On a rainy Saturday, Jack Cat creates a new friend by painting a dog and then together they paint new adventures for themselves. Happy Dog! Simon and Schuster

On March 2, 1965, "The Sound of Music" was released in the United States and the love affair between moviegoers and the classic Rodgers and Hammerstein musical was on. Rarely has a film captured the love and imagination of the moviegoing public in the way that "The Sound of Music" did as it blended history, music, Austrian location filming, heartfelt emotion and the yodeling of Julie Andrews into a monster hit. Now, Tom Santopietro has written the ultimate "Sound of Music" fan book with all the inside dope from behind the scenes stories of the filming in Austria and Hollywood to new interviews with Johannes von Trapp and others. Santopietro looks back at the real life story of Maria von Trapp, goes on to chronicle the sensational success of the Broadway musical, and recounts the story of the near cancellation of the film when the "Cleopatra" bankrupted 20th Century Fox. We all know that Julie Andrews and Christopher Plummer played Maria and Captain Von Trapp, but who else had been considered? Tom Santopietro knows and will tell all while providing a historian's critical analysis of the careers of director Robert Wise and screenwriter Ernest Lehman, a look at the critical controversy which greeted the movie, the film's relationship to the turbulent 1960s and the super stardom which engulfed Julie Andrews. Tom Santopietro's "The Story of 'The Sound of Music'" is book for everyone who cherishes this American classic.

For the first decade of the 21st century, the Baltimore Orioles were perpetual cellar dwellers, with losing seasons from 1998-2011—fourteen straight years. They were the worst team in baseball when two-time American League Manager of the Year Buck Showalter took over as manager in August 2010, but they went 34-23 in the last two months of the season, and that set the tone for everything to follow. Buck, along with Andy MacPhail (president of baseball operations) and Dan Duquette (general manager), worked hard to change things in Baltimore, and the results have shown. In 2012, the Orioles went 93-69 and reached the postseason for the first time since 1997. In 2013, they fell short of the playoffs, but they still hit the most homers in the majors. They also set a new record in errorless games and fewest errors in a season. In addition, the Orioles boasted three Gold Glove winners: third baseman Manny Machado, center fielder Adam Jones, and shortstop J.J. Hardy. In 2014, after winning the

AL East, they swept the Tigers in the divisional series before losing to the red-hot Royals in the American League Championship. This book details the club's miraculous turnaround under Buck. It discusses key signings like Nelson Cruz, the quiet effectiveness of Nick Markakis, Jones's leadership, the struggles of Chris Davis, and several other story lines from Showalter's tenure. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Sound of Music Story Simon and Schuster

Ever since Patty Farmer was a little girl, she dreamed of living at the Plaza--just like Eloise of storybook fame. Decades later, she realized that dream when she moved into an apartment on the eighth floor of the famed hotel and became more passionate than ever about immersing herself in its history. She soon discovered that one of the most magical places within the Plaza now exists only in memory: the nightclub known as the Persian Room. For more than forty years, from 1934 to 1975, the Persian Room was the place to be in New York City. An unparalleled array of performers graced its stage--everyone from the incomparable Hildegard and Kay Thompson to Julie Wilson, Andy Williams, Lainie Kazan, and Michelle Lee. And, though more than three decades have passed since the final ovation, there are many from both sides of the footlights who remember this extravagant nightclub with great fondness. To create this unique and memorable oral history, Farmer traveled far and wide to meet the

Persian Room's most popular stars and collect their precious memories. Over the course of three years, these idols of the past and present opened their homes and hearts to her, relishing the opportunity to share cherished moments from their long careers. Many contributed photos and memorabilia from their personal collections as well, making *The Persian Room Presents...* a vivid journey through the stars elegant history. Among the many stars who generously gave their time are Andy Williams, Marge Champion, Polly Bergen, Diahann Carroll, Connie Stevens, Lesley Gore, Patti Page, Carol Lawrence, Michelle Lee, Lainie Kazan, Julie Wilson, Tony Butala, Tony Sandler, Celeste Holm, Kaye Ballard, Jack Jones, and Roslyn Kind. Don Dellair shared funny and touching tales of both Hildegard and Liberace. Hilary Knight--the legendary illustrator who brought Eloise to life--spoke wistfully of Kay Thompson and Lisa Kirk. Each offered his or her own perspective on the club, but they all agreed on one thing: There was no place on Earth like the Persian Room and there never will be.

