers—holds massive healing services for people desperate to be cured of ailments and disease. But, this

summer, the revival season doesn’t go as planned, and after one service in which Reverend Horton’s healing powers are tested like never before, Miriam witnesses a shocking act of violence that shakes her belief in her father—and her faith. When the Hortons return home, Miriam’s confusion only grows as she discovers she might have the power to heal—even though her father and the church have always made it clear that such power is denied to women. Over the course of the following

year, Miriam must decide between her faith, her family, and her newfound power that might be able to save others, but if discovered by her father, could destroy Miriam. Celebrating both feminism and faith, *Revival Season* is a “tender and wise” (Ann Patchett) story of spiritual awakening and disillusionment in a Southern, Black, Evangelical community. [Revival Season](#) Lerner Digital™ Tells the story of an elderly French-Canadian woman who lived in

Massachusetts and raised goats to provide milk for people who needed it.

. . . and Her Plans to Maximize Fun, Avoid Disaster, and (Possibly) Save the World AudioGO

In 1776, after witnessing the execution of Nathan Hale in New York City, which was newly occupied by the British army, young Sophia Calderwood resolves to do all she can to help the American cause, including becoming a spy.

George Washington's Spy Scholastic Paperbacks

Perhaps no other person could ever achieve the preeminent position in American history and

culture occupied by George Washington. Born in 1732, Washington's life-long commitment to self-improvement and discipline helped him become a legend in his own lifetime. Whether as a statesman, military man, or America's first president, Washington created a legacy that has scarcely diminished in over two centuries. Yet the passage of time and the superlatives reserved for Washington have knit together and made it difficult to find the real man. Historian and editor

John P. Kaminski has amassed an extraordinary body of quotations by and about George Washington

that brings us closer to the essence of this great leader. This collection paints an intricate picture of the man who Henry

'Lighthouse' Lee of Virginia eulogized as: "First in war, first in peace, first in the hearts of his countrymen."
