Notes from a Small Island W. W. Norton & Company
#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion

novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. Midnight at the Barclay Hotel Little, Brown Books for Young Readers

"A remarkable and gifted debut novel" (Colson Whitehead) about two outsiders—a lonely scientist in the Arctic and an astronaut trying to return to Earth—as they grapple with love, regret, and survival in a world transformed. THE INSPIRATION FOR THE NETFLIX ORIGINAL FILM THE MIDNIGHT SKY, DIRECTED BY AND STARRING GEORGE CLOONEY Augustine, a brilliant, aging astronomer, is consumed by the stars. For years he has lived in remote outposts, studying the sky for evidence of how the universe began. At his latest posting, in a research center in the Arctic, news of a catastrophic event arrives. The scientists are forced to evacuate, but Augustine stubbornly refuses to abandon his work. Shortly after the others have gone, Augustine discovers a mysterious child, Iris, and realizes that the airwaves have gone silent. They are alone. At the same time, Mission Specialist Sullivan is aboard the Aether on its return flight from Jupiter. The astronauts are the first human beings to delve this deep into space, and Sully has made peace with the sacrifices required of her: a daughter left behind, a marriage ended. So far the journey has been a success. But when Mission Control falls inexplicably silent, Sully and her crewmates are forced to wonder if they will ever get home. As Augustine and Sully each face an uncertain future against forbidding yet beautiful landscapes, their stories gradually intertwine in a profound and unexpected conclusion. In crystalline prose, *Good Morning, Midnight* poses the most

important questions: What endures at the end of the world? How do we make sense of our lives? Lily Brooks-Dalton's captivating debut is a meditation on the power of love and the bravery of the human heart. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SHELF AWARENESS AND THE CHICAGO REVIEW OF BOOKS "Stunningly gorgeous . . . The book contemplates the biggest questions—What is left at the end of the world? What is the impact of a life's work?"—Portland Mercury "A beautifully written, sparse post-apocalyptic novel that explores memory, loss and identity . . . Fans of Emily St. John Mandel's *Station Eleven* and Kim Stanley Robinson's *Aurora* will appreciate the Brooks-Dalton's exquisite exploration of relationships in extreme environments."—The Washington Post

Incorporating extensive interviews with black Americans who can shed light on Hendrix's complicated racial relationships, this book explores, among other issues, how Hendrix exploded our complacently segregated world to emerge as an icon for white boys ; why we never hear his songs on black radio ; why black people once viewed him as a hippie Uncle Tom ; his connection to the Black Power movement ; how he electrified soul music and made the electric guitar supplant the human voice ; how he revolutionized the use of technology in popular music ; how he redefined rock fashion ; his sex appeal, especially with black women ; why nobody was mad at him for sleeping with white women ; and how he has subverted and destabilized black masculine stereotypes, changing the way we think not only about black music, but about black identity itself.

#1 New York Times bestselling author Dean Koontz's brilliantly thrilling novel of suspense. In the midst of a raging blizzard, lightning struck on the night Laura Shane was born. And a mysterious blond-haired stranger showed up just in time to save her from dying. Years later, in the wake of another storm, Laura will be saved again. For someone is watching over her. Is he the guardian angel he seems? The devil in disguise? Or the master of a haunting destiny beyond all time and space? "A gripping novel...fast-paced and satisfying."—People

Quarter to Midnight HarperCollins

From the celebrated author of *The Chosen* and *My Name Is Asher Lev*, a trilogy of related novellas about a woman whose life touches three very different men—stories that encompass some of the profoundest themes of the twentieth century. Ilana Davita Dinn is the listener to whom three men relate their lives. As a young girl, she offers English lessons to a teenage survivor of the camps. In "The Ark Builder," he shares with her the story of his friendship with a proud old builder of synagogue arks, and what happened when the German army invaded their Polish town. As a graduate student, she finds herself escorting a guest lecturer from the Soviet Union, and in "The War Doctor," her sympathy moves him to put his painful past to paper recounting his experiences as a Soviet NKVD agent who was saved by an idealistic doctor during the Russian civil war, only to encounter him again during the terrifying period of the Kremlin doctors' plot. And, finally, we meet her in "The Trope Teacher," in which a distinguished professor of military history, trying to write his memoirs, is distracted by his wife's illness and by the arrival next door of a new neighbor, the famous writer I. D. (Ilana Davita)

Chandal. Poignant and profound, Chaim Potok's newest fiction is a major addition to his remarkable—and remarkably loved—body of work.

