## LYRIC HOOPER

*Comiczeichnen. Figurationen einer ästhetischen Praxis* Anchor  
On a business trip to Tunisia, Preising, a leading Swiss industrialist, is invited to spend the week with the daughter of a local gangster. He accompanies her to the wedding of two London city traders at a desert luxury resort that was once the site of an old Berber oasis. With the wedding party in full swing and the bride riding up the aisle on a camel, no one is aware that the global financial system stands on the brink of collapse. As the wedding guests nurse their hangovers, they learn that the British pound has depreciated tenfold, and their world begins to crumble around them. So begins *Barbarian Spring*, the debut novel from Jonas Lüscher, a major emerging voice in European fiction. The timely and unusual novel centers on a culture clash between high finance and the value system of the Maghreb. Provocative and entertaining, *Barbarian Spring* is a refreshingly original and all-too-believable satire for our times.

*Old John* Walter de Gruyter

A noted German dancer and choreographer reveals the personal states of mind and soul that accompanied the creation of her major works

*Story of the Titanic* CRC Press

Capturing the spirit of a freewheeling era, this rollicking biography brings to life the gambler-hero who inspired *Guys and Dolls*. Born in a log cabin in the Ozarks, Alvin "Titanic" Thompson (1892-1974) traveled with his golf clubs, a .45 revolver, and a suitcase full of cash. He won and lost millions playing cards, dice, golf, pool, and dangerous games of his own invention. He killed five men and married five women, each one a teenager on her wedding day. He ruled New York's underground craps games in the 1920s and was Damon Runyon's model for slick-talking Sky Masterson. Dominating the links in the pre-PGA Tour years, Thompson may have been the greatest golfer of his time, teeing up with Ben Hogan, Sam Snead, Lee Trevino, and Ray Floyd. He also traded card tricks with Houdini, conned Al Capone, lost a

million to Minnesota Fats and then teamed up with Fats and won it all back. A terrific read for anyone who has ever laid a bet, *Titanic* Thompson recaptures the colorful times of a singular figure: America's original road gambler.

*Top Dog* Grove/Atlantic, Inc.

"When two unlikely friends build a vessel capable of taking them to the bottom of the ocean and find a missing treasure, the truth turns out to be far more amazing. A mixture of STEM and animal adventure recommended for kids fascinated by engineering or invention"--Jacket

Improve your company's ability to avoid or manage crises  
*Managing the Unexpected, Third Edition* is a thoroughly revised text that offers an updated look at the groundbreaking ideas explored in the first and second editions. Revised to reflect events emblematic of the unique challenges that organizations have faced in recent years, including bank failures, intelligence failures, quality failures, and other organizational misfortunes, often sparked by organizational actions, this critical book focuses on why some organizations are better able to sustain high performance in the face of unanticipated change. High reliability organizations (HROs), including commercial aviation, emergency rooms, aircraft carrier flight operations, and firefighting units, are looked to as models of exceptional organizational preparedness. This essential text explains the development of unexpected events and guides you in improving your organization for more reliable performance. "Expect the unexpected" is a popular mantra for a reason: it's rooted in experience. Since the dawn of civilization, organizations have been rocked by natural disasters, civil unrest, international conflict, and other unexpected crises that impact their ability to function. Understanding how to maintain function when catastrophe strikes is key to keeping your organization afloat. Explore the many different kinds of unexpected events that your organization may face Consider updated case studies and research Discuss how highly reliable organizations are able to maintain control during unexpected events Discover tactics that may bolster your organization's ability to face the unexpected with confidence *Managing the*

*Unexpected, Third Edition* offers updated, valuable content to professionals who want to strengthen the preparedness of their organizations—and confidently face unexpected challenges.

*Managing the Unexpected* Morgan James Publishing

This European bestseller tells of seven members of the Titanic's European orchestra, unfolding their fascinating life story while painting a fascinating portrait of the intricacies of life on board the supposedly unsinkable ship, from the glamour of first class to the crowded fear of steerage.

**History Smashers: The Titanic** Oxford University Press, USA

Things are never quite the same after Jacob and Laura's lovable but idiosyncratic grandfather moves in.

