## SANAI FARLEY

*Reference Catalogue of Current Literature* Wentworth Press

This concise edition of the definitive 3-volume Dictionary of European Proverbs constitutes a fascinating collection of proverbs in 29 languages. The entries are arranged alphabetically according to the English equivalent, allowing the reader to identify common trends easily and quickly. \* All proverbs listed in original language \* 29 European languages featured \* Includes all proverbs in current use \* Thoroughly checked by language specialists to ensure accuracy. The Concise Dictionary of European Proverbs is based on over 40 years in-depth research by the compiler. It is an essential reference source for linguists, ethnologists and folklorists, and of interest to anyone wanting to know about the origins, development and current usage of the proverb. Emanuel Strauss is a world-renowned expert on proverbs.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Dictionnaire Des Spots Ou Proverbes Wallons: 1** Routledge

Excerpt from Dictionnaire des Spots ou Proverbes Wallons Autrefois on était convaincu que ces

règles pratiques étaient non-seulement infaillibles, mais très-morales. Au jourd'hui si l'horizon est parfois plus brumeux il est incontestablement plus profond et plus large. Nous de mandons qu'on examine qu'on discute qu'on vérifie; nous n'acceptons plus les adages que sous bénéfice d'inventaire, et, à vrai dire. Ils ne répondent plus à ces mille et une nuances inévitables à mesure qu'on s'éloigne de l'antique et grossière simplicité. Erasme a beau nous rap peler dans la préface de son vaste recueil qu'il n'y a rien de plus probable que ce que tout le monde a dit nous sommes nous à notre tour trop de notre temps pour ne pas tout mettre en discussion et pour ne pas faire valoir et même prévaloir les droits de la raison individuelle. Sur la pente où sont actuellement les choses humaines nous croyons tous, sinon au progrès, du moins au changement et nous regardons plus souvent en avant qu'en arrière. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](#) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

[Dictionnaire des spots ou proverbes wallons](#) Forgotten Books

A monthly register of the most important works published in North and South America, in India, China, and the British colonies: with occasional notes on German, Dutch, Danish, French, Italian, Spanish, Portuguese, and Russian books.
