MACIAS PORTER

[Sneaky Softball Pitching](http://Booklocker.Com) Booklocker.Com Incorporated
 Softball Star is a collection of three of Jody Studdard's fastpitch stories: A Different Diamond, Fastpitch Fever, and Dog In The Dugout. Join Brooke Conrad, Rachel Adams, and Angel Williams (and Homer the chocolate Labrador puppy!) as they attempt to win the state championship. Three great books at one great price.

Throw Like a Girl Penguin
 Making My Pitch tells the story of Ila Jane Borders, who despite formidable obstacles became a Little League prodigy, MVP of her otherwise all-male middle school and high school teams, the first woman awarded a college baseball scholarship,

and the first to pitch and win a complete men's collegiate game. After Mike Veeck signed Borders in May 1997 to pitch for his St. Paul Saints of the independent Northern League, she accomplished what no woman had done since the Negro Leagues era: play men's professional baseball. Borders played four professional seasons and in 1998 became the first woman in the modern era to win a professional ball game. Borders had to find ways to fit in with her teammates, reassure their wives and girlfriends, work with the media, and fend off groupies. But these weren't the toughest challenges. She had a troubled family life, a difficult adolescence as she struggled with her sexual orientation, and an emotionally fraught college experience as a closeted gay athlete at a Christian university. Making My Pitch shows what it's like to be the only woman on the team bus, in the

clubhouse, and on the field. Raw, open, and funny at times, her story encompasses the loneliness of a groundbreaking pioneer who experienced grave personal loss. Borders ultimately relates how she achieved self-acceptance and created a life as a firefighter and paramedic and as a coach and goodwill ambassador for the game of baseball.

Fastpitch Fever Human Kinetics Publishers

Step to the plate and swing for the fences! Softball has grown from a spontaneous game to serious business. What began as an indoor ballgame is now one of the most popular women's sports. Stars like Joan Joyce and Jennie Finch helped it get there. Now players such as Cat Osterman and Monica Abbott are leading the charge. Grab a ball, bat, and glove and get ready to join them! The history, the rules, and the heroines: these nonfiction accounts of

women's sports relate the interesting insights of each sport, including the rules, game play, and standout athletes. Girls looking for role models as well as the "hows and whys" of their favorite game will find the answers in these fresh, accessible titles. Part history, part biography, and part instruction, *Girls Play to Win* allows readers to access "everything they want to know" about the game. More than an introduction, this series takes what is likely an existing interest and allows the reader to delve deeper. Content consultants are real-world experts that include Olympic athletes and coaches. Library Media Connection's Editor's Choice

Glass Heart Hero CreateSpace

When Kristy's friend, Bart, decides that he wants to be her real boyfriend, Kristy is afraid to tell him that she does not feel the same and enlists the help of Mary Anne for courage in expressing herself.

A Chance to Win North Star Editions, Inc. Sidestepping the inflated egos and scandal that have infiltrated many men's sports, college female softball players exhibit power and grace on the field as well as camaraderie, high achievement and vulnerability off the field. This balance not only makes the game compelling to watch, but it also elevates women's softball as an aspirational model for other sports. Focusing on the 2018 season, this book explores gender performance and sexuality in softball, how the influx of money from the sport's growth has reshaped expectations of success, and traditional media coverage of women's sports.

Norwood House Press

The evidence is overwhelming: sports help girls grow into strong women. Both scientific studies and anecdotal evidence confirm that athletic girls not only grow up to be healthier; they learn teamwork, gain inner confidence, and grow into society's leaders. Sports help preteen and teenage girls make the right choices in a society that is sending them incredibly mixed messages about who they are supposed to be. Yet no one is speaking directly to these girls. Jennie fills the role of girlfriend, big sister, team captain, and mentor. A smart, credible, and accomplished voice from an athlete who is strong and feminine, fiercely competitive, and fashionably cool, Jennie is someone young women will listen to and take to heart. Jennie's message: Believe in yourself. Go for it, girls.

Girls Play to Win Softball McGraw-Hill

A Fastpitch Coaching Guide packed full of fresh ideas to rejuvenate and build programs, drills that win championships,

and insights that go beyond traditional thought. Tips from more than a dozen of the nation's most successful coaches from various levels are included.

