The definitive cookbook on French cuisine for American readers:
"What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, 'If you can

read, you can cook.'" —Entertainment Weekly "I only wish that I had written it myself." —James Beard
Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, *Mastering the Art of French Cooking* offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia

Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes—from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. Throughout, the focus is on key recipes that form the backbone of French

cookery and lend themselves to an infinite number of elaborations—bound to increase anyone’s culinary repertoire. “Julia has slowly but surely altered our way of thinking about food. She has taken the fear out of the term ‘haute cuisine.’ She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique,

and she has elevated our consciousness to the refined pleasures of dining.”

—Thomas Keller, *The French Laundry*

Emily Bell believes in destiny. To her, being forced to sing a solo in the church choir--

despite her average voice--is fate: because it's while she's singing that she first sees Sam. At first sight, they are connected. Sam Border wishes he could escape, but there's nowhere for him to run. He and his little brother, Riddle, have spent their entire lives constantly uprooted by their unstable father. That is, until Sam sees Emily. That's when everything changes. As Sam and Riddle are

welcomed into the Bells' lives, they witness the warmth and protection of a family for the first time. But when tragedy strikes, they're left fighting for survival in the desolate wilderness, and wondering if they'll ever find a place where they can belong. Beautifully written and emotionally profound, I'll Be There is a gripping story that explores the complexities of teenage passions,

friendships, and loyalties. <u>Bayerischer</u> <u>Kurier</u> Createspace Independent Publishing Platform THE SUNDAY TIMES TOP TEN BESTSELLER A RICHARD AND JUDY BOOKCLUB PICK 'Utterly engrossing' Guardian It is wash-day for the housemaids at Longbourn House, and Sarah's hands are chapped and raw. beginner or an expert, wants easy projects for travel, gifts or those times when following a complex pattern is impractical. Sequence Knitting introduces a radical and simple approach for creating amazing fabrics by working a sequence of stitches over and over again. Beginning with 1-row patterns, the book delves into the possibilities of this technique,

expanding into methods for creating complex designs that can be worked back and forth, in the round, or in shapes like triangles. The book includes stitch dictionaries with over 190 fabrics, many of which are new and reversible, as well as over 40 patterns for simple and elegant accessories. This groundbreaking book is sure to become a classic must-have for every knitter's reference

library. Mastering the Art of French Cooking, Volume 1 Barron's Educational Series This holiday bestseller is now available in paperback. Dozens of recipes include Christmas breads such as stollen and panettone, directions for making a spectacular gingerbread house, edible tree ornaments, and all kinds of cookies. Step-by-step color photos show techniques,

and 40 additional full-page, full-color photos present finished masterpieces. Über Land und Meer Futus Corporation From Giorgio Locatelli, bestselling author of *Made in Italy*, comes an exquisite cookbook on the cuisine of Sicily, which combines recipes with the stories and history of one of Italy's most romantic, dramatic regions: an island of amber wheat fields, lush

citrus and olive groves, and rolling vineyards, suspended in the Mediterranean Sea. Mapping a culinary landscape marked by the influences of Arab, Spanish, and Greek colonists, the recipes in *Made in Sicily* showcase the island's diverse culinary heritage and embody the Sicilian ethos of primacy of quality ingredients over pretentiousness or fuss in which "what grows

together goes together."

Klingsor's Last Summer
In this “miraculous and thrilling” (Diane Setterfield, #1 New York Times bestselling author) mystery for fans of The Essex Serpent and The Book of Speculation, Victorian London comes to life as an intrepid female sleuth wades through a murky world of collectors and criminals to recover a remarkable child. Bridie Devine—flame-haired, pipe-

smoking detective extraordinaire—is confronted with the most baffling puzzle yet: the kidnapping of Christabel Berwick, secret daughter of Sir Edmund Athelstan Berwick, and a peculiar child whose reputed supernatural powers have captured the unwanted attention of collectors in this age of discovery. Winding her way through the sooty streets of Victorian

London, Bridie won't rest until she finds the young girl, even if it means unearthing secrets about her past that she'd rather keep buried. Luckily, her search is aided by an enchanting cast of characters, including a seven-foot-tall housemaid; a melancholic, tattoo-covered ghost; and an avuncular apothecary. But secrets abound in this foggy underworld where nothing is quite what it seems. Blending darkness and light, Things in Jars is a stunning, "richly woven tapestry of fantasy, folklore, and history" (Booklist, starred review) that explores what it means to be human in inhumane times.
