 May I have the honor to begin by introducing to you my Exercise Book called IMPROVE YOUR ENGLISH WITH 600 INTERROGATIVE EXERCISES and state my views as a highly qualified and experienced English Teacher. First, I wish to make a few remarks concerning this book because it's certainly Unique, Ingenious and Challenging. I'm absolutely convinced you're going to definitively master English and have control of it the CORRECT WAY without wasting any more time. It's my considered opinion that this is the method to Learn English by making the most of your knowledge and intelligence. Second, I want to comment on the problem of students taking too long trying to learn English and feeling at some point never completely secure. There's no doubt that if this book is in your hands, it's highly probable you are feeling a little this way. I would like to briefly mention that students have the necessity nowadays to speak, write, read and comprehend English. I assure you that by completing the exercises and checking the answers will clarify all your queries and in no time, you will understand how it all works, develop your skills and finally feel extra self-confident..Third, may I just draw your attention to the content of this book. This exceptional Exercise Book is not only designed for all ages but also for self-study or just simply to have fun and review. Furthermore, it contains a total of 600 Answer-Statement Exercises. On the one hand it is divided into three parts for students at B1, B2 and C1 levels and on the other hand you have the key Answers of the Interrogatives at the end of the book to check as you continue with the book as you desire. Finally, allow me to conclude by highlighting the fact that this book will put you to the test. Enjoy! I welcome you to the challenge and I wish you success for the near future.Thank you.

Test Your English Grammar and Vocabulary Test Your English Grammar and VocabularyThe fifteen tests in this book are designed to be used either with a teacher or for self-study. In a classroom situation, teachers can use the tests for general revision / consolidation purposes. Students working on their own can also test their knowledge of vocabulary and grammar while checking their answers in the answer key. Each test consists of 5 exercises, making a total of 35 questions. Exercise 1 tests

knowledge of key grammar points in a multiple-choice format. Exercise 2 requires students to identify and correct a mistake. Exercise 3 is a classic cloze, testing knowledge of grammar and vocabulary in the context of a short text. Exercise 4 consists of 5 multiple-choice vocabulary questions. Exercise 5 requires students to write the missing word in a sentence (the first and last letters are given).The grammar points and the vocabulary items are all based on the B1 level syllabus as defined by the Common European Framework on Languages.Grammar: B1 (Collins Work on Your...)

English for Everyone Grammar Guide Practice Book CreateSpace

Every day all around the world, learners of the English language are constantly battling with those irksome multiple word verbs which we all refer to as phrasal verbs. This book has been written as a guide on how to use two hundred commonly used phrasal verbs by way of exercises. There is also a glossary which goes more into detail on their usage along with plenty more examples. It is always best to learn phrasal verbs in a natural context through natural speech. Without context, phrasal verbs mean nothing. Level B1 to C1 grammar is continuously used throughout the book to enable learners to learn not only phrasal verbs in a natural context but also to become more acquainted with grammar structures. The author has not gone into detail about how to remember which particle goes with which verb. There are ongoing debates among linguists about whether or not this makes a complicated situation even more complicated. It does nothing to speed up the learning process if the student has to waste time trying to decipher particles before he or she starts to speak. Phrasal verbs are picked up naturally as students slowly progress in their studies. Remember, out of context even native speakers are unable to decipher their meanings.