ONE OF THE NEW YORK TIMES CRITICS' TOP BOOKS OF 2017 ONE OF VULTURE'S 100 BEST BOOKS OF THE 21ST CENTURY FINALIST FOR THE L.A. TIMES BOOK PRIZE IN FICTION "A modern classic."

—The New York Times Book Review A young man's close-knit family is nearly destitute when his uncle founds a successful spice company, changing their fortunes overnight. As they move from a cramped, ant-infested shack to a larger house on the

other side of Bangalore, and try to adjust to a new way of life, the family dynamic begins to shift. Allegiances realign; marriages are arranged and begin to falter; and conflict brews ominously in the background. Things become “ghachar ghochar”—a nonsense phrase uttered by one meaning something tangled beyond repair, a knot that can't be untied. Elegantly written and punctuated by moments of unexpected warmth and humor, *Ghachar Ghochar* is a quietly enthralling, deeply unsettling novel about the shifting meanings—and consequences—of financial gain in contemporary India. “A classic tale of wealth and moral ruin.” —The New Yorker “*Ghachar Ghochar* introduces us to a master.” —The Paris Review Named a Best Book of the Year by the Guardian, Globe and Mail, and Publishers Weekly Shortlisted for the ALTA National Translation Award in Prose Longlisted for the International Dublin Literary Award

An unsettling, gripping middle grade debut about searching for a sense of belonging in the wrong places, and the bravery it takes to defy those who seek to control us. This is *Miss Peregrine's Home for Peculiar Children* meets *Lord of the Flies* for fans of Neil Gaiman and Holly Black. When Eleven-year-old Sol arrives at the Ash House, desperate for a cure for his complex pain syndrome, he finds a community of strange children long abandoned by their mysterious Headmaster. The children at the Ash House want the new boy to love their home as much as they do. They give him a name like theirs. They show him the dorms and tell him about the wonderful oasis that the Headmaster has created for them. But the new boy already has a name. Doesn't he? At least he did before he walked through those gates...This was supposed

to be a healing refuge for children like him. Something between a school and a summer camp. With kids like him. With pain like his. But no one is allowed to get sick at the Ash House. NO ONE. And then The Doctor arrives...Strange things are about to happen at the mysterious Ash House. And the longer Sol spends on the mysterious grounds, the more he begins to forget who he is, the more the other children begin to distrust him, and the worse his pain becomes. But can he hold onto reality long enough to find an escape? And better yet, can he convince the others?

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth. *The Golden House* Simon and Schuster
INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER! He was the most beautiful man in Olympus...and if I wasn't careful, he was going to be my death. *A scorchingly hot modern retelling of Psyche and Eros that's as sinful as it is sweet.* In the ultra-modern city of Olympus, there's always a price to pay. Psyche Dimitriou knew she'd have to face Aphrodite's jealous rage eventually, but she never expected her literal heart to be at stake...or for Aphrodite's gorgeous son to be the one ordered to strike the killing blow. Eros has no problem shedding blood. Raised to be his mother's knife in the dark, he's been conditioned to accept that he's more monster than man. But when it comes time to take out his latest target...he can't do it. Confused by his reaction to Psyche's unexpected kindness, he does the only thing he can think of to keep her safe: he binds her to him, body and soul. Psyche didn't expect to find herself married to the glittering city's most dangerous killer, but something about Eros awakens a

fire inside her she's never felt before. As lines blur and loyalties shift, Psyche realizes Eros might take her heart after all...and she's not sure she can survive the loss. Midnight's Furies Yearling

A Booklist "Top 10 History Book of 2022" The first true people's history of modern India, told through a seven-year, 9,000-mile journey along its many contested borders Sharing borders with six countries and spanning a geography that extends from Pakistan to Myanmar, India is the world's largest democracy and second most populous country. It is also the site of the world's biggest crisis of statelessness, as it strips citizenship from hundreds of thousands of its people--especially those living in disputed border regions. Suchitra Vijayan traveled India's vast land border to explore how these populations live, and document how even places just few miles apart can feel like entirely different countries. In this stunning work of narrative reportage--featuring over 40 original photographs--we hear from those whose stories are never told: from children playing a cricket match in no-man's-land, to an elderly man living in complete darkness after sealing off his home from the floodlit border; from a woman who fought to keep a military bunker off of her land, to those living abroad who can no longer find their family history in India. With profound empathy and a novelistic eye for detail,

Vijayan brings us face to face with the brutal legacy of colonialism, state violence, and government corruption. The result is a gripping, urgent dispatch from a modern India in crisis, and the full and vivid portrait of the country we've long been missing.

The Phantom Tollbooth Simon and Schuster

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's' world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their

mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Midnight Teacher Random House

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could

kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.