*Tante Jolesch* Waxmann Verlag

*Comiczeichnen* ist eine kreative Praxis, in der hochspezialisierte körperlich-zeichnerische und intellektuell-kreative Fähigkeiten und Techniken zusammenspielen. Die Comicgeschichte hat immer wieder einzigartige Zeugnisse dieser Kulturtechnik hinterlassen: Skizzen, Studien, Skripte, getuschte Originalseiten und natürlich digitale Daten. Wie aber sind diese Spuren der ästhetischen Produktion zu lesen? Und wie können kreative Praxisprozesse überhaupt beschrieben werden? Damit beschäftigt sich die Comicientwurforschung, deren Aufgaben und Herausforderungen im vorliegenden Band erstmals skizziert werden. Darüber hinaus untersucht das Buch verschiedene Figurationen des Comiczeichnens, an denen sichtbar wird, welche metaphorischen, narrativen oder diagrammatischen Verfahren aufgesucht werden, um komplexe Praktiken wie das Comiczeichnen zu kommunizieren. Dabei werden Kreativitäts-, Handlungs- und Erkenntnistheorie zu einem neuartigen Blick auf Produktionsästhetik verbunden. In Exkursen untersucht der Band außerdem die Ästhetik des Comicientwurfs aus einer phänomenologisch inspirierten Perspektive und erläutert die sozioökonomische Situation zeitgenössischer Comicproduzenten. Die zahlreichen Abbildungen gestatten dabei einen Blick in die Werkstätten von namhaften Comiczeichnern wie Hergé, Chris Ware, Art Spiegelman oder Flix.

*Topography of the Titanic* Penguin

Vollständig überarbeitet, aktualisiert und deutlich erweitert, liegt

die zweite Auflage des Killy Literaturlexikons nun abgeschlossen vor. Damit wird ein renommiertes Standardwerk der deutschen Literaturwissenschaft für Wissenschaftler, Studenten und Literaturliebhaber unserer Zeit in neuer Qualität vorgelegt. Erstmals erschienen in den Jahren 1988 bis 1993, ist der Killy heute ein in Fach- und Literaturkreisen bekanntes und renommiertes Nachschlagewerk, das bio-bibliografische Artikel zu allen wichtigen deutschsprachigen Autoren vom Mittelalter bis in die Gegenwart präsentiert. Die knapp 8.000, gut lesbaren Artikel bieten umfassende Einführungen zu den vorgestellten Autoren und bestechen durch eine Zusammenschau von Biografie, zeitgeschichtlichem Kontext und Werk, wie sie kein anderes Lexikon zur deutschen Literatur bietet. Ein besonderer Pluspunkt des Killy ist sein weit gefasster Literaturbegriff, der nicht nur die größten und wichtigsten Autoren einer jeden Epoche erfasst, sondern auch Journalisten, Drehbuchautoren, Literaturwissenschaftler und Unterhaltungsschriftsteller sowie alle, die zu ihrer Zeit und durch ihr schriftstellerisches Schaffen gewirkt haben und im kulturellen Leben von Bedeutung waren. Mit seinen umfassend aktualisierten Einträgen und Bibliografien und dem um über 1000 neue Autoren erweiterten Artikelbestand bildet der neue Killy die gesamte deutsche Literaturgeschichte unter Einschluss auch der jüngsten und aktuellsten Entwicklungen ab und ist damit ein unverzichtbares Nachschlagewerk für jeden, der sich für die deutsche Literatur, ihre Schöpfer und Themen interessiert. Die Neuauflage des Killy erscheint in 13 Bänden (Bde. 1-12: Autoren und Werke; Bd. 13: Register).

The Language of Dance W. W. Norton & Company

Spirou and Fantasio are caught up in another amazing adventure, set in a real historical context. It's summer 1989, a few months before the fall of the Berlin Wall, and the evil Zantafio is trying to take over East Germany. When he kidnaps the Count of Champignac, our two heroes find out and try to rescue him. But to do that, they have to cross Europe's most heavily guarded border. East Germany's notorious Secret Police, the Stasi, are soon hot on their trail, and Fantasio is arrested. So Spirou now has to free his friend as well as foil Zantafio's diabolical scheme.

Managing Project Uncertainty First Second

One hundred years ago, a ship thought to be indestructible suffered the ill fate to strike an iceberg during its maiden voyage across the North Atlantic. The unthinkable occurred, and the

Titanic went to the bottom. What happened on that cold and inky night has haunted and entranced us ever since. Goodness knows, there have been other disasters-far too many disasters. But as the initial reception to Titanic, the most popular movie ever, just now being re-released in 3-D, proves: There has never been a disaster that so captivates the human imagination as that of the sinking of the Titanic. Now, on the 100th anniversary of "the night to remember," LIFE revisits this awesome human drama. Heroism is involved, and hubris. Romance and recrimination. A thousand stories spiraling outward-and all of them told in this commemorative LIFE book, in words and pictures. This oversized, deluxe book is visually splendid and exciting on every page. It includes archival photography, past reporting in LIFE and the modern-day explorations of Robert Ballard and others that inspired the James Cameron film. The book will include a special section on the new 3-D treatment of the classic movie, just now being released. We return to first-person accounts, and the words of the survivors are brought to life-with many small stories from steerage told as well as the large, well-known drama from above decks. The book will also include interstitial chapters to lend context, such as a history of famous shipwrecks, and where the Titanic fits in the grand picture. At the end of the story, the fact we entered with is inescapable: The Titanic tragedy is the one we care about, and need to revisit.

