Second Chance at Sunflower Ranch

Oxford University Press, USA

Tamara Barton has lusted after Connor Dunbar ever since she was old enough to know what those stirrings meant whenever he was near. Connor's refusal to see her as anything but the young girl he's befriended and protected for years soon drives them apart, but not before she

catches an up-close, personal glimpse of him exerting the dominant control she's heard rumors about. Connor regrets the harsh words he spoke to Tamara when he caught her spying on him - as much as his lustful response to the look of need reflected on her face. He's been looking after the neighbor girl since the moment he saw her falling off her first horse at the age of ten, and doesn't plan on stopping now that she's a grown woman who thinks she wants their relationship to go in a different direction. He knows his sexual proclivities are not for the young, sweet

kid he's so fond of, and wouldn't jeopardize their special bond by giving in to her desires. But Tamara always did have a way of getting what she wanted, and when he sees she is serious about becoming a member of the private lifestyle club he owns with his brother and best friend, Connor discovers he doesn't want her submitting to anyone but him. When he learns she's kept things from him that could have impacted her welfare, will he allow his failure to protect her to drive another wedge between them, or finally embrace a life with her at his side as more

than just a cherished friend? This is book three in the Cowboy Doms series but reads as a standalone.

American Dude Ranch HarperCollins Australia

Deputy Sheriff Shawn McDuff can't figure out why the new teacher in Mountain Bend seems so familiar, but Lisa Halldor's evasive answers to his inquiries confirms his suspicions they have met before. When he sees her struggling to focus and respond during a scene at his private club, he intervenes and finds himself as drawn to Lisa's submissive nature as he is determined to unearth her secrets. Lisa never forgot the teenage boy who came to her rescue the first night in a new foster home, but she never imagines a nameless, faceless stalker will send her fleeing to his hometown for safety twenty years later. When it becomes obvious Shawn's memory isn't as acute as hers about that night, she keeps that fond memory to herself. A threat against Lisa's life forces the truth from her, but will Shawn's protectiveness be enough to save her from a person so determined to see her dead? Shawn's long ago vow to keep Lisa safe is put to the test as he works fast to make

sure she hasn't come into his life again just to be taken away by a madman.

Bonus Print Edition includes books one and two: Submitting to the Rancher and Submitting to the Sheriff. Submitting to the Rancher Sydney finds more than she bargained for when she gets lost on her way to report for a new job and finds herself at a lifestyle club. Peering in through the window, her attention - and libido - are both snagged by a man delivering some old-fashioned discipline to a young blonde. After he runs Sydney off, both are surprised to discover she is the new chef he's hired for his ranch. Caden wanted to turn away the cheeky woman he'd caught spying on his club without remorse, but desperation for a chef forced his hand. Sydney proves to be a definite asset to his employees, and a royal pain in his butt. Somehow, her penchant for getting lost and landing in trouble, along

with her determination to return to the club as a guest, soon slide past his resistance. It takes a threat to Sydney and unearthing the truth about what made her flee her home in Missouri to force them both to admit their feelings and get her to stay as more than his chef. Submitting to the Sheriff After overhearing two crooked Chicago cops plotting against her, Avery Pierce goes on the run, not knowing who she can trust. When her low finances force her to take a job as a sex phone operator, she struggles, so when a caller senses her desperation and inexperience and offers assistance, she's tempted to agree. As soon as Sheriff Grayson Monroe meets the new waitress at his favorite diner, something about her strikes a familiar chord. When he sees her enter The Barn, his lifestyle club, the desire to get to the bottom of her evasive eyes and answers to his probing questions takes hold. He's determined to find out who she really is and what is troubling her. After an icy mishap, Master Grayson has finally run out of patience. One way or another, Avery will tell him the truth. But is it too late? Has danger already found her? Can Grayson come to her rescue or will she

lose everything she has just gained?
American Cowboy New Word City
 Forged in dime novels, Wild West shows, and Hollywood films, the image of the American cowboy is largely a myth. But behind it were real men whose hard work and hard play, stoic toughness, and code of honor helped tame the American West. The epic cattle drives that were so much a part of the cowboys' heyday lasted only an astonishingly brief two decades. But the cowboy is still a basic part of the American character. Here, from historian Grayson Wyatt, is their surprising and little-told story.

Cowboy Courage HarperCollins

A Cowboy to Remember Forever

An Amish cowboy's unexpected reunion with the woman who got away could heal his heart ... or break it forever. Daniel is the eldest of the six Miller siblings helping their Old Older Amish parents run the Circle M Ranch in northwestern Montana. Daniel can handle a blizzard, manage a roundup, even birth a calf. But what he can't do is forget Lovina Lapp, who broke his heart back in Lancaster County and married someone else. When their neighbors gather to help them bring the cattle down from the summer pastures, Daniel is staggered to see Lovina among them. His job is to keep the group safe in the high country. But will he be able to protect his heart? After a chaotic childhood and a romance with Daniel Miller that ended when he chose Montana over her, Lovina learned the danger of loving a cowboy. She married another man instead—someone who was safe. But after God took her husband in a freak accident, an invitation to go with old friends to visit the national parks seems like a gift. Until she finds herself unexpectedly at the Circle M Ranch, where one look at Daniel tells her there is nothing safe about her feelings for him ... The Montana Millers.

They believe in faith, family, and the land. They'll need all three when love comes to the Circle M! The Amish Cowboy is the first novel in the Amish Cowboys of Montana romance series. Though the books that follow can be read as standalones, there is a family thread running through them all. No strong language, just a loving kiss and a guaranteed happily ever after. If you like books by Samantha Price, Amy Lillard, or Grace Lewis, you're in the right place. Enjoy!

The Last Real Cowboy St. Martin's Griffin Cowboys of the historic Waggoner Ranch are living legends. They are men who embody the attributes of dusty riders who braved the wild a century ago. The cowboys ride a vast ranch, the largest in the United States within one fence. Jeremy Enlow was granted rare access to photograph the twenty-six cowboys who ride the trails of their forebearers, living a life and practicing skills that have almost disappeared. It is important to record their lives before they shut the gate behind them the last time. This book is a tribute to the cowboys of the Waggoner Ranch.
