GROSS GABRIELLE

The Mystery of the Shemithah Updated Edition Salem Books
Join Greg Laurie, pastor and bestselling author of *Steve McQueen: The Salvation of an American Icon*, as he takes you on a personal journey into the life and legend of Johnny Cash. At the peak of his career, Cash had done it all—living the ultimate rags-to-riches story of growing up on a cotton farm in the Deep South to becoming a Nashville and Hollywood sensation, singing alongside heroes like Elvis Presley and performing for several American presidents. But through all of this, Cash was troubled. By the time he released the iconic *Man in Black* album in 1971, the middle-aged icon was broken down, hollow-eyed, and wrung out. In his search for peace, Cash became embroiled in controversy. He was arrested five times in seven years. His drug- and alcohol-induced escapades led to car accidents and a forest fire that devastated 508 acres. His time was divided between Jesus and jail, gospel tunes and the “Cocaine Blues.” But by the end of his life, Cash was speaking openly about his “unshakeable faith.” What caused the superstar to turn from his conflicting passions to embrace a life in Christ? *Johnny Cash: The Redemption of an American Icon* dives deep into the singer’s inner demons, triumphs, and gradual return to faith. Laurie interviews Cash’s family, friends, and business associates to reveal how the singer’s true success came through finding the only Person whose star was bigger than his own.

The Oracle Book KNOWS YOUR FUTURE This mysterious book is a do-it-yourself divination tool. Ask a yes-or-no question, and find

your answer within...

The Kabbalah Unveiled Defender

NEW YORK TIMES BEST SELLING AUTHOR OF *THE HARBINGER*, *THE MYSTERY OF THE SHEMITAH*, *THE BOOK OF MYSTERIES*, AND *THE PARADIGM* WITH OVER 3 MILLION COPIES SOLD Practically apply the daily mission, Scriptures, and insights from *The Book of Mysteries* to your life. Created as a companion to *The Book of Mysteries* by Jonathan Cahn, this prayer journal enhances the reader experience through the amazing mysteries revealed. Record your thoughts and prayers on lined pages that correspond with the 365 mysteries, scriptures, and daily missions shared in the print book—with the most important keys of spiritual truth, end-time mysteries, and secrets of life.

Violet Dawn Zondervan

An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer - with more than a million copies in print. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice. Over 1 million copies in print!

How to Read the Bible for All Its Worth Oxford University Press
The Kabbalah Unveiled is a book concerning Kabbalah by freemason and occultist by S. L. MacGregor Mathers. Kabbalah is an esoteric method, discipline, and school of thought in Jewish mysticism. It is a set of esoteric teachings meant to explain the relationship between the unchanging, eternal God—the mysterious Ein Sof ("The Infinite")—and the mortal, finite universe (God's creation). It forms the foundation of mystical religious interpretations within Judaism. Historically, Kabbalah emerged

from earlier forms of Jewish mysticism, in 12th- to 13th-century Spain and Southern France, and was reinterpreted during the Jewish mystical renaissance in 16th-century Ottoman Palestine. Jewish Kabbalists originally developed their own transmission of sacred texts within the realm of Jewish tradition. *The Kabbalah Unveiled* includes translations and commentaries of the books of Zohar: *The Book of Concealed Mystery*; *The Greater Holy Assembly*; and *The Lesser Holy Assembly*.

The Book of Mysteries Prayer Journal Simon & Schuster

Is God Just a Distant Concept? An Award-Winning Religion Correspondent is Convinced the Answer is No and Explores the Possible Relationship with Our Creator Fox News Religion Correspondent Lauren Green uses her wealth of stories, vast network of contacts, and her own extensive study of theology to take the reader on a unique journey of spiritual discovery. With few female authors writing in the field of theology, Green provides an important perspective to all who wish to move closer to not only a deeper relationship with God but an understanding of what makes that possible. Green gathers insight from some amazing guides along the way, through personal conversations with some of the leading minds in the world on the topic of Christianity. These include: Timothy Keller John Piper Alister McGrath William Lane Craig John Lennox Sir John Polkinghorne Amy Beckman Elizabeth Lev ... and many more Is God simply an accessory that we carry with us? Something similar to what we might download from a music site to suit our personal tastes—a personal assistant in a way? Or is He His law, His structure, and His authoritative Word contained in the Holy Scripture, an objective reality to which you daily shape your life? If we believe or know we should believe that it's the latter, how do we make this happen? How do we live joyfully under God's will in a world so drenched in the will of human desire? *Lighthouse Faith* explores the heart of the Christian doctrine and a pathway of perceiving God as an interactive hands-on presence; a caring and loving being. The first commandment is a life-giving force loaded with information about the world in which we live. This law stands atop the other nine commandments as a beacon of light, illuminating the created order, just as a lighthouse lamp shines in a darkened space,

heralding a way to safety.

