The Pain and the Great

One Artisan Books
 This series of Reader's
 Theater books provides

high-interest scripts featuring everything from amusing fables and fairy tales to inspiring inventors and historical heroes. Each script comes with explicit fluency instruction, a list of key vocabulary, and engaging comprehension activities. Each book describes in simple terms how to direct instruction and coach students as they practice their lines. Each unit can stand alone as fluency instruction or tie in to a related content-area unit. These resources meet instructional objectives as outlined in the No Child Left Behind Act.

The Panic Fables Penguin Help students gain confidence and build fluency using *Act It Out with Readers' Theater* for grades K-1. This 112-page book includes nine cross-curricular plays and leveled roles that allow for differentiation. Approved by the National Reading Panel as an ideal way to promote fluency, this engaging resource also includes instructions for performing and critiquing, teacher pages and helpful hints, and staging, costume, and prop suggestions. For complete classroom support, the book provides instructions for connecting the topic of

each play to other curriculum areas, comprehension pages, and answer keys. This book aligns with state, national, and Canadian provincial standards. *Aesop's Fables The Hare with Many Friends* This Aesop's Fable has been re-imagined as part of a social venture project to raise money for literacy charities. DERT works with emerging designers to create unique, customized books. Each DERT book features the design and conceptual artwork created by graphic design students. "The Hare With Many Friends" is a fable that teaches us the value of having a few friends that you can depend on as opposed to having many friends that you can't depend on; quality over quantity. Aesop's Fables are a collection of stories credited to Aesop, a slave and storyteller who lived in ancient Greece from 620 - 560 BC. A keen observer of both animals and people, Aesop used the qualities and natural tendencies of animals to focus on human traits and wisdom within his stories. Each fable has an accompanying moral to be learned from the tale. Far from child-like moral lessons one would expect, these fables are also seen

as clever jokes and witty one-liners that result in bite size pieces of wisdom for daily life. The Legend of Lightning Larry Children and adults alike will delight in reading aloud these enduring and enchantingly told stories, richly illustrated and fabulously reimagined by award-winning artist Scott Gustafson. Stories include "The Little Red Hen," "The Princess and the Pea," "The Emperor's New Clothes," "The Ugly Duckling," and "Beauty and the Beast."

Act It Out with Readers' Theater, Grades K - 1 Heinemann Educational Books

The third edition of *Assessing Readers* continues to bridge the gap between authentic, informal, and formative assessments and more traditional quantitative and summative assessment approaches. Designed to assist educators and reading specialists in making informed decisions about not only what to assess, but also how, it provides teachers with a menu of qualitative assessment options, encouraging them to consider their own values and beliefs in light of the goals they have for the students they teach. Building on nearly

four decades of theory, research, and practice, it is up to date with current research and offers specific assessment, instruction, and organizational ideas and strategies. With an emphasis on comprehension, motivation and engagement, and developing strategic knowledge, *Assessing Readers* offers a road map for teachers trying to meet the demands of increasingly rigorous standards. Features include examples of student-centered assessment, ideas for organizing and managing differentiated instruction, sample lesson plans, and authentic case studies. Accessible and practical, the third edition empowers pre-service and in-service teachers alike, encouraging them to think about the importance of their assessment and instructional choices and supporting them with the tools they need to achieve their goals and meet the needs of all students. Changes in the Third Edition: A new focus on literacy development and developmentally responsive instruction Expanded coverage of emergent literacy and the assessment of

foundational skills, including concepts about print, storybook reading, phonological and phonemic awareness, alphabet knowledge, and concept of word in text A new section on assessing vocabulary and morphological knowledge Expanded coverage of response to instruction/intervention (RTI) New information on assessment and instruction of culturally and linguistically diverse students Increased attention to issues of social justice, educational equity, and anti-bias practices *Aesop's fables* Rex Bookstore, Inc. Ellen Tebbits has an embarrassing secret that she'll never share with anyone. That is, until she meets Austine—and discovers that Austine has the exact same secret! Soon the girls are best friends who do everything together—attending dance class, riding horses, and dodging pesky Otis Spofford, the neighborhood troublemaker. But then Ellen does something terrible . . . and now Austine isn't speaking to her. Ellen desperately wants her best friend back. How can she show Austine how sorry she is?

Newbery Medal-winning author Beverly Cleary brings her warm humor to this funny story of a girl readers will recognize—and love.

Aesop's Fables Teacher Created Resources

The complete series of filmmaker Alejandro Jodorowsky's spiritual comics, translated into English for the first time • Contains all 284 of Jodo's Panic Fables comics, published weekly from 1967 to 1973 in Mexico City's *El Heraldo*

newspaper • Includes an introduction describing how the Panic Fables came to be • Explains how he incorporated Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables, as well as himself as one of the characters

In 1967, in response to theatrical censorship rules that put him on the political “black list” in Mexico City and caused his plays and his pantomime classes at the School of Fine Arts to be cancelled, Alejandro Jodorowsky decided to pursue a new form of artistic expression to earn his living: comics. Working with his friend Luis Spota, the editor of the cultural section of the newspaper *El Herald de México*, Jodo initially planned 3 months’ worth of weekly comics, which he would draw himself. However, his “Panic Fables”--named after his early ‘60s avant-garde theater movement in Paris--were met with such insatiable popularity that he continued the series for six and a half years, from June 1967 until December 1973. Appearing for the first time in English, this book presents all 284 of Jodorowsky’s Panic Fables in full color, along with an introduction by the

author. He reveals how his first comics reflected his pessimism about the future and the meaning of life, the negativity of which soon exhausted him. He realized he needed to show the positivity that he encountered in life, and thus, little by little, he began incorporating Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables. Through this transformation and the outpouring of support from his devoted readers, many of whom cite the Panic Fables as providing pivotal guidance during their adolescence, Jodo discovered that art can serve to heal as well as raise consciousness. Writing himself into his comics, Jodo can be glimpsed as the character of the disciple who talks with his master and, as the series progresses, gradually grows to assume the role of master, providing psychomagic solutions to the problems of everyday life. In reading the complete Panic Fables in chronological order, much like his film *The Dance of Reality*, we witness in colorful detail Jodorowsky’s own path of spiritual growth.

