Fever Cambridge University Press
 A finalist for the prestigious Carnegie Medal, this novel is a stunning tribute to fathers and daughters, and to the unique power of art to connect and change us. Sixteen-year-old Iris itches constantly for the strike of a match. But when she's caught setting one too many fires, she's dragged away to London before she can get arrested. At least, that's the story her mother tells. Soon Iris finds herself in the English countryside, where her millionaire father—a man she's never met—lives. Though not for very much longer. Iris's father is dying, and her self-interested mother is determined to claim his life's fortune, including his priceless art

collection. Forced to live with him as part of an exploitive scheme, Iris quickly realizes her father is far different from the man she's been schooled to hate, and everything she thought she knew—about her father and herself—is suddenly unclear. But there may be hidden beauty in Iris's uncertain past and hopeful future, if only she can see beyond the flames. Praise for *Fire Color One*: "It's not often—in fact, it has never happened to me even once—that I fall so hard for a young arsonist. The book moves swiftly, alternating between comedy and sadness, sometimes in the same paragraph. I loved *Fire Color One*." —Daniel Wallace, critically acclaimed and bestselling author of *Big Fish* * "Valentine writes about family dysfunction, arson, and art with equal levels of beauty and lyricism, creating a vivid landscape of heartache and

redemption....A story about an ugly situation that explodes into beauty through cunning and resilience." —Kirkus *STARRED* * "From the first page to the last, Valentine has crafted a masterpiece." —BCCB *STARRED* "[T]his is a poignant story about the power of art to connect and transform." —SLJ "Beautifully written...a quiet, reflective novel that blooms into a thrilling mystery." —Booklist "Fire Color One is a stunning journey of a teenage girl's struggle to find her place in a world that tries its hardest to keep her out....For fans of stories in which the good guys prevail, this book is perfect." —VOYA "Wise, brilliantly plotted." —The Sunday Times "Beautifully written...this latest creation is her most spectacular yet." —The Guardian Children's Books review "A beautifully written, darkly funny and surprisingly poignant story of art, family

and discovering the people we thought we knew.” —Kerry Kletter, critically acclaimed author of *The First Time She Drowned Praise for Me, the Missing, and the Dead: A Morris Award finalist Winner of the Guardian Children's Fiction Prize (under title Finding Violet Park)* * “Compulsively readable. A memorable new voice.” —Publishers Weekly *STARRED* * “Lucas’ pitch-perfect voice and authentic family relationships...and the poignant, coming-of-age mystery will stay with the reader long after the book ends. Valentine’s debut novel shines richly.” —Booklist *STARRED* * “Engaging from start to finish.” —School Library Journal *STARRED* “An impressive debut. Valentine offers a rich cast of characters and marvelous writing.” —Buffalo News “Charmingly told, this mystery manages to be both frothy and nourishing.” —Kirkus *The Man in Flames* Penguin UK

When is a building just a building and when is it art? This accessible guide cuts through the jargon and clearly explains the essentials of architecture, demystifying the incredible ways in which structures and spaces come alive. You'll gain a real appreciation for architecture and the confidence to talk about it—even to an architect. Just the essential information for readers on the go who want to understand architecture. Covers the highlights of architectural history, from the Great Pyramids to Frank Gehry's Guggenheim museum in Bilbao. Explains how to look at a building and appreciate it. Explains when a building's a building and when it's art. Part of Tens includes Ten Great Architectural Masterpieces, Ten Biggest Architectural and Engineering Failures, Ten of the Most Interesting Architects Working Today, and more.

Midwinter Restless Books

Why is America again unjustly at war? Why is its politics distorted by wedge issues like abortion and gay marriage? Why is anti-Semitism still so powerfully resurgent? Such contradictions within democracies arise from a patriarchal psychology still alive in our personal and political lives in tension with the equal voice that is the basis of democracy. This book joins a psychological approach with a political-theoretical one that traces both this psychology (based on loss in intimate life) and resistance to it (based on the love of equals) to the Roman Republic and Empire and to three Latin masterpieces: Virgil's *Aeneid*, Apuleius's *The Golden Ass*, and Augustine's *Confessions*. In addition, this book explains many other aspects of our present situation including why movements of ethical resistance are often accompanied by a freeing of sexuality and

why we are witnessing an aggressive fundamentalism at home and abroad.