Dealing with Dragons Alpha Edition

The Novanian king has gathered an army in the north with the intent to make war upon the magi. He has exiled all three of his brothers. Andrew and Alexander fled to the Southlands, while Thomas escaped into the hostile northern highlands, the land of Novania's ancient foe, the insectile Corodan. While Alexander prepares to face Colin's army in the south, Andrew makes the perilous journey through Novania to seek Thomas' whereabouts and offer what aid he can. Traveling at his side is Rynn, a powerful mage with the ability to manipulate and form ice. When they fail to locate Thomas after days of searching, Andrew is forced to seek the aid of the Corodan. He has a long and bloody history with their people, and was responsible for the death of their previous Hive-queen. Uncertain if the Corodan will cooperate, but faced with no other hope of locating his brother, he ventures into the heart of the Corodan lands. Without Thomas, the brothers have no hope of overthrowing Colin and his tyranny. Without Thomas, Novania will continue to execute innocent citizens simply for bearing the Mark of the Magi. Without Thomas, the kingdom will be lost.

Harbinger Charisma Media

Since being written, the end-time prophecies of the Bible have been shrouded in mystery. Our world is now inundated with book after book on the subject of end-time interpretation. Often, the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie. Expertly sifting through the modern fog covering these important prophecies, David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times. Using the proven techniques of the scientific method, David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy. Beginning with a solid faith in the Bible as the infallible Word of God, he now presents his findings in God's Prophetic Timeline. Never before has there been such a clear and concise presentation of God's timeline for the future, along with many passages that David admits we cannot yet understand. Written for the minister and layperson alike, it begins by explaining the church age and progresses through each of Revelation's seven phases, ending with new heaven and new

earth. His approach details even subtle prophetic material, including Israel's future wealth, the world war it triggers, and Jesus' coronation. Don't be puzzled any longer by confusion on the subject of prophecy. Leave behind the many contradictory theories propagated by the misinformed. Follow along as God's Prophetic Timeline shows you, in detail, the tested, validated, and unified understanding of the Bible's prophecies.

God and Cancel Culture Harvest House Publishers

FROM THE BEST-SELLING AUTHOR OF GOD AND DONALD TRUMP 64% of Americans believe cancel culture is a threat to their freedom. This book will help you realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good-to bring hope. It will document what is happening in our country, how believers can respond, and why we can look expectantly to the future. This is the time for neither religious fatalism nor political inaction. No matter how bad things get in the culture or in government, the Bible is true and God has plans and purposes we don't understand-and in the end we win. Things are chaotic in America. Liberal policies are advancing. A rash of executive orders appears to be moving the nation closer to socialism and a one-world government. And conservatives, including many Christians, are being censored as never before. There's even a term-cancel culture-which 64 percent of Americans believe poses a threat to their freedom, according to a Harvard CAPS-Harris Poll. (Among Republicans, that figure is even higher at 80 percent.) The term applies to all conservatives who oppose the politically correct crowd, but it's part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end and the Antichrist will appear at any time. You pick the cultural or political issue, and there likely is not even the semblance of widespread agreement. It seems that Christians are in an unprecedented season of fragmentation, potential division, and actual separation on many fronts. Instead of going forward, much of the church seems to be moving backward or standing still, waiting for what's next. The body of Christ is a big, diverse family, and we must choose to cheer one another on rather than get into circular firing squads. We are called to advance on every front. This book will assess and affirm the different approaches playing out. The body needs clarity and unity- and has little of both right now. Wounded armies want hope, focus, and encouragement. This book will not