*Titanic* SAGE

Persönliche Empfehlungen wirken sich positiv auf das Kaufverhalten aus. So verwundert es nicht, dass Unternehmen Maßnahmen ergreifen, welche die Kommunikation zwischen Konsumenten fördern sollen. Eines der dazu am häufigsten verwendeten Instrumente sind Kunden-werben-Kunden-Aktionen. In der Zeitungs- bzw. Zeitschriftenbranche sind diese auch als Leser-werben-Leser-Aktionen (LwL-Aktionen) bekannt. Darin wird Vermittlern eines neuen Abonnenten vom Verlag eine Prämie als Gegenleistung gewährt. LwL-Aktionen werden verlagsübergreifend, aber mit einer zunehmenden Komplexität und steigenden Kosten der Neukundengewinnung – oft recht undifferenziert – eingesetzt. Ihr effektiver und effizienter Einsatz scheitert daran, dass nur rudimentäre Erkenntnisse darüber bestehen, welche Prämien- oder Aboangebote am besten dazu geeignet sind, potenzielle Vermittler und Abonnenten zueinander zu bringen. Insbesondere fehlt es an einer ganzheitlichen

Betrachtung der LwL-Aktionen und einer integrierten Analyse der Auswirkungen einzelner Gestaltungsmerkmale. Hier setzt die vorliegende Arbeit an. Sie gibt einen Überblick zu den zentralen Gestaltungsparametern von LwL-Aktionen und untersucht die Auswirkungen der Prämien-gestaltung auf die Teilnahme. Anhand einer mehrstufigen empirischen Untersuchung für regionale Tageszeitungen werden zunächst in einer qualitativen Befragung von 68 ehemaligen LwL-Teilnehmern die für die Teilnahmeentscheidung relevanten Merkmale und Merkmalsausprägungen einer Prämie identifiziert. In einer wahlbasierten Conjoint-Analyse mit über 800 Probanden wird dann für unterschiedliche Teilnahmekonstellationen der Einfluss dieser Merkmale und Merkmalsausprägungen daraufhin untersucht, dass potenzielle Vermittler und Abonnenten zueinanderfinden. Es resultieren somit für Wissenschaft und Praxis gleichermaßen relevante Erkenntnisse, die in Gestaltungsempfehlungen von Prämien in LwL-Aktionen münden. Dangerous Betrayal Oxford University Press, USA FROM THE ACCLAIMED AUTHOR OF THE LAST PEARL AND DANCING AT THE VICTORY CAFE, this is a beautiful novel about family secrets, betrayals and redemption. The secrets in a woman's heart are deeper than the ocean... For May Smith, travelling with her husband and baby girl Ellen, stepping foot on the Titanic marks the start of an incredible journey, one which is destined to take her from the back streets of Bolton to the land of opportunity: the United States. But when the 'unsinkable' Titanic hits an iceberg one cold dark night, May's dreams are instantly shattered. Jumping from the sinking ship at the last minute, May loses sight of Joe and Ellen. Distraught, she is pulled into a lifeboat. Minutes later, the real-life Captain Smith swims to the lifeboat and hands May a baby swaddled in blankets. This rescue is witnessed by fellow survivor, Celeste Parkes, married to an American industrialist who is on her way back to Ohio after her mother's funeral. In horror, they both watch the death throes of the mighty ship; May traumatised, knowing her husband has drowned, Celeste wishing her bully of a husband had been on board and out of her life. As the dawn comes up, and the two women are rescued by the Carpathia, a friendship is formed, one which is destined to transcend the Atlantic and social differences between them and last a lifetime. Then May makes a shocking discovery and a split-second decision which will change the lives

of many. Praise for Leah Fleming 'I enjoyed it enormously. It's a moving and compelling story about a lifetime's journey in search of the truth' RACHEL HORE 'A born storyteller' KATE ATKINSON

*The Captain's Daughter* Methuen Publishing

The clarity and accessibility of this text, together with the numerous examples and case studies featured, combine to make the learning of macroeconomics as simple as possible.