Three Bullets Vintage

The closing of the theatres by Parliament in 1642 is perhaps the best-known fact in the history of English drama. As the Parliamentary Puritans were then in power, it is easy to assume that all opponents of the theatre were Puritans, and that all Puritans were hostile to the drama. The reality was more interesting and more complicated. Margot Heinemann looks at Thomas Middleton's work in relation to the society and social movements of his time, and traces the connections this work may have had with radical, Parliamentarian or Puritan groups or movements. In the light of the recent work of seventeenth-century historians we can no longer see these complex opposition movements as uniformly anti-theatre or anti-dramatist. The book suggests fresh meanings and implications in Middleton's own writings, and helps towards rethinking the place of drama in the changing life of early Stuart England.

Migration by Boat HarperCollins

'Precarious Employment' explores the nature and dynamics of precarious employment in contemporary Canada.

Indian Creek Chronicles Palala Press

The charming world of Miss Maggie's Kitchen brings a mixture of refined classic French style with a modern twist, for perfect, effortless entertaining. Héloïse Brion's early life was rhythmized by mealtimes--from her childhood in Florida, where her mother proudly upheld the tradition of the French family dinner, to summers spent in the Pyrenees, where her grandmother cooked over a wood-fire oven. Her passion for food--always respectful of the seasons and the origins of her products--followed her back to France, where she pursued a career in fashion. What initially began as a whimsical pastime turned into Miss Maggie's Kitchen, her brand that blends cooking, travel, and lifestyle in a perfect alchemy. Her innate talent for style and entertaining stems from her informal American approach to life mixed with her inherent French flair. Here, Brion shares more than eighty laid-back recipes for every occasion, including her beautiful table settings that are festive and welcoming. Her simple, authentic, and tasty cuisine includes winter squash soup with porcini crostini, cherry tomato pizza, veal stew, clementine and pistachio cake, and a rosemary-rhubarb cooler. Brion's husband, photographer Christophe Roué, captures the charm of Miss Maggie's Kitchen, where retro and modern culminate in the ultimate comfortable

elegance.

Le point Rosetta Books

In this highly acclaimed novel by the author of *The Emperor's Children*, life isn't all Emmy and Virginia Simpson might have hoped. When Emmy's marriage to an Australian man ends, she flees her home in Sydney for the tropical paradise of Bali to "find herself"—only to become embroiled with an eclectic crew of international misfits and smugglers. Her sister Virginia, meanwhile, has never wandered far outside of London. Prim and pious, Virginia is struggling to find meaning in her life and her aging mother thinks a visit to the Isle of Skye is just what she needs. On these two islands halfway around the world, the middle-aged sisters confront their lives and their destinies with unexpected consequences. **BONUS:** This edition includes an excerpt from Claire Messud's *The Woman Upstairs*. *A Brief Apology for a Catholic Moment* McGill-Queen's Press - MQUP

A New Mexico man faces off against the government in a battle over his land in this novel by the author of *Desert Solitaire*. After nine months away at school, Billy Vogelin Starr returns home to his beloved New Mexico—only to find his grandfather in a standoff with the US government, which wants to take his land and turn it into an extension of the White Sands Missile Range. Facing the combined powers of the US county sheriff, the Department of the Interior, the Atomic Energy Commission, and the US Air Force, John Vogelin stands his ground—because to Vogelin, his land is his life. When backed into a corner, a tough old man like him will come out fighting . . . *Fire on the Mountain* is a suspenseful page-turner by “one of the very best writers to deal with the American West”—the acclaimed author of such classics as *The Monkey Wrench Gang* and the memoir *Desert Solitaire* (*The Washington Post*). “Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier.” —Houston Chronicle “The Thoreau of the American West.” —Larry McMurtry, Pulitzer Prize-winning author of *Lonesome Dove*

