*Crush* Little, Brown Books for Young Readers  
 Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in *From the Notebooks of a Middle School Princess*—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife

illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!  
*Dork Diaries 4* Simon and Schuster  
 Love—and crushes—are in the air for Nikki Maxwell in this sixth installment of the #1

New York Times bestselling Dork Diaries series! It's the biggest dance of the year and Nikki Maxwell is hoping her crush, Brandon, wants to be her date. But time is running out. What if he doesn't want to go with her? Or worse—what if he ends up going with MacKenzie?!

*Diary of a Crush: Kiss and Make Up* Simon and Schuster  
 In 1989 nineteen-year-old Natasha is obsessively in love with her former teacher, Miss Williams. The tattoo she flashes around says so. Natasha meets Alex, a girl her own age, who questions her about the tattoo. An awkward romance is born. In this real-life teenage diary Natasha records her panic at a looming LESBIAN relationship. To lose some excess fat, she starves herself of food ... whilst working in a chip shop. And just to make sure she's gay, Natasha drags five boys

into bed in the space of a week, a sin for which the sexuality police threaten to kick her out of the university Lesbian and Gay Society. In this coming out story and love story, Natasha struggles with clumsy attempts at heterosexuality, the sickening effects of weight loss techniques, disapproving shaven-headed lesbians, and sexual harassment in the chip shop.

The Year of Living Awkwardly Aladdin Felix Ever After meets Becky Albertalli in this swoon-worthy, heartfelt rom-com about how a transgender teen's first love challenges his ideas about perfect relationships. \* A 2022 ALA Rainbow Booklist Selection \* A Junior Library Guild Selection \* Noah Ramirez thinks he's an expert on romance. He has to be for his popular blog, the Meet Cute Diary, a collection of trans happily ever afters. There's just one problem—all the stories are fake. What started as the fantasies of a trans boy afraid to step out of the closet has grown into a beacon of hope for trans readers across the globe. When a troll exposes the blog as fiction, Noah's world unravels. The only way to save the Diary is to convince everyone that the stories are true, but he doesn't have any proof. Then Drew walks into Noah's life, and the pieces fall into place: Drew is willing to fake-date Noah to save the Diary. But when Noah's feelings grow beyond their staged romance, he realizes that dating in real life isn't quite the same as finding love on the page. In this charming novel by Emery Lee, Noah will have to choose between following his own rules for love or discovering that the most romantic endings are the ones that go off script.

*From the Notebooks of a Middle School Princess* Roaring Brook Press

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and

unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

*Double Dork Diaries #2* Penguin

The first book in Anna Staniszewski's award-winning YA best selling book series: *The Dirt Diaries!* A hilarious tale about the weight of responsibility that comes from a secret-filled diary... Rachel can't believe she has to give up her Saturdays to scrubbing other people's toilets. So. Gross. But she kinda, sorta stole \$287.22 from her college fund that she's got to pay back ASAP or her mom will ground her for life. Which is even worse than working for her mother's new cleaning business. Maybe. After all, becoming a maid is definitely not going to help her already loserish reputation. But Rachel picks up more than smelly socks on the job. As maid to some of the most popular kids in school, Rachel suddenly has all the dirt on the 8th grade in-crowd. Her formerly boring diary is now filled with juicy secrets. And when her crush offers to pay her to spy on his girlfriend, Rachel has to decide if she's willing to get her hands dirty... "Holy fried onion rings! Fun from beginning to end."—Wendy Mass, *New York Times* bestselling author of *11 Birthdays* and *The Candymakers* *The Dirt Diaries* Series is the perfect... book series for girls aged 9-12 book series for middle school girls diary book series for reluctant readers preteen gift for girls

*French Kiss* Vintage

To rescue her missing mother, thirteen-year-old Mira must travel to sixteenth-century Rome, where she befriends the painter Caravaggio and other artists and scientists under suspicion for being forward thinking individuals.

The Absolutely True Diary of a Part-Time Indian (National Book Award Winner)

Farrar, Straus and Giroux (BYR)

Traditional Chinese and English bilingual edition of *Dork Diaries 12: Tales from a Not-So-Secret Crush Catastrophe*

**2 A.M. at The Cat's Pajamas** Penguin Books Limited

When Miss Know-It-All's inbox overflows with pleas for guidance, Nikki Maxwell, the school newspaper advice columnist, turns to her best friends for help.