Your Band Sucks Picador

Fifteen-year-old Janna Yusuf, a Flannery O'Connor-obsessed book nerd and the daughter of the only divorced mother at their mosque, tries to make sense of the events that follow when her best friend's cousin--a holy star in the Muslim community--attempts to assault her at the end of sophomore year.

12 Reasons to Love Softball ABDO

Be inspired to reach for your dreams! At the age of thirteen, Mo'ne Davis became the first female pitcher to win a game in the Little League World Series and the first Little Leaguer to be featured on the cover of *Sports Illustrated*. A month later she earned a place in the National Baseball Hall of Fame. This inspiring memoir from a girl who learned to play baseball with the boys and rose to national stardom before beginning eighth grade will encourage young readers to reach for their dreams no matter the odds. Mo'ne's story is one of determination, hard work, and an incredible fastball. Mo'ne Davis is a multisport athlete who also plays basketball and soccer, and is an honor roll student at her school in Philadelphia. With an 8-page full-color photo insert, this memoir celebrates our fascination with baseball in a story of triumph to be shared with generations of young athletes to come.

Kristy and the Walking Disaster (The Baby-Sitters Club #20) Blue Dragon Publishing, LLC

Great practice drills for fastpitch softball players. This book has drills for base running, pitching, hitting, catching, and fielding. Brought to you by Gary Leland publisher of the Fastpitch Softball TV Network. Gary's teams won the 14 and under, and the 15 and under Texas USSSA State championships back to back. His teams came in fourth and fifth in the USSSA National Championships for 14 under, and 15 under. Now he shares some of the drills his team used while training his fastpitch softball team. It seems like a lifetime ago, but I still remember when I started coaching my daughters fastpitch softball team. I had played a little baseball growing up, and some slowpitch softball along the way too. I soon found out two things. One is that fastpitch softball was a sport of its own. While so many things are the same. There are many things that are different in fastpitch softball than baseball, or slowpitch softball. Two is that I knew nothing about coaching fastpitch softball players at all. Playing sports had not really

taught me how to coach. One of the main things new coaches are looking for is information. This book is my attempt to provide another source for that information. While I admit I did not come up with these fastpitch softball drills. Many of them have probably been used for years, and years. What I did was find many of the great drills I used with my players while coaching. Then I wrote them in an easy to understand format. Trying to make them easy to learn and use. While this may be a guide for coaches to help their young players, this is also be a great resource for parents hoping to help their daughters become better fastpitch softball players.

Trish's Team Scholastic Inc.

Sneaky Softball Pitching contains the most sought after pieces of pitching advice in the game today. Learn how to pitch faster within seconds. Get the secret of how to stun a batter into not swinging at all. Find out what every great pitcher needs to know about the mental game, and get detailed information about the foundation for building not only top speed, but most accuracy as well.

Practice Perfect Softball Simon and Schuster

"Welcome to Quinn, Montana, population: 956. A town where nearly all of the volunteer firemen are named Jim, where The Dirty Shame--the only bar in town--refuses to serve mixed drinks (too much work), where the locals hate the newcomers (then again, they hate the locals, too), and where the town softball team has never even come close to having a winning season. Until now. Rachel Flood has snuck back into town after leaving behind a trail of chaos nine years prior. She's here to make amends, but nobody wants to hear it, especially her mother Laverna. But with the help of a local boy named Jake and a little soul-searching, she just might make things right."-- Amazon.com.

Fastpitch Softball Blue Dragon Publishing, LLC

A guide for coaches and pitchers, Kempf goes beyond the basics of female softball as she covers pre-motion presentation, stance, posture, timing, location and speed. Advice is given on the correct choice of pitch illustrated with drawings. *Fastpitch* Createspace Independent Publishing Platform

Coaching Girls Softball Do you love softball? Do you want to improve your softball skills? This is the book for you.

Softball is a game of skill and hard work. Some players are blessed with skill, size or desire. This book will help you mentally and physically get ahead of the competition. This book breaks down fundamentals, but it also gives you instructions to help you be one step ahead of your peers or competitors. One of the most important parts of the game is being able to hit the ball. This book can help you with being a better softball player. This book includes: Rules of the game Tips for Beginners Basic Softball Drills History of the Game Softball Positions Hitting Techniques Social Skills and Softball Much more

Kristy + Bart? (The Baby-Sitters Club #95) Scholastic Inc.

