Bioremediation of Salt Affected Soils: An Indian Perspective

Something Borrowed, Someone Dead Zondervan
This edited volume focuses on the characterization, reclamation, bioremediation, and phytoremediation of salt affected soils and waterlogged sodic soils. Innovative technologies in managing marginal salt affected lands merit immediate attention in the light of climate change and its impact on crop productivity and environment. The decision-making process related to reclamation and management of vast areas of salt affected soils encompasses consideration of economic viability, environmental sustainability, and social acceptability of different approaches. The chapters in this book highlight the significant environmental and social impacts of different ameliorative techniques used to manage salt affected soils. Readers will discover new knowledge on the distribution, reactions, changes in bio-chemical properties and microbial ecology of salt affected soils through case studies exploring Indian soils. The contributions presented by experts shed new light on techniques such as the restoration of degraded lands by growing halophyte plant species, diversification of crops and introduction of microbes for remediation of salt infested soils, and the use of fluorescent pseudomonads for enhancing crop yields.

Something Borrowed, Someone Dead continues the tradition in M. C. Beaton's beloved Agatha Raisin cozy mystery series—now a hit show on Acorn TV and public television. Gloria French was a jolly widow with dyed blonde hair, a raucous laugh and rosy cheeks. When she first moved from London to the charming Cotswolds hills, she was heartily welcomed. She seemed a do-gooder par excellence, raising funds for the church and caring for the elderly. But she had a nasty habit of borrowing things and not giving them back, just small things, a teapot here, a set of silverware there. So it's quite the shock when she is found dead, murdered by a poisoned bottle of elderberry wine. Afraid the murder will be a blight on the small town, Parish councillor, Jerry Tarrant, hires private detective Agatha Raisin to track down the murderer. But the village is secretive and the residents resent Agatha's investigation. Of course that doesn't stop the ever-persistent Agatha from investigating and sticking her nose where no one wants it—especially as the suspect list grows. And, as if it isn't enough that Agatha's ex has reentered the picture, the murderer is now targeting Agatha! With M.C. Beaton's *Something Borrowed, Someone Dead* the bossy, vain, and absolutely irresistible, Agatha Raisin continues to be a fan favorite.

This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity.

Agnieszka Stasiewicz-Bieńkowska considers less-explored popular vampire series for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world.

Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

"Sickles is as dividing a figure in Civil War history as there is. In his masterful work . . . Hessler . . . puts him out there with all his wrinkles" (Confederate Book Review). Winner of the Robert E. Lee Civil War Roundtable of Central New Jersey's Bachelor-Coddington Literary Award Winner of the Gettysburg Civil War Roundtable's Distinguished Book Award By licensed battlefield guide James Hessler, this is the most deeply-researched, full-length biography to appear on this remarkable American icon. No

individual who fought at Gettysburg was more controversial, both personally and professionally, than Major General Daniel E. Sickles. By 1863, Sickles was notorious as a disgraced former Congressman who murdered his wife's lover on the streets of Washington and used America's first temporary insanity defense to escape justice. With his political career in ruins, Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac's 3rd Corps—despite having no military experience. At Gettysburg, he openly disobeyed orders in one of the most controversial decisions in military history. Hessler's critically acclaimed biography is a balanced and entertaining account of Sickles colorful life. Civil War enthusiasts who want to understand General Sickles' scandalous life, Gettysburg's battlefield strategies, the in-fighting within the Army of the Potomac, and the development of today's National Park will find Sickles at Gettysburg a must-read. "The few other Sickles biographies available will now take a back seat to Hessler's powerful and evocative study of the man, the general, and the legacy of the Gettysburg battlefield that old Dan left America. I highly recommend this book."—J. David Petrucci, coauthor of *Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg*
