TATE CANTRELL

Chrysalis Inspiring Voices

Michael knew he was in love with her, even if he never said it. Then, his promotion came through. Upholding his end of their friends with benefits arrangement meant following his career to Sydney. When leaving Darby turns out to be the biggest mistake of his life-and crafting a second chance is his only redemption-he goes to extremes to unravel their tangled web. But winning her heart may be the least of his worries. Darby's father is up to no good, a crooked senator whose dirty dealings are at cross-purposes with Michael's social justice work. They are two powerful men, both vying for control over the future of Chicago's South Side, both vying for

Darby's loyalty. Only, Frank Christensen plays dangerous games. When her father goes too far and places her in a bad situation with the mafia, the otherwise-independent Darby is in need of a legitimate save. With Michael still in the process of extricating himself from Sydney, how will he protect her from half a world away?

Nemesis Christian Faith Publishing, Inc. In a post-apocalyptic Labrador, the survivors live by strict religious beliefs and practice eugenics to maintain "normality." Mutations are considered blasphemies and punished. David, a telepathic boy, befriends Sophie, who has a secret mutation. As they face persecution, they escape to the lawless Fringes. With the help of telepaths and society in "Sealand," they evade hunters, find rescue and plan to return for Rachel, another telepath left behind in Waknuk.

Ethnic Chrysalis Ballantine Books

This attractive set includes the award-winning 78-card Chrysalis Tarot deck, a custom full-color spread sheet, and the eagerly-anticipated companion book. The Chrysalis Tarot deck presents exquisitely drawn Otherworld characters and mythological archetypes. Both the Major and Minor Arcana feature beautifully illustrated scenes that inspire reflection and stimulate your psychic intuition and imagination. This illustrated companion book to Chrysalis Tarot explores the spiritual journey of self-discovery and transformation that leads to higher consciousness. Part I examines the magic and energy of the Otherworld that guides you on this journey. Each of the five chapters focuses on a character from the Chrysalis Tarot illustrated with an original sketch by Holly Sierra. Toney Brooks relates tarot to other metaphysical

concepts such as archetypes, healing, and chakra work. Part Two of this book expands on the interpretations given in the booklet for the 78 cards. Holly shares the inspirations for her Chrysalis Tarot artwork and presents black and white sketches for each card. Book includes a foreword by Tali Goodwin.

The Chrysalis Good Press

Haarlem, Holland, seventeenth-century: The city's chief magistrate commissions a family portrait from Dutch master painter Johannes Miereveld. But when the artist sees the magistrate's daughter, Amalia, an illicit love affair begins. Miereveld creates a captivating masterpiece, *The Chrysalis*—a stunning portrait of the Virgin Mary, full of Catholic symbols, that outrages his Protestant patron and signals the death of his career. New York, present day: Mara Coyne is one high-profile case away from making partner at her powerful Manhattan law firm, and now the client that is sure to seal the deal has fallen into her lap. The prestigious Beazley's auction house is about to sell a lost masterwork, *The Chrysalis*, in an auction that is destined to become legendary. Standing in the way, however, is the shocking accusation that the painting belongs not to Beazley's client but to Hilda Baum, the daughter of a Dutch collector who lost his paintings—and his life—to the Nazis. The case brings an unexpected surprise when Mara discovers that Beazley's in-house attorney is Michael Roarke, a man for whom she once had an intense attraction. But the same skills that make her a brilliant litigator also make Mara suspicious, and she begins to believe that Hilda's tragic family story might be more than just heartbreaking—it might be true. And the man she's come to love might not be who she thought he was at all. Spanning centuries and continents, *The Chrysalis* is a brilliant, intelligent, fast-paced thriller that melds art and history into a provocative work of fiction. From the underground Catholicism in seventeenth-century Holland to the unspeakable crimes of the Nazis and the repercussions that reverberate to this day throughout the art world, Heather Terrell has created a fascinating story that will entrance readers to the very last page.