**Leser-werben-Leser-Aktionen** Methuen Publishing

This book looks at the critical demands imposed on directors and leaders when faced with corporate risks in turbulent global markets. It shows why successful risk management outcomes require ethical governance principles and organizational structures that enhance effective risk-taking practices by all actors.

[Psalm at Journey's End](#) Haus Publishing

This is the tragic story of the Titanic, the biggest and most luxurious ocean liner the world had ever seen, which sank on her maiden voyage in April 1912. Beautiful, double-page illustrations with amazing cross-sections and cutaway details explain the construction and mechanical details of this gigantic ship and reveal life onboard for passengers and crew. Each new illustration reveals different aspects of life in the early 20th century, and the text highlights hidden details for you to spot. As you follow the pictorial story of this world-famous liner, you will discover how she was built and equipped, what kind of passengers and crew she carried, and what facilities she offered onboard. You will also

find out how she struck an iceberg and met with disaster, why she sank so quickly, how many people were saved, and how many lives were lost. You can compare the differences between the Titanic's passengers—from the first-class millionaires to the third-class emigrants—and find out how they dressed, where they ate and slept, and what they did to amuse themselves during the voyage. You can also take a closer look at some of the passengers and crew, and follow their different fates from the exciting start of the voyage to its tragic end.

*Titanic Thompson: The Man Who Bet on Everything* Random House Books for Young Readers

The fourteen chapters in this anthology feature original analyses of contemporary German-language literary texts, films, political cartoons, cabaret, and other types of performance. The artworks display a wide spectrum of humor modes, such as irony, satire, the grotesque, Jewish humor, and slapstick, as responses to unification with the accompanying euphoria, but also alienation and dislocation. Kerstin Hensel's *Lärchenau*, Christoph Hein's *Landnahme*, and vignette collections by Jakob Hein (*Antrag auf ständige Ausreise und andere Mythen der DDR*) and Wladimir Kaminer (*Es gab keinen Sex im Sozialismus*) are interpreted as examples of the grotesque. The popular films *Lola rennt*, *Sonnenallee*, *Herr Lehmann*, *NVA*, *Alles auf Zucker!*, and *Mein Führer—Die wirklich wahrste Wahrheit über Adolf Hitler* are reexamined through the lens of traditional and more recent humor or comic book theories. The contributors focus on how each artwork enriches four prominent postwall German cultural trends: post-unification identity reconstruction, *Vergangenheitsbewältigung* (including Hitler humor), New German Popular Literature (Christian Kracht's ironic subtexts), and immigrant perspectives (a "third voice" in the East-West binary reflected here pointedly in *Eulenspiegel* cartoons). To date,

no other scholarly work provides as comprehensive an overview of the diverse strategies of humor used in the past two decades in German-speaking countries.

*Arbeitskreis Bild Druck Papier Tagungsband Nürnberg 2009*  
 Lothrop, Lee and Shepard Books

"When I was eighteen, Uncle Sam told me he'd like me to put on a uniform and go off to fight a guy by the name of Adolf. So I did." When Alan Cope joined the army and went off to fight in World War II, he had no idea what he was getting into. This graphic memoir is the story of his life during wartime, a story told with poignant intimacy and matchless artistry. Across a generation, a deep friendship blossomed between Alan Cope and author/artist Emmanuel Guibert. From it, *Alan's War* was born – a graphic novel that is a deeply personal and moving experience, straight from the heart of the Greatest Generation – a unique piece of WWII literature and a ground-breaking graphic memoir.

**Titanic - das Erstbeste aus 30 Jahren** Abrams

Ingeniously blending fact and thrilling speculative fiction, this award-winning novel unveils a conspiratorial sabotage behind the Titanic disaster. How was it that the unsinkable Titanic, carrying 1320 passengers and a crew of 892, sank in freezing waters—especially when the technology of luxury liner was such that she could have easily avoided the impact with the iceberg? Was it a fated and bizarre accident? Or was it the result of a sinister plot to undermine the success of White Star Lines' feature attraction on her maiden voyage? At the heart of the mystery: the most brilliant inventor of the era—Nikola Tesla—and a plot to hold the Titanic hostage that went catastrophically wrong. For more than a century, the secret lay hidden in the bowels of the Titanic at the bottom of the North Atlantic. Now, in this bracing and plausible novel of conspiracy and revenge, set in a gilded age of ruthless power barons, geniuses, and madmen, does the truth finally surface.
