Dante Alighieri, Prior of the City, is sent out to investigate. He quickly discovers not only that the church hides secrets of its own, but that the murdered man was connected to a shadowy organisation known as the Third Heaven, an assorted band of scholars and adventurers whose influence could undermine the city's government - in favour of the all-powerful Catholic

church and its brutal emissaries. Seeking to uncover the truth in the mosaic that was too dangerous to be told, Dante is drawn into a power struggle that leads him back into the secrets and myths of an ancient imperial dynasty - and into peril as the charms of a mysterious smoky-eyed dancer begin to blind his reason....

Naples, March 1931: a bitter wind stalks the city streets, and murder lies at its chilled heart. As one of the world's greatest tenors, Maestro Vezzi, is found brutally murdered in his dressing room at Naples' famous San Carlo Theatre, the enigmatic and aloof Commissario Ricciardi is called in to investigate. Arrogant and bad-tempered, Vezzi was hated by many, but

with the livelihoods of the opera at stake, who would have committed this callous act? Ricciardi, along with his loyal colleague, Maione, is determined to discover the truth. But Ricciardi carries his own secret: will it help him solve this murder? [Reach Out and Read the World](#) Europa Editions The seventh Commissario Ricciardi historical mystery is “an intricately layered

whodunit set in Fascist Naples . . . A richly textured story” (Kirkus Reviews). In the middle of a summer heat wave, as Naples prepares for one of its most important holy days, a renowned surgeon falls to his death from the window of his office. For Commissario Ricciardi and Brigadier Maione it is the beginning of an investigation that will bring them into contact with the most

torrid, conflicting, and enduring of human passions. In the world Ricciardi and Maione are about to enter, infidelity appears inextricable from the most joyful expressions of love, and, this interdependence sows doubt and uncertainty in both men, compromising their own attempts at love. Ricciardi is one of the most intriguing and unique figures to appear in crime fiction

in recent years. He possesses the dubious gift of being able to see and hear the last seconds in the lives of those who have suffered a violent death. This ability makes him an unusually effective investigator but plagues him and renders human relationships almost impossible. He is a classic noir hero and the cursed son of a city that, for all its Mediterranean splendor, is a perfect noir

city. In this new installment in the Commissario Ricciardi series, Maurizio de Giovanni creates a large cast of unforgettable characters and a compelling, suspenseful plot that demonstrates once more why he is considered one of the best crime writers working today. "Complex, lyrical . . . A searing look at the tortured soul of the lead makes this entry

especially memorable." —Publishers Weekly (starred review) *Glass Souls* Rowman & Littlefield As Naples prepares for its holiday celebrations, behind the facade of order and happiness imposed by the fascist regime, lurks terrible poverty and blinding desperation. In a luxurious apartment on the Mergellina beach the bodies of a fascist militia officer and his wife have

been found. The woman has had her throat cut while the man has been stabbed over sixty times. Seemingly, the hands of two separate killers have been at work. A statuette of San Giuseppe, patron saint of workers, lies in pieces on the floor. At the scene of the crime, Ricciardi, who has the dubious gift of being able to see and hear the last seconds in the lives of those who have suffered a violent death,

listens to the enigmatic last words of the couple. Accompanied by his faithful partner Brigadier Raffaele Maione, and once more troubled by two women who compete for his attentions, the Commissario will have to trace a wide and frenetic arc through the streets of Naples in order to uncover the truth. book in Fred Vargas's internationally acclaimed Jean-Baptiste Adamsberg series 'The hottest property in contemporary crime fiction' Guardian Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with cast-iron alibis; he appears permanently distracted. In

spite of all this his colleagues are forced to admit that he is a born cop. When strange blue chalk circles start appearing overnight on the pavements of Paris, only Adamsberg takes them - and the increasingly bizarre objects found within them - seriously. And when the body of a woman with her throat savagely cut is found in one, only Adamsberg realises that other murders will soon

A conductor succumbs to cyanide at the famed Venice opera house, in the first mystery in the New York Times—bestselling, award-winning series. During intermission at the famed La Fenice opera house in Venice, Italy, a notoriously difficult and

widely disliked German conductor is poisoned—and suspects abound. Guido Brunetti, a native Venetian, sets out to unravel the mystery behind the high-profile murder. To do so, he calls on his knowledge of Venice, its culture, and its dirty politics. Along the way, he finds the crime may have roots going back decades—and that revenge, corruption, and even Italian cuisine may play a role. "One of

the most exquisite and subtle detective series ever.” —The Washington Post “A brilliant writer . . . an immensely likable police detective who takes every murder to heart.” —The New York Times Book Review *Death at La Fenice* Open Road + Grove/Atlantic When we think of the Italian Mafia, we think of Marlon Brando, Tony Soprano, and the Corleones iconic actors

and characters who give shady dealings a mythical pop presence. Yet these sensational depictions take us only so far. The true story of the Mafia reveals both an organization and mindset dedicated to the preservation of tradition. It is no accident that the rise of the Mafia coincided with the unification of Italy and the influx of immigrants into America. The Mafia

means more than a horse head under the sheets it functions as an alternative to the state, providing its own social and political justice. Combining a nuanced history with a unique counternarrative concerning stereotypes of the immigrant, Salvatore Lupo, a leading historian of modern Italy and a major authority on its criminal history, has written the definitive account of the

