The Essential Terrance Dicks Volume 1

Random House

"I think if you can get a kid reading for pleasure, not because it's work, but actually reading for pleasure, it's a great step forward. It can start with me, you know, start with Dicks and work its way up to Dickens - as long as you get them reading." - Terrance Dicks For over 50 years, Terrance Dicks was the secret beating heart(s) of Doctor Who - from joining production of *The Invasion* in 1968 to his final short story in 2019. As the undisputed master of Doctor Who fiction, Terrance wrote 64 Target novels from his first commission in 1973 to his last, published in 1990. He helped introduce an entire generation to the pleasures of reading and writing, and his fans include Neil Gaiman, Sarah Waters, Mark Gatiss, Alastair Reynolds, Russell T Davies, Steven Moffat, Frank-Cottrell Boyce, and Robert Webb, among many others. This two-volume collection, features the very best of his Doctor Who novels as chosen by fans - from his first book, *The Auton Invasion*, to his masterwork, the 20th anniversary celebration story *The Five Doctors*, voted all-time favourite. This volume contains, complete and unabridged: DOCTOR WHO AND THE DALEK INVASION OF EARTH DOCTOR WHO AND THE ABOMINABLE SNOWMEN DOCTOR WHO AND THE

Global warming is devastating the

climate. The polar ice caps are melting. In a desperate attempt at preservation, the governments of the world have removed vast sections of the Arctic and Antarctic and set them inside huge domes across the world. The Doctor and Martha arrive in Snowglobe 7 in the Middle East, hoping for peace and relaxation. But they soon discover that it's not only ice and snow that has been preserved beneath the Dome. While Martha struggles to help with an infection sweeping through the holidaymakers, the Doctor discovers an alien threat that has lain hidden since the last ice age. A threat that is starting to thaw. Featuring the Doctor and Martha as played by David Tennant and Freema Agyeman in the hit series from BBC Television.

For decades the TARDIS has taken the Doctor and friends - including us - to locations around the world throughout its history, and to every corner of the universe. The Doctor's granddaughter Susan once revealed the Ship kept a record of its journeys: THE TARDIS CHRONICLES is that log. Every trip, every planet, every passenger - everything this incredible vessel has experienced during its travels. As well as charting the TARDIS's journeys, the Chronicles contain complete details of which controls are used and what they do; everything we learn about the Ship's functions and abilities; analysis and discussion of its operation and landings; and facts about how the marvels of the TARDIS were produced using props, sets, models and effects - debunking a few myths along the way. Plus there are accurately illustrated histories of each Police Box prop, control room set and control console, covering their design,

construction and many modifications. THE TARDIS CHRONICLES tells you everything there is to know about the real star of Doctor Who. Volume 1 covers the TARDIS's travels before the Doctor enlisted in the Time War, from his flight from Gallifrey to a gunship crashing on Karn

When the Doctor and Sam arrive on Proxima II they find a settlement rife with superstition and unrest. The native Proximans are inexplicably dying out, and humans too are being killed in horrific ways, with each corpse's face being stripped bare. Posing as investigators from Earth, the Doctor and Sam must track down the force moving through the dark catacombs beneath Proxima City.

Doctor Who: Shroud of Sorrow Random House

Over billions of years of time travel, the Doctor has run into his fair share of important people - and he's formed opinions on most of them too. Now the Twelfth Doctor has got hold of a history textbook from Coal Hill School, and he's decided to improve it with notes of his own! From Nefertiti to Robin Hood, this essential Doctor's guide gives us his unique take on Earth's most famous historical figures. Through annotations, scribbles and his trademark snarky humour, the Doctor has plenty to say about the pudding-brained humans he's met on his travels. It's history . . . but perhaps not quite as you know it!