**My Pants Are Haunted !** Hodder Children's Books

Bridget Jones's Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles another year in her life while she navigates the highs and lows of family, friendship, school, and love in a diary that sparkles with humor and

warmth. It's Chloe Snow's sophomore year of high school, and life has only grown more complicated. Last year, Chloe was the star of the musical. This year, after an audition so disastrous she runs off the stage in tears, she's cast as a lowly member of the ensemble. Will she be able to make it through the show knowing everyone's either pitying her or reveling in her downfall? Chloe's best friend, Hannah, is no help: she's been sucked into the orbit of Lex, the velvet-gloved, iron-fisted ruler of the sophomore class. Chloe's dad is busy falling in love with Miss Murphy, and Chloe is no longer speaking to her mother, who is sending her increasingly desperate and unhinged emails from Mexico. As her parents' divorce negotiations unravel, a custody battle looms. If only Chloe could talk to Grady about it: his parents are divorced, and he's easy to talk to. Or he was, until he declared his love for Chloe, and she turned him down because despite all her rational brain cells she can't seem to get over Mac, and then Grady promptly started going out with Lex. As the performance of the show approaches, Chloe must find a way to navigate all the messy elements of her life and make it through to the end of the year.

**Dork Diaries: Friendship Kit** Atom

At the time of her death in 2004, Lucia Berlin was known as a brilliant writer of short stories, beloved by other writers but never achieving wide readership or acclaim. That changed in 2015 with the publication of *A Manual for Cleaning Women*, a collection of some of her best work. Almost overnight, Lucia Berlin became an international bestseller. *Love, Loosha* is the extraordinary collection of letters between Lucia Berlin and her dear friend, the poet and Broadway lyricist Kenward Elmslie. Written between 1994 and 2004, their correspondence reveals the lives, work, and literary obsessions of two great American writers. Berlin and Elmslie discuss publishing and social trends, political correctness, and offending others and being offended. They gossip. They dish. They entertain. *Love, Loosha* is an intimate conversation between two friends—one in which we are invited to participate, and one that will give fans of Lucia Berlin and Kenward Elmslie much pleasure and fresh insight into their lives and work.

Nikki's diary describes a frightful Halloween, on which she helps with her sister's ballet class party at the same time she is Brandon's date for their middle school Halloween dance, where she has promised to spend the evening with her two best friends.

**Misadventures of Max Crumbly 3**

Simon and Schuster

The instant #1 New York Times Bestselling Series Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play, and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish Life as We Knew it HarperCollins

I am absolutely over the moon. G spoke to me today. Kelly Ann is desperately in love with G--hopelessly, recklessly in love. The only problem? G is the biggest loser in school, and not the dorky kind, but the slimeball, cheating, self-obsessed variety. Her best friends can see how awful G is, and also that KellyAnn's quietly gorgeous friend Chris is madly in love with her. But

Kelly Ann stumbles along blindly, unable to see what is right in front of her eyes. This laugh-out-loud, and truly desperate, love diary chronicles the highs and the lows of a year in the life of an endearing teenage girl.

Mistakes Were Made University of New Mexico Press

The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch.

Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating it's social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. The Vegas Diaries is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past—and in the process finds the life and love she deserves.

**Tales from a Not-so-popular Party Girl**

Simon & Schuster

In the fourth book of the New York Times bestselling series that's as popular as it is dorky, Nikki Maxwell is determined to help out her crush Nikki Maxwell isn't at all surprised to find out that her crush Brandon volunteers at a local animal shelter. He's such a sweet guy--of course he wants to help those adorable puppies Then Brandon tells her that the shelter is in danger of closing, and Nikki knows she can't let that happen. Especially when she discovers a shocking secret about Brandon that makes keeping that shelter open more important than ever. So Nikki and her friends Chloe and Zoey enter an ice skating competition to help raise money for the shelter, but (big surprise) MacKenzie has to stick her nose in and cause trouble so that she can be the one to swoop in and save the day. No way will Nikki let that happen: She'll just have to come up with some extra creative ideas this time

**Kiss and Make Up** Feiwel & Friends

As Nikki plans how she's going to spend her summer, things get more complicated after she starts hanging out with a visiting student.

*Tales from a Not-so-smart Miss Know-It-All* Candlewick Press