Chrysalis Createspace Independent Publishing Platform

"Ethnic Chrysalis" is the first book in English to cover the early modern history of the Orochen, an ethnic group that has for centuries inhabited areas now belonging to the Russian Federation and the People's Republic of China. The Qing dynasty (1644–1911) was a formative period for Orochen identity, and its actions

preserved the Orochen as a separate ethnic group. While incorporating the Orochen into the imperial political domain through military conscription and compulsory resource extraction, the Qing government created two Orochen subgroups that experienced disparate levels of social and economic autonomy. The use of "Orochen" as an official modifier by Qing officials forms an early layer of the chrysalis that embodies various senses of ethnic identity for people who have been identified, or self-identified, as Orochen. Since the Qing, the Orochen have continued to cherish the perception that their Qing-period ancestors were key players in the defense and economy of northeast China. Tracing the evolution of Qing policies toward the Orochen along the Chinese–Russian borderland, Loretta Kim examines how the impact of political organization in one era can endure in a group's social and cultural values.

The Chrysalis Ballantine Books

Traces the life and work of the pioneering seventeenth-century woman naturalist, discussing her unprecedented solo expedition to study insect metamorphosis in the New World and her role in the establishment of a new branch of biology. *Chrysalis* New Leaf Distribution River Rock, Vermont, 2011. This is the story of Claire Ryan and Evan Lang. 35-year-old Claire joins a local book club for romance readers in order to get over the breakdown of her 10-year relationship, there she meets book shop owner Evan, a dominant man who has never recovered from the sudden death of his submissive wife. As their relationship develops and they embark on the path of Claire's submission, it becomes harder and harder for Evan to keep his emotional distance. Claire is open and responsive and he wants her badly, but refuses to let himself go. As Claire falls deeper in love with Evan, she realizes that he is holding back and decides to end their relationship, forcing Evan to confront his own past and his feelings in order to save his new love.

One in the Spirit Penguin

"Christians often find their faith metamorphosing and do not know how to handle the troubling changes. Using the life-cycle of a butterfly as a metaphor Alan Jamieson helps readers to see that radical changes need not mean the death of personal faith. Instead he helps us to embrace them as part of a positive, Christian, Spirit-led journey with God."-- Jacket.

Gestation Upper Room Books

Quantum Hughes' life is stuck on repeat. While trapped in The LOOP, he struggles to

free himself from a glitch that forces him to re-live the same day over and over.

Emerging From the Chrysalis Orbit

ChrysalisPenguin

Awakening Chrysalis

Now reissued in an expanded edition, this unique book offers the first full-length treatment of women's initiation rites in five cultures. Considering initiation rites among the Tiyyar of South India, the Navajo, the Tiv of West Africa, and the Tukuna of the Northwest Amazon, Lincoln argues that unlike men's rites, women's rites do not impart a change in hierarchical status, but rather a "cosmic" change which offers religious compensation for women's generally low socio-political status.

Emerging from the Chrysalis Penguin

"Creepy, powerful, wonderfully twisted."-- New York Times bestselling author Jonathan Maberry Don't Go in the Basement In a brutal spasm of bad luck, Tom and Jenny Decker lose both their cheap Manhattan apartment and their barely-above-minimum-wage jobs. Their luck runs hot when they stumble upon a surprisingly affordable house in the suburbs, an old friend of Tom's offers him an amazing opportunity, and Jenny discovers that she's pregnant. But there are dark secrets galore in the Deckers' new/old house. The place has a violent past. There's a thing in the basement, a bizarre chrysalis Tom conceals from Jenny. Touching it makes him feel like a winner, like he can tackle any challenge—the mortgage, the commute, impending fatherhood. Until the night everything goes horribly wrong and the Deckers' dream life is exposed as the phantom it always was. The night the chrysalis starts to hatch. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Chrysalis 3 Paternoster

