All Men of Genius Rocambolereturns

A powerful story of love, identity, and the price of fitting in or speaking out.

“The story may be set in the past, but it couldn’t be a more timely reminder that true courage comes not from fitting in, but from purposefully standing out . . . and that to find out who you really are, you have to first figure out what you’re not.” —Jodi Picoult, New York Times bestselling author of *A Spark of Light* and *Small Great Things* After her father’s death, Ruth Robb and her family transplant themselves in the summer of 1958 from New York City to Atlanta—the land of debutantes, sweet tea, and the Ku Klux Klan. In her new hometown,

Ruth quickly figures out she can be Jewish or she can be popular, but she can’t be both. Eager to fit in with the blond girls in the “pastel posse,” Ruth decides to hide her religion. Before she knows it, she is falling for the handsome and charming Davis and sipping Cokes with him and his friends at the all-white, all-Christian Club. Does it matter that Ruth’s mother makes her attend services at the local synagogue every week? Not as long as nobody outside her family knows the truth. At temple Ruth meets Max, who is serious and intense about the fight for social justice, and now she is caught between two worlds, two religions, and two boys. But when a violent hate crime brings the different parts of Ruth’s life into sharp conflict, she will have to choose between all she’s

come to love about her new life and standing up for what she believes.

My Eyes Are Up Here Grand Central Publishing

The Wise Heart Faber & Faber

A comedic Steampunk sensation inspired by both Shakespeare's *Twelfth Night* and

Oscar Wilde's *The Importance of Being Earnest*, *All Men of Genius* follows Violet Adams as she disguises herself as her twin brother to gain entry to Victorian London's most prestigious scientific academy, and once there, encounters blackmail, mystery, and love. Violet Adams wants to attend Illyria College, a widely renowned school for the most brilliant up-and-coming scientific minds, founded by the late Duke Illyria, the greatest scientist of the Victorian Age. The school is run by his son, Ernest, who has held to his father's policy that the small, exclusive college remain male-only. Violet sees her opportunity when her father departs for America. She disguises herself as her twin brother, Ashton, and gains entry. But keeping the secret of her sex won't be easy, not with

her friend Jack's constant habit of pulling pranks, and especially not when the duke's young ward, Cecily, starts to develop feelings for Violet's alter ego, "Ashton." Not to mention blackmail, mysterious killer automata, and the way Violet's pulse quickens whenever the young duke, Ernest (who has a secret past of his own), speaks to her. She soon realizes that it's not just keeping her secret until the end of the year faire she has to worry about: it's surviving that long. "This important guidebook shows in detail and with great humor and insight the way to practice the Buddha's

universal teachings here in the West. Jack Kornfield is a wonderful storyteller and a great teacher.”—Thich Nhat Hanh “Jack is helping to pave the path for American Buddhism, bringing essential basics into our crazy modern lives. And the language he uses is as simple and as lovely as our breath.”—Natalie Goldberg Perhaps the most important book yet written on meditation, the process of inner transformation, and the integration of spiritual practice into our American way of life, *A Path with Heart* brings alive one by one the challenges of spiritual living in the modern world. Written by a teacher, psychologist, and meditation master of international renown, this warm, inspiring, and expert book touches on a wide range of essential issues including many rarely addressed

in spiritual books. From compassion, addiction, and psychological and emotional healing, to dealing with problems involving relationships and sexuality, to the creation of a Zen-like simplicity and balance in all facets of life, it speaks to the concerns of many modern spiritual seekers, both those beginning on the path and those with years of experience. *A Path with Heart* is filled with practical techniques, guided meditations, stories, koans, and other gems of wisdom that can help ease your journey through the world. The author’s own profound—and sometimes humorous—experiences and gentle assistance will skillfully guide you through the obstacles and trials of spiritual and contemporary life to bring a clarity of perception and a sense of the

sacred into your everyday experience. Reading this book will touch your heart and remind you of the promises inherent in meditation and in a life of the spirit: the blossoming of inner peace, wholeness, and understanding, and the achievement of a happiness that is not dependent on external conditions. Sure to be a classic, *A Path with Heart* shows us how we can bring our spirituality to flower every day of our lives. one who's been searching for the truth all these years . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's

something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide

her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts.

In the Neighborhood of True Flatiron Books

My Eyes Are Up Here is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at

math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an

actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, *My Eyes Are Up Here* is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.
