SARAI SAUL

The Pastor's assistant, by A. Dallas Ave Maria Press

This book offers an account of the moral foundations of pastoral ethics and the underlying interpersonal dynamics that make the practice of ministry powerful--and also morally dangerous, even for those with the best of intentions. Sondra Wheeler examines the personal disciplines and spiritual practices that help sustain safe ministry, including the essential practices of prayer and spiritual accountability. She equips ministers to abide by ethical standards when they come under pressure and offers practical strategies for navigating challenges. The author also stresses personal vulnerability and "unselfish self-care."

Being Leaders Wipf and Stock Publishers

Modern life has led to an increase in traumatic deaths, such as accidents, murders, suicide, and other types of unanticipated, violent death. Family members and friends grieving a traumatic death face enormous shock, numbness, and despair, as well as the need to find hope and God's mercy and grace in the midst of chaos, difficult questions, and confusion. The Christian church and faith community often do not provide appropriate pastoral care to help the bereaved overcome their despair. Jeonghyun Park explores the unique characteristics and dynamics of traumatic grief, or grief in response to traumatic death, and present several approaches to pastoral care. The survivors of a traumatic death are likely to ask pastors spiritually

despairing and tough questions, such as, Where is God in this tragic death? If we have to accept this new reality, where can we find God's grace and mercy, power, and justice? Pastors and other spiritual leaders can provide comfort to the loved ones of victims of traumatic death by assisting them with their questions concerning a "helpless God" and a "cruel God." This book offers new insights through specific pastoral care models and guidance for families needing healing, recovery, and meaningful rituals.

God Land Thomas Nelson

Events in our lives, both good and bad, form rings in us like the rings in a tree. Each ring records memories that affect our feelings, our relationships, and our thoughts about God. In this classic work, David Seamands encourages us to live compassionately with ourselves as we allow the Holy Spirit to heal our past. As he helps us name hurdles in our lives—such as guilt, poor self-worth, and perfectionism—he shows us how we can find freedom from our pain and enjoy the abundant life God wants for us.

Advanced Information Systems Engineering Baker Academic

Every Catholic parish has a pastoral council and a finance council, but how many fulfill the mission they were set up to serve? These councils are among the most important but least understood structures in the Catholic Church. Mandated to exist, their roles have become increasingly critical as parishes--both large and small--are stretching personnel and financial resources further and further each year. Add in the need for internal financial controls and human resource management coupled with fewer and fewer parish priests, and the importance of these councils goes way beyond simply filling seats with warm-bodied volunteers. The function of these councils is to provide consultation to the pastor and to promote greater

participation of the entire parish in the life and mission of the Church. But in reality, these terms are vague and leave too much room for individual interpretation. In an unprecedented research effort, author Charles Zech explores the very function of these councils in an effort to lay the groundwork for best practices at every parish. It systematically fills the void as both Church leaders and laity strive to better understand the structure and processes needed to improve their effectiveness. Zech's common-sense, straightforward writing style unpacks the extensive data to cover critical issues such as: Parish Leadership Education/Formation Programs Communication with Parish and Parish Staff Council Guideline Manuals Internal Controls Long-Term Planning Prayer and Faith-Sharing A must-read for every pastor, staff member, or committee volunteer, Best Practices of Catholic Pastoral and Finance Councils gives the guidance, support, and how-to that every parish needs--making it helpful for diocesan staff as well. Use it to stay on track, get back on track, or simply realize a track exists for these highly critical leadership councils.

How to Finish the Christian Life Crossway

The Skilled Pastor is a creative and practical training book that details the specific skills necessary for sound pastoral guidance in various situations.

The author integrates theological reflection with practice, while incorporating religious resources with counseling technique.

Building Leaders The Pastor's assistant, by A. Dallas Practicing the Power

Origen's On First Principles is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. On First Principles is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."

Baptize By Blazing Fire Zondervan

Scripture places high priority on the discipling capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

Practicing the Power Lexington Books

Leadership is indeed an influence. And it needs certain vital ingredients to build character formation. One cannot influence with a bad character.