Everyone thinks being a fourteen-year-old fastpitch softball player is nothing but fun and games. But ask Rachel Adams, and you'll learn otherwise. There are millions of problems to deal with, including demanding dads, grumpy coaches, and umpires who make terrible calls. But Rachel really complicates things for herself when she sneaks out with her teammates, meets some boys, and drinks alcohol. Just two weeks prior to the state's championship tournament, she is grounded, suspended from school, nearly kicked off of her team, and injured. Will Rachel succumb to the pressures all around her, or will she rise to the challenge and lead her team to the championship game?

Women in Softball University of Nebraska Press

A memoir charting thirty years of the American indie rock underground by a musician who was at its center Jon Fine spent nearly thirty years performing and recording with bands that played aggressive and challenging underground rock music, and, as he writes, at no point were any of those bands "ever threatened, even distantly, by actual fame." Yet when the members of his 1980s post-hardcore band Bitch Magnet came together for an unlikely reunion tour in 2011, diehard fans traveled from far and wide to attend their shows, despite creeping middle-age obligations of parenthood and 9-to-5 jobs.

Their devotion was testament to the remarkable staying power of indie culture. In indie rock's pre-Internet glory days, bands like Bitch Magnet, Black Flag, Mission of Burma, and Sonic Youth—operating far outside commercial radio and major label promotion—attracted fans through word of mouth, college DJs, record stores, and zines. They found glory in all-night recording sessions, shoestring van tours, and endless appearances in grimy clubs. Some bands with a foot in this scene, like REM and Nirvana, eventually attained mainstream success. Many others, like Bitch Magnet, were beloved only by the most obsessed fans of the time. *Your Band Sucks* is an insider's look at that fascinating, outrageous culture—how it emerged and evolved, how it grappled with the mainstream and vice versa, and its odd rebirth in recent years as countless bands reunited, briefly and bittersweetly. With backstage access to many key characters on the scene—and plenty of wit and sharply worded opinion—Fine delivers a memoir that affectionately yet critically portrays an important, heady moment in music history. Praise for *Your Band Sucks*: "Everything a cult-fave musician's memoir should be: It's a seductively readable book that requires no previous knowledge of the author, Bitch Magnet or any other band with which he's played." —Janet Maslin, *The New York Times* "Jon Fine has produced as evocative a portrait of the underground music scene as any wistful, graying post-punk could wish for." —*The Atlantic*

Fastpitch Softball: The Windmill

Pitcher Independently Published
With a title drought that started in New York and carried on for more than five decades after the move to the west coast, the San Francisco Giants and their fans were growing restless, waiting for a team like the 2010 roster and that one magical postseason run. The anticipation, memories, and celebrated relief of the season when it finally came together are captured in this chronicle of the World Series season of the Giants. Written in

entertaining prose, the book is as much an enjoyable story to be reread through the years as it is a factual account of the events that brought the elusive title to the Giants.

Complete Book of Softball Drills

Human Kinetics

*Now available in paperback with a brand new title: *Kaboom Academy!** "Graduates of Wayside School will fit right in at the decidedly unconventional *Kaboom Academy*." —*Kirkus Reviews* Forget everything you know about middle school while reading "this amusing and lighthearted story [that] pokes fun at traditional education, while celebrating nonconformity, individuality, and even oddity" (*School Library Journal*). A new middle school has just opened in Horsemouth, New Hampshire: *Kaboom Academy*. It's a place where cannons go off in the middle of school assemblies, pills contain actual information, and multiplication is made, er, real. (Read: You ever wonder what it would be like if there were two of you? How about four? How about eight? Well, you're about to find out!) The school's new students—and the Journalism 1A class in particular—can't believe all the shenanigans that go on. Who's really in charge of this groundbreaking academy for boys and girls who've fallen out of love with learning? And what does it mean to "blow up the model for middle school"? A 2015 Children's Choice
Softball Pitching Edge HarperCollins
Spin back the clock to 1980 when a Catholic high school in the Boston area has been marked to close at the end of the school year. What memories remain for a school that will no longer exist is the turmoil their long-time principal is struggling over. Enter the school's boys' ice hockey team a perennial loser and a collection of misfits who will experience the emotions from ridicule to hope. The team is led by a cast-off local hockey star and a newcomer to the school who discover what being teammates really means. The on-ice action is fast and furious but the outcomes are unpredictable to the very end.