Sicilian Mafia from 1860 to the present. Consulting rare archival sources, he traces the web of associations, both illicit and legitimate, that have defined Cosa Nostra during its various incarnations. He focuses on several crucial periods of transition: the Italian unification of 1860 to 1861, the murder of noted politician Notarbartolo, fascist repression of the Mafia, the Allied invasion of 1943, social

conflicts after each world war, and the major murders and trials of the 1980s. Lupu identifies the internal cultural codes that define the Mafia and places these codes within the context of social groups and communities. He also challenges the belief that the Mafia has grown more ruthless in recent decades. Rather than representing a shift from "honorable" crime to immoral drug trafficking and

violence, Lupu argues the terroristic activities of the modern Mafia signify a new desire for visibility and a distinct break from the state. Where these pursuits will take the family adds a fascinating coda to Lupu's work.

A new series of hardboiled crime fiction set in contemporary Naples by the author of the internationally bestselling Commissario Ricciardi series.

They've made a fresh start at the

Pizzofalcone precinct of Naples. They fired every member of the investigative branch after they were found guilty of corruption. Now, there's a new group of detectives, a new commissario, and a new superintendent. The new cops immediately find themselves investigating a high-profile murder that has the whole town on edge. Heading the investigation is Inspector Lojacono,

known as the Chinaman, a cop with a chequered past and a reputation as crack investigator. Lojacono's partner is Aragona, who wants to be known as Serpico, but the name doesn't stick. Luigi Palma is the Commissario, Francesco Romano, aka Hulk, the self-deluded lieutenant. Lojacono, Aragona, Palma and Romano are joined by a cast of cops portrayed by de Giovanni

with depth and intimate knowledge of the close-knit world of police investigators. De Giovanni is one of the most dexterous and successful writers of crime fiction currently working in Europe. His award winning and bestselling novels, all set in Naples, offer a brilliant vision of the criminal underworld and the lives of the cops in Europa's most fabled, atmospheric, dangerous, and lustful

An abandoned baby and a missing dog lead a group of Neapolitan cops to murder and mayhem in this mystery by the author of Cold for the Bastards. The next installment in Maurizio de Giovanni's bestselling "Bastards of Pizzofalcone" series unfolds during the crisp beginning of April in contemporary Naples as a new evil spreads throughout

the city. . . . A baby is left abandoned beside a dumpster. A young Ukranian maid fights the torrents of greed and frustration with the world around her. Small animals begin to disappear off the streets. The task of solving these mysteries is entrusted to a team of policemen in which few believe: the Bastards of Pizzofalcone. Complete with stirrings in the city's criminal underbelly and a fight

against a seemingly inhuman evil, this novel is sure to delight fans of de Giovanni's previous works. De Giovanni is one of Europe's most renowned and versatile mystery writers. His award-winning and bestselling novels, all of which take place in Naples, engage readers in gripping tales of Europe's most fabled, atmospheric, dangerous, and lustful city. "A rich

ensemble cast lifts de Giovanni's funny, poignant fourth police procedural featuring the "losers and pariahs" who man the little Pizzofalcone police station located in the heart of Naples. . . . A New Jersey Girl's Humorous Romp Throughout Italy. **The Bloody Spur** World Noir From the author of Margherita Dolce Vita One late-winter morning as he is "hop-hiking" downhill toward his character-building destination, a vomit-yellow cube surrounded by a garden of barbarously unkempt weeds known as the Bisacconi elementary

school, Stefano Benni's young hero encounters a peculiar man--as big as a mountain and as filthy as a garbage dump, with a vast beard the color of a dung-heap, dressed from head to foot in layers and rags, and in the company of a swarm of buzzing flies. A god, perhaps? A pagan divinity? Who can tell! After a brief tête-à-tête, this earthy apparition endows the young boy

with a rare gift: an internal "duoclock" that allows him to see into the future and at the same time exist in the present with an uncommon fullness. Meet Timeskipper. Timeskipper sees and foresees the epochal events of his era from postwar reconstruction to the birth of television-- from the golden age of rock'n'roll to the revolutionary sixties and the turbulent seventies.

These events are tenderly offset by his own private experiences: his first love, his first job, leaving home, hilariously wild adventures with oddball acquaintances . This vibrant fictional character is the repository of our collective experience. His is the story of our time, an era of momentous change. A moving and inventive satiric tale in which imagination defies corruption and

conformity, in which the innocence of yesteryear comes face-to-face with the moral aridity of today's money-obsessed society, Timeskipper is one of Stefano Benni's most touching and enduring creations. Colored by Benni's trademark linguistic inventiveness and irresistible humor, this is a coming-of-age story with a difference. **Lamberto, Lamberto, Lamberto** Atlantic Monthly Press