LONGLISTED FOR THE BAILEYS PRIZE FOR FICTION 2017 'Finely judged writing like this comes from a place of instinct, and it marks Melrose out as someone to watch . . . Midwinter is a great success' Melissa

Harrison, *Guardian Father and Son*, Landyn and Vale *Midwinter*, are Suffolk farmers, living together on land their family has worked for generations. But they are haunted there by a past they have long refused to confront: the death of Cecelia, beloved wife and mother, when Vale was just a child. Both men have carried her loss, unspoken. Until now. With the onset of a mauling winter, something between them snaps. While Vale makes increasingly desperate decisions, Landyn retreats, finding solace in the land, his animals - and a vixen who haunts the farm and seems to bring with her both comfort and protection. Tender and lyrical, alive to language and nature, *Midwinter* is a novel about guilt, blame, lost opportunities and, ultimately, it is a story about love and the lengths we will go to find our way home. Longlisted for the New Angle Prize 2017 'Melrose elegantly weaves narratives detailing the men's internal tumult with lush descriptions of their natural surroundings . . . A moving story about the cruelty of chance, modern masculinity and the transformative power of the bonds between men' *Financial Times* 'I have rarely read a narrative voice as distinctive as Landyn's, and the loving depiction of regional English working-class masculinity is unusual and timely . . . This is certainly not a light-hearted book, but it offers the true consolation of some very good writing' Sarah Moss, *TLS* 'A penetrating study of grief and guilt' *Daily Mail* [Bibliographie nationale française](#) Cornell University Press

By a Booker Prize nominee and an internationally bestselling author: a captivating homage to Georges Simenon, an absorbing character study and a highly original detective story. Manfred Baumann is a loner. Socially awkward and perpetually ill at ease, he spends his evenings quietly drinking and surreptitiously observing Adèle Bedeau, the sullen but alluring waitress at a drab bistro in the unremarkable small French town of Saint-Louis. But one day, she simply vanishes into thin air. When Georges Gorski, a detective haunted by his failure to solve one of his first murder cases, is called in to investigate the girl's disappearance, Manfred's repressed world is shaken to its core and he is forced to confront the dark secrets of his past. The *Disappearance of Adèle Bedeau* is a literary mystery novel that is, at heart, an engrossing psychological portrayal of an outsider pushed to the limit by his own feverish imagination.

[Middleton's "Vulgar Pasquin"](#) Biblioasis This edited text explores immigration detention through a global and

transnational lens. Immigration detention is frequently transnational; the complex dynamics of apprehending, detaining, and deporting undocumented immigrants involve multiple organizations that coordinate and often act across nation state boundaries. The lives of undocumented immigrants are also transnational in nature; the detention of immigrants in one country (often without due process and without providing the opportunity to contact those in their country of origin) has profound economic and emotional consequences for their families. The authors explore immigration detention in countries that have not often been previously explored in the literature. Some of these chapters include analyses of detention in countries such as Malaysia, South Africa, Turkey and Indonesia. They also present chapters that are comparative in nature and deal with larger, macro issues about immigration detention in general. The authors' frequent usage of lived experience in conjunction with a broad scholarly knowledge base is what sets this volume apart from others, making it useful and practical for scholars in the social sciences and anybody interested in the global phenomenon of immigration detention.

You Will Love What You Have Killed Penguin

The election of an unabashedly patriarchal man as US President was a shock for many—despite decades of activism on gender inequalities and equal rights, how

could it come to this? What is it about patriarchy that seems to make it so resilient and resistant to change? Undoubtedly it endures in part because some people benefit from the unequal advantages it confers. But is that enough to explain its stubborn persistence? In this highly original and persuasively argued book, Carol Gilligan and Naomi Snider put forward a different view: they argue that patriarchy persists because it serves a psychological function. By requiring us to sacrifice love for the sake of hierarchy, patriarchy protects us from the vulnerability of loving and becomes a defense against loss. Uncovering the powerful psychological mechanisms that underpin patriarchy, the authors show how forces beyond our awareness may be driving a politics that otherwise seems inexplicable.