From acclaimed sports writer and bestselling author Jeff Pearlman, a searing and insightful look into the life and career of Barry Bonds, one of the most celebrated, contradictory and controversial sports figures of our time. No player in the history of baseball has left such an indelible mark on the game as Barry Bonds. In his twenty-year career, Bonds has amassed an unprecedented 7 Most Valuable Player awards, 8 Gold Gloves, and more than 700 home runs (and counting), an impressive assortment of feats that has earned him the consideration as one of the greatest players the game has ever seen. Equally deserved, however, is his reputation as an insufferable braggart, whose mythical home runs are rivaled only by his legendary ego. From his staggering ability and fabled pedigree (father Bobby played outfield for the Giants; cousin Reggie and godfather Willie are both Hall of Famers), to his well-documented run-ins with teammates and his alleged steroid abuse, Bonds inspires a like amount of passion from both sides of the fence. For many, Bonds belongs beside Babe Ruth and Hank Aaron in baseball's holy trinity; for others, he embodies all that is wrong with the modern athlete: aloof; arrogant; alienated. Drawing on extensive interviews with Bonds himself, members of his family, former and current managers, teammates, opponents, trainers, outspoken

critics, and unapologetic supporters alike, Pearlman reveals, for the first time, a wonderfully nuanced portrait of a prodigiously talented—and immensely flawed—American icon, whose controversial run at baseball immortality forever changed the way we look at our sports heroes.

From one of the great bon vivants of our age comes this witty memoir of an extraordinary life lived among a glittering social set. Acclaimed designer and founder of Pret-a-Porter Marc Rosen shares in this delightful reminiscence the stories of his encounters with the great beauties, talents, and personalities of the last 50 years. Marc has rubbed shoulders with everyone - from Hollywood royalty (including Helen Hayes, Bette Davis, and his own wife, Arlene Dahl, the girl for whom Technicolor was invented) to actual royalty (Princess Grace of Monaco, the Romanovs) to the moguls of the beauty and fashion worlds (Charles Revson, Karl Lagerfeld) over the course of his brilliant career.

"[Not] the typical celebrity memoir . . . as much an account of her decades-long spiritual journey as it is a look back at her TV and movie career." —Spiritual Pop Culture "Mary is a whole lot more than Erin on *The Waltons*. This book shows how she's handled all the highs and lows with grace." —George Clooney For nine seasons, Mary McDonough was part of one of the most beloved families in television history. Just ten years old when she was cast as the pretty, wholesome middle child Erin, Mary grew up on the set of *The Waltons*, alternately embracing and rebelling against her good-girl onscreen persona. Now, as the first cast member to write about her experiences on the classic series, she candidly recounts the joys and challenges of growing up Walton—from her overnight transformation from a normal kid in a working class, Irish Catholic family, to a Hollywood child star, to the personal challenges that led her to take on a new role as an activist for women's body image issues. Touching, funny, sometimes

heartbreaking, and always illuminating, *Lessons from the Mountain* is the story of everything Mary McDonough learned on her journey over—and beyond—that famous mountain. Includes Never Before Published Bonus Chapter! “A fascinating look at what it’s like to grow up in front of and beyond the cameras.” —Eve Plumb “For someone who started out as a sweet little girl afraid to speak up, it certainly is a pleasure to hear her shout from the top of the mountain now!” —Alison Arngim, *New York Times* bestselling author “[A] poignant memoir . . . the actress shares intimate, behind-the-scenes memories.” —Smashing Interviews Magazine

The first Army Air Corps navigational class at Miami University graduated in November 1940. In this book, Colonel Whitcomb follows these first celestial navigators through their World War II trials. Twenty-five personal stories and a series of photographs paint the stories of these men as they fought--combining the ancient art of navigating by the stars with the equipment on their B-17s, became prisoners of war, lived through the Bataan Death March, escaped from Japanese captors, survived primitive conditions in the Philippines, died for their country, or later served the US as navigators on the aircraft of presidents and dignitaries. *On Celestial Wings* Taylor Trade Publications

“A baseball book that reads like a spy novel—a story about cheaters and the cheated that has the power to forever change how we feel about the game.” —Brian Williams, MSNBC anchor and host of *The 11th Hour* The definitive insider story of one of the biggest cheating scandals to ever rock Major League Baseball, bringing down high-profile coaches and players, and exposing a long-rumored "sign-stealing" dark side of baseball By the fall of 2019, most teams in Major League Baseball suspected that the Houston Astros, winners of the 2017 World Series, had been stealing signs for several years. Deconstructing exactly what happened in this explosive story, award-winning sports reporter and analyst Andy Martino reveals how otherwise good people like Astros manager A. J. Hinch, bench coach Alex Cora, and veteran leader Carlos Beltrán found themselves on the wrong side of clear ethical lines. Along the way, Martino explores the colorful history of cheating in baseball, from notorious episodes like the 1919 “Black Sox” fiasco all the way to the modern steroid era. But as Martino deftly shows, the Astros scandal became one of the most significant that the game has ever seen—its fallout ensnaring many other teams, as victims, alleged cheaters, or both. Like a riveting true sports whodunit, *Cheated* is an electrifying, behind-the-scenes look into the heart of a scandal that shocked the baseball world.