Leaders considers Character very important since it deals with personhood that affects both personality and professionalism. Applying the Good Character traits as a leader will influence, affect, motivate, encourage, and inspire your followers. Because of this, leaders need ingredients which can help them to build a good character traits to win the trust and confidence of their followers. This book will guide you on the steps of character formation and the dynamics to develop your leadership skills.

Pastoral Care for Survivors of a Traumatic Death Turning Point

Thrive as a Christian regardless of your age. Dr. George Sweeting's How to Begin the Christian Life revealed a plan for success in starting new lives of purpose in pursuit of Christ. Now he and his son Donald Sweeting present How to Finish the Christian Life, a guide that gives mature believers a new set of disciplines and encouraging truths to help them finish well. Retirement from a career should never be mistaken for an absence of purpose. On the foundation of his own ministry that continues to thrive, Dr. Sweeting and his son deliver an inspiring message that the end of the believer's journey is not a matter of dying but a challenge to live to the fullest to the glory of God. When it comes to the life of a true follower of Christ, there is only one way to finish: strong.

What Ministers Know Thomas Nelson

What happens when we die? Where do we go? Is there an afterlife? Does the Bible say anything specific about heaven? Are there streets of gold there? This book will answer those questions and tell you what's up with heaven. By studying the Scriptures from Genesis to Revelation and studying a variety of topics, the curtain is pulled back—to the extent Scripture allows—to reveal the glorious and utterly amazing realm of heaven.

Best Practices of Catholic Pastoral and Finance Councils Baker Books

This book constitutes the refereed proceedings of the 25th International Conference on Advanced Information Systems Engineering, CAISE 2013, held in Valencia, Spain, in June 2013. The 44 revised full papers were carefully reviewed and selected from 162 submissions. The contributions have been grouped into the following topical sections: services; awareness; business process execution; products; business process modelling; modelling languages and meta models; requirements engineering 1; enterprise architecture; information systems evolution; mining and predicting; data warehouses and business intelligence; requirements engineering 2; knowledge and know-how; information systems quality; and human factors. Multnomah

Through this eight-week small group Bible study, Gospel in Life, Timothy Keller explores with participants how gospel can change hearts, communities, and how we live in the world. This pack includes one softcover 230-page Participant Guide and one DVD.

Knowable Word offers a foundation on why and how to study the Bible. Through a running study Genesis 1, this new edition illustrates how to Observe, Interpret, and Apply the Scripture-and gives the vision behind each step.

Encyclopedia of Religious Knowledge Baker Books

This is a book about the behind-the-scenes reality of a life in ministry. It tells you what Zack Eswine wishes somebody else would've told him. With over 20 years of experience in ministry, Zack shares with incredible honesty about his own failures, burnout, and pain, all the while addressing the complexities of leadership decisions, church discipline, family dynamics, and so on. Presenting sound pastoral theology couched in autobiographical musings and powerful prose, this book offers a fresh and biblically faithful approach to the care of souls, including your own.

[God Has a Name](#) Our Sunday Visitor

The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In Practicing the Power, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.

INGREDIENTS OF LEADERSHIP Baker Books

The Pastor's assistant, by A. Dallas Practicing the Power Zondervan

On First Principles HarperChristian Resources

Triumphalists see their world view as the ultimate repository of spiritual truth: all other world views are inferior and their adherents need to be converted forcefully, or silenced, or destroyed to prevent their cancerous views from metastasizing. Triumphalism has infected too many of the adherents in the Abrahamic religious traditions, and must be neutralized by the growth of epistemic humility using a tactic like the five step strategy suggested in this book.

[Brave New Discipleship](#) Crossway

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

[The Disciple-Making Church](#) IGI Global

What you believe about God sets the foundation of the person you will become. In God Has a Name, pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself. After all, what you believe about God will ultimately shape the type of person you become. We all live at the mercy of our ideas, and nowhere is this more true than our ideas about God. The problem is many of our ideas about God are wrong. Not all wrong, but wrong enough to form our souls in detrimental and disheartening ways. God Has a Name is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself in the Bible. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, God Has a Name invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become.