[Winter in Sokcho](#) Cambridge University Press

Winner of the prestigious Prix Femina, *The Boy* is an expansive and entrancing historical novel that follows a nearly feral child from the French countryside as he joins society and plunges into the torrid events of the first half of the 20th century. The boy does not speak. The boy has no name. The boy, raised half-wild in the forests of southern France, sets out alone into the wilderness and the greater world beyond. Without experience of another person aside from his mother, the boy must learn what it is to be human, to exist among people, and to live beyond simple survival. As this wild and naive child attempts to join civilization, he encounters earthquakes and car crashes, ogres and artists, and, eventually, all-encompassing love and an inescapable war. His adventures take him around the world and through history on a mesmerizing journey, rich with unforgettable characters. A hamlet of farmers fears he's a werewolf, but eventually raise him as one of their own. A circus performer who toured the world as a sideshow introduces the boy to showmanship and sanitation. And a chance encounter with an older woman exposes him to music and the sensuous pleasures of life. The boy becomes a guide whose innocence exposes society's wonder, brutality, absurdity, and magic. Beginning in 1908 and spanning three decades, *The Boy* is as an emotionally and historically rich exploration of family, passion, and war from one of France's most acclaimed and bestselling authors. *The Art of Bible Translation* Les sommets de Michel Rochedy [Bibliographie nationale française](#) [Livres hebdo](#) [Livres de France](#) [Le figaro magazine](#) [Cuisine et vins de France](#) [Un An de nouveauté](#) [Les Livres](#)

'Timely and timeless ... Will hold any reader to its last haunting page' Chicago Tribune The early life of Joe Allston, the retired literary agent of Stegner's National Book Award-winning novel, *The Spectator Bird*, features in this disquieting and keenly observed novel. Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s, Allston and his wife, Ruth, have left the coast for a California retreat. And although their new home looks like Eden, it also has serpents: Jim Peck, a messianic exponent of drugs, yoga and sex; and Marian Catlin, an attractive young woman whose otherworldly innocence is far more appealing - and far more dangerous. 'The Great Gatsby captures the twenties and yet transcends them. All the Little Live Things is a comparable achievement for the sixties ... Stegner's craft is here at an

apex' Virginia Quarterly Review **Puritanism and Theatre** Dedalus Europe 1999

When the World Was Steady Berghahn Books

Faldistoire's grandfather thinks he's a ghost. Sylvie's mother reads tarot and summons stormclouds to mete her witch's justice. Behind his Dad of the Year demeanour, Sébastien's father hides dark designs. It's Croustine's grandfather who makes the boy a pair of slippers from the dead family dog, but it's his father, the cannily-named Kevin Lambert, who always seems to be nearby when tragedy strikes, and in the cemetery, under the baleful eyes of toads, small graves are dug one after the other: Chicoutimi, Quebec, is a dangerous place for children. But these young victims of rape, arbitrary violence, and senseless murder keep coming back from the dead. They return to school, explore their sexualities, keep tabs on grown-up sins—and plot their apocalyptic retribution. Surreal and darkly comic, this debut novel by Kevin Lambert, one of the most celebrated and controversial writers

to come out of Quebec in recent memory, takes the adult world to task—and then takes revenge.

Architecture For Dummies Orion

In this exquisitely written journal-turned-journey of self-discovery, international bestselling author Paolo Cognetti examines our universal desire for connection through a voyage in the Himalayas. Why climb a mountain without ever reaching the summit? In 2017, Paolo Cognetti returned to Nepal, not to conquer the mountains but to journey through the high valleys of the Dolpo with a copy of Peter Matthiessen's *The Snow Leopard* in hand. Drawing on memories of his childhood in the Alps, Cognetti explored the roots of life in the mountains, truly getting to know the communities and the nature that forged this resilient, almost mythical region. Accompanying him was Remigio, a childhood friend who had never left the mountains of Italy, and Nicola, a painter he had recently met. Joined by a stalwart team of local sherpas, the trio started out in the remote Dolpo region of Nepal. From there, a journey of self-discovery shaped by illness, human connection, and empathy was born. *Without Ever Reaching the Summit* features line illustrations drawn by the author.