Hair Today, Gone

Tomorrow is a fractured

fairy tale based on the

story of Rapunzel.

Rapunzel is a modern

princess living with a

bunch of tradition she doesn't understand--why can't she cut her hair, or ride the bus to school like normal kids?! Find out what happens with Rapunzel breaks tradition and disobeys her mother, the Queen. This book provides information on putting on a production--including tips on sets, props, and costumes. An easy-to-follow script with color coding for character cues is ideal for readers' theater, puppet shows, or class plays. Teachers can download a free guide with additional tips and reading level information for each character on our Web site. Bring a fun, interactive way to practice fluency and public speaking to your library! Aligned to Common Core Standards and correlated to state standards. Looking Glass Library is an imprint of Magic Wagon, a division of ABDO.

For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In

addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Book jacket.

**Readers' Theater:
Multicultural Stories**

Carson-Dellosa Publishing
Within a clear conceptual framework, this book explores ways that teachers, reading specialists, administrators, and teacher educators can provide more effective literacy instruction to K-9 students from diverse ethnic, cultural, and linguistic backgrounds. Cutting-edge theory and

research is interwoven with detailed case studies that bring to life the complexities of teaching in today's multicultural and multilingual classroom. Topics covered include: *How and why culture matters in literacy instruction *Drawing on students' multiple literacies in the classroom *Motivating and engaging English-language learners *Steps that teachers can take to heighten their cultural awareness and skills *Tapping into family and community resources for literacy learning
Reading First Activities, Grade K University of Chicago Press

A collection of animal fables told by the Greek slave Aesop.

Engaging Young Readers Guilford Press
"One of the books every boy should have on his bookshelf." -- San Francisco Examiner
No outlaw could draw as fast as Lightning Larry. But what really terrified those bad men was that peculiar gun of his. It didn't shoot bullets. It shot light. And Larry always aimed for the heart. Can Larry save the town of Brimstone from Evil-Eye McNeevil's outlaw gang? Find out in this rip-roaring original tale of a gunfighter with a huge

smile and a hankering for lemonade. **TEACHERS AND LIBRARIANS -- A READER'S THEATER SCRIPT OF THIS BOOK IS AVAILABLE IN AARON'S BOOK "STORIES ON STAGE," OR FREE ON AARON'S WEB SITE.**

////////////////////////////////////

////////// Aaron Shepard is the award-winning author of "The Baker's Dozen," "The Sea King's Daughter," "The Monkey King," and many more children's books. His stories have appeared often in *Cricket* magazine, while his Web site is known internationally as a prime resource for folktales, storytelling, and reader's theater. Once a professional storyteller, Aaron specializes in lively retellings of folktales and other traditional literature, which have won him honors from the American Library Association, the New York Public Library, the Bank Street College of Education, the National Council for the Social Studies, and the American Folklore Society. Toni Goffe is the British illustrator of numerous well-loved children's books and is a winner of the 1993 Gold Medallion Book Award. He is also illustrator of Aaron's "The Legend of Slappy

Hooper."

////////////////////////////////////

//////// "One of the books every boy should have on his bookshelf; girls will probably like the story too . . . The language is perfect, [with] the right dose of silliness to make both parents and children chuckle . . . The illustrations are ideal." -- Cindi Rose, San Francisco Examiner, Aug. 20, 2012 "A tall-tale superhero for our time. . . . A readaloud that could lighten up classes well up in the elementary grades." -- Kirkus Reviews, Mar. 1, 1993 "Pass out the bandanas and dig out the spittoon. Read this story in an old-timer's voice, and everyone will have a good time." -- Chris Sherman, American Library Association Booklist, Mar. 1, 1993 "Move over, Wyatt Earp.

Make room for a cowboy of a different caliber. A wide age range of listeners will request this one again and again." -- School Library Journal, Nov. 1993 "A rib-tickler. . . . Kids will enjoy acting this out as readers theatre." -- Jan Lieberman, TNT, Spring 1993 "Lovely. . . . Should reach the tickly bone of youngsters." -- Storyline, June 1993 "Perfect for telling or reading out loud." -- Katy Rydell, Stories, Spring 1993 "My class loved this story. Great to use when introducing tall tales." -- D. Peccianti, Reviews of All Resources (Monterey Peninsula United School District) "Introduces one amazing cowpoke. . . . Will have young listeners laughing out loud and asking you to 'read it again.'" -- Smithsonian, Nov. 1993 "Told in the

spirited language of a true yarn-spinner, this is a rollicking picture book to warm the heart of just about everyone." -- Kids' Line, Summer 1993

Fables and Folklore Reader's Theater

Teacher Created Materials Fluency has two basic parts. Reading fluency is the ability to read quickly and accurately while using expression and proper phrasing. Speaking fluency is the ability to express oneself easily and gracefully. Each book has over 80 reading passages that are designed to engage young students by using humor, compelling plots, and exciting new words. *Town Mouse Country Mouse* Bloomsbury Publishing USA Short (2-15 minutes), easy-to-perform readers-theater segments.