There is no magic pill. There is no one-size-fits-all solution to your problems. There is no guru coming to save you. The remarkable truth you are about to discover—one that you already know deep down in your bones—is that the idea of perfection can't bring you the joy, passion, and purpose you are craving. What you are looking for, as author and Women For One founder Kelly McNelis will show you, is your messy brilliance. It's the part of you that's perfectly imperfect and that contains your wholeness: the good, the bad, and the ugly. Your Messy Brilliance offers an engaging, customizable roadmap to the authentic you. In this book, you will learn to: Reclaim your true brilliance by embracing your flaws as the key to unlocking your deepest truth Understand

how your stories shape your life—and harness your power to transform the stories you tell yourself and others. Consciously move past shame and self-judgment, and develop a stronger relationship to your body, mind, and spirit. Connect with your feminine power to find presence, peace, and clarity. Make conscious, effective choices that enable you to make your life happen, on your own terms. Embody limitless possibility so that you can create the life you have always dreamed about. Commit to a life of radical openness, authenticity, and courage—so that you transform yourself and your world. With a combination of personal experience, relatable stories from everyday women, and practical wisdom that can be found in every culture and doctrine, Kelly will guide you into the most important journey you will ever take as a woman: the journey back home to your messy brilliance...and your ultimate truth!

[The Liminal Chrysalis: Imagining Reproduction and Parenting Futures Beyond the Binary](#) is an edited collection that works to identify and deconstruct many of the countless binaries that operate within the realms of parenting and reproduction. Weaving poetry, speculative fiction, and autobiography with interviews, critical analysis, and research, the authors take as their starting place that there is magical potential and possibility in the ambiguous, disorienting spaces of the in-between and the beyond. The collection challenges the constructedness of binaries connected to sex, gender, sexuality, and parenting roles, as well as the cis-, hetero-, repro-, trans-, and amatonormativities which pervasively circulate and inform how we think about parenting and reproductive life. The collection amplifies the voices of non-binary authors among others, and tells stories of menstruation, pregnancy, abortion, assisted reproductive technologies, fertility preservation, parenthood, and activism in the face of violent binaries and reproductive

injustices.

[Use of Weapons](#) Houghton Mifflin Harcourt
This illustrated companion to the Chrysalis Tarot explores the spiritual journey of self-discovery that leads to higher consciousness. Part One examines the magic of the Otherworld that guides you along this path with wisdom from the characters of Chrysalis Tarot. Part Two of this book expands on the interpretations of the 78 cards. In addition to Toney Brooks' insightful descriptions, Holly shares her inspiration for her artwork and presents her original sketches for each card. Foreword by Tali Goodwin.

[A Community of Butterflies](#) Notion Press

To face Death itself, to hide from deadly guards, to conduct dark rituals and to use forbidden death magic? Being sent to Hell is definitely not what 12-year-old Anji would have ever expected from a government orphanage program.

[Your Messy Brilliance](#) Penguin

A blockbuster new thriller from #1 New York Times bestselling author Lincoln Child, centered on a dominant tech company—Chrysalis—whose groundbreaking virtual reality technology is redefining the way we live...and possibly introducing a catastrophic danger to the world. Like millions of people around the world, Jeremy Logan (famed enigmologist, or investigator of unexplained things) has grown to rely on his incredible new tech device. Made by Chrysalis, the global multibillion dollar tech company, the small optical device connects people in a stunning new way, tapping into virtual reality for the first time on a wide scale. And yet, when Logan is summoned by Chrysalis to investigate a disturbing anomaly in the massive new product rollout, Logan is shocked to see the true scope of the massive company. He also quickly realizes that something in Chrysalis's technology is very wrong, and could be potentially devastating. The question is what, and where, is the danger coming from? In Lincoln Child's wildly inventive new novel, high tech comes to life alongside the myriad dangers it poses, making for one of Child's most infectious, entertaining thrillers to date.