throw anyone overboard who is standing for the truth in some positive way. Rather, it will allow readers to look critically at the various approaches vying for our allegiance and attention here in the middle of 2021. In the course of this survey, we will find reason to affirm where people are fighting on the battlefield and validate the perspectives they bring. Featuring interviews with a cross section of leaders, this book will document what is happening in our country, how believers can respond, and why we can look to the future with hope. Even though things are bad, we must understand that conditions have been this bad or worse in the past and God always came through. He has plans and purposes we don't understand. Christians must not lose heart. We must stand strong and not be intimidated. We must pray, and we must believe God for a great awakening. No matter how bad things get in the culture or in government, the Bible is true and "all things work together for good to those who love God" (Rom. 8:28, MEV). That's because we are called according to His purpose. A purpose never goes in reverse. This book will reveal what that looks like in its various forms in the day in which we live. It gives a great handle for promoting unity and appreciation of one another when that is breaking down so badly elsewhere. Indeed, maybe the love Jesus spoke about that makes us recognizable to the world will be seen as this book illuminates the supernatural unity among people of very diverse opinions and approaches while pointedly addressing these various hot-button areas.

A Walk through Jubilees Frontline

Noted New Testament scholar Poythress provides an understandable and practical look into Revelation in this insightful commentary. Poythress focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a "picture book, not a puzzle book," relevant and applicable to the daily lives of Christians.

New Babylon Rising Charisma Media

Why is the number seven lucky--even holy--in almost every culture? Why do we speak of the four corners of the earth? Why do cats have nine lives (except in Iran, where they have seven)? From literature to folklore to private superstitions, numbers play a conspicuous role in our daily lives. But in this fascinating book, Annemarie Schimmel shows that numbers have been filled with mystery and meaning since the earliest times, and across every

society. In *The Mystery of Numbers* Annemarie Schimmel conducts an illuminating tour of the mysteries attributed to numbers over the centuries. She begins with an informative and often surprising introduction to the origins of number systems: pre-Roman Europeans, for example, may have had one based on twenty, not ten (as suggested by the English word "score" and the French word for 80, *quatrevingt* --four times twenty), while the Mayans had a system more sophisticated than our own. Schimmel also reveals how our fascination with numbers has led to a rich cross-fertilization of mathematical knowledge: "Arabic" numerals, for instance, were picked up by Europe from the Arabs, who had earlier adopted them from Indian sources ("Algorithm" and "algebra" are corruptions of the Arabic author and title names of a mathematical text prized in medieval Europe). But the heart of the book is an engrossing guide to the symbolism of numbers. Number symbolism, she shows, has deep roots in Western culture, from the philosophy of the Pythagoreans and Platonists, to the religious mysticism of the Cabala and the Islamic Brethren of Purity, to Kepler's belief that the laws of planetary motion should be mathematically elegant, to the unlucky thirteen. After exploring the sources of number symbolism, Schimmel examines individual numbers ranging from one to ten thousand, discussing the meanings they have had for Judaic, Christian, and Islamic traditions, with examples from Indian, Chinese, and Native American cultures as well. Two, for instance, has widely been seen as a number of contradiction and polarity, a number of discord and antithesis. And six, according to ancient and neo-platonic thinking, is the most perfect number because it is both the sum and the product of its parts ($1+2+3=6$ and $1\times 2\times 3=6$). Using examples ranging from the Bible to the Mayans to Shakespeare, she shows how numbers have been considered feminine and masculine, holy and evil, lucky and unlucky. A highly respected scholar of Islamic culture, Annemarie Schimmel draws on her vast knowledge to paint a rich, cross-cultural portrait of the many meanings of numbers. Engaging and accessible, her

[Johnny Cash](#) A.J. Calvin

In November of 2016, the world witnessed the impossible. Nearly every household in America was tuned in to the election feeds, and every update pointed to a loss for the Republican Party. But when the map of the states flipped red in the final hour, there were a select few who weren't surprised. They had always known Trump was going to win. He was chosen for such a time as this. The prophecy had said so. This prophet, this reserved man of God, was retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011, years before Trump's victory. The election, however, was only the beginning. In this UPDATED AND EXPANDED release of *The Trump Prophecies*, Defender Publishing revisits what the Lord revealed to Mark Taylor in both the celebrated "Commander-In-Chief Prophecy" that played such a key role in bolstering Trump's 2016 win, as well as many other messages the Holy Spirit inspired Taylor to write about what would transpire next for the most powerful nation on earth today. Fast forward; Halfway into Trump's first term, have Taylor's prophecies come true? Is Trump who he said he was, and is he delivering on the promises he made during his campaign? And what of the other prophecies God gave Mark regarding economics, criminal justice, leadership turnover in the Supreme Court, and several other specific details? Have all of these inspired writings carried equal reliability as "Commander-In-Chief"? So far, Mark Taylor is batting a thousand.
