 involvement in a drunk driving episode sends him to jail, Sydney feels increasingly rootless and
 invisible, worried that her parents are unconcerned about the real victim: the boy Peyton hit and
 seriously injured. Meanwhile, Sydney becomes friends with the Chathams, a warm, close-knit,
 eccentric family, and their friendship helps her understand that she is not responsible for Peyton's
 mistakes. Once again, the hugely popular Sarah Dessen tells an engrossing story of a girl

The study of Hollywood detectives has often overlooked the B-Movie mystery series in favour of hard-boiled film. Hollywood's Detectives redresses this oversight by examining key detective series of the 1930s and 1940s to explore their contributions to the detective genre.

"Henry Smith's father told him that if you build your house far enough away from Trouble, then Trouble will never find you." But Trouble comes careening down the road one night in the form of a pickup truck that strikes Henry's older brother, Franklin. In the truck is Chay Chouan, a young Cambodian from Franklin's preparatory school, and the accident sparks racial tensions in the school—and in the well-established town where Henry's family has lived for generations. Caught between anger and grief, Henry sets out to do the only thing he can think of: climb Mt. Katahdin, the highest mountain in Maine, which he and Franklin were going to climb together. Along with Black Dog, whom Henry has rescued from drowning, and a friend, Henry leaves without his parents' knowledge. The journey, both exhilarating and dangerous, turns into an odyssey of discovery about himself, his older sister, Louisa, his ancestry, and why one can never escape from Trouble.

In 1852, President Louis Napoleon of France declared that August 15--Napoleon Bonaparte's birthday--would be celebrated as France's national day. Leading up to the creation of the Second Empire, this was the first in a series of attempts to "Bonapartize" his regime and strengthen its popular legitimacy. Across France, public institutions sought to draw local citizens together to celebrate civic ideals of unity, order, and patriotism. But the new sense of French togetherness was fraught with tensions. Drawing on a wealth of archival evidence, Sudhir Hazareesingh vividly reconstructs the symbolic richness and political complexity of the Saint-Napoleon festivities in a work that opens up broader questions about the nature of the French state, unity and lines of fracture in society, changing boundaries between public and private spheres, and the role of myth and memory in constructing nationhood. The state's Bonapartist identity was at times vigorously contested by local social, political, and religious groups. In various regions, people used the national day to celebrate their own communities and to honor their hometown veterans; but elsewhere, the revival of republican sentiment clashed sharply with imperial attitudes. Sophisticated and gracefully written, this book offers rich insights into modern French history and culture.

The Saint-Napoleon Thomas & Mercer

Catholic lore, American tales, and Sicilian superstition blend in this “clever, funny, heartbreaking, and heartwarming” novel (Publishers Weekly). Born with unruly red hair, a sharp tongue, and wine-colored marks all over her body—marks that oddly mimick a map of the world and make her subject to endless ridicule—Garnet Ferrari would hardly consider herself blessed. So when an emissary from the Vatican shows up at her door, convinced that her seeming ability to cure the skin ailments of others qualifies her for sainthood, she’s not quite convinced—or pleased. Garnet sets off on a quest to better understand who she is and where she and her unusual gifts came from. Tracing a twisted path that leads from Sicily to West Virginia, poverty to riches, romance to loss, reality to mythology, Garnet uncovers a truth far more powerful than any dermatological miracle: that the things of which we are most ashamed often become our greatest strengths. “A cleareyed, touching fable of a girl learning the hard truths about herself and others.” —Kirkus Reviews

The now legendary character created by Leslie Charteris has survived nearly three-quarters of a century of perilous action and narrow escapes with nary a hair out of place nor the slightest jolt to his jauntily tipped halo. From his earliest days battling “crooks, blood suckers, traders in vice and damnation” (and cracking the occasional safe on the side), the Saint has captured the imaginations of millions. Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar, alias “The Saint,” in other media, a detailed history emerges. Includes plot synopses of the radio and television programs, with air dates and production credits; descriptions of the movies and their credits; a bibliography, reviews of the books, and quotes from the principals.

Life in the well-manicured London locale of Hexam Place is not as placid and orderly as it appears. Behind the tranquil gardens and polished entryways, relationships between servants and their employers are set to combust. Henry, the handsome valet to Lord Studley, is sleeping with both the Lord's wife and his university-age daughter. Montserrat, the Still family's lazy au pair, is helping to hide Mrs. Still's illicit affair with a television actor--for a small fee. June, the haughty housekeeper to a princess of dubious origin, is hard at work forming a "society" for servants to address complaints about their employers. Meanwhile, a disturbed gardener, Dex, believes a voice in his cellphone is giving him godlike instructions--that could endanger the lives of all who reside in Hexam Place. A deeply observed and suspenseful update to the upstairs/downstairs genre, *The St. Zita Society* is Ruth Rendell at her incisive best.

Cambridge archaeologist Sarah Weston makes an unusual discovery in the ancient Ethiopian mountain kingdom of Aksum—a sealed tomb with inscriptions in an obscure dialect. Along with her colleague, American anthropologist Daniel Madigan, she tries to identify the entombed man and translate the inscriptions. Tracking down clues in Addis Ababa and the monasteries of Lalibela, Sarah and Daniel uncover a codex in the subterranean library revealing the secret of the tomb—a set of prophecies about Earth's final hours, written by a man hailed by Ethiopian mystics as Coptic Christianity's 10th saint. Faced with violent opposition and left for dead in the heart of the Simien Mountains, Sarah and Daniel survive to journey to Paris, where they're given a 14th-century letter describing the catastrophic events that will lead to the planet's demise. Connecting the two discoveries, Sarah faces a deadly conspiracy to keep the secret buried in order to promote technological advances presently leading toward the prophesied end of the Earth.

The four canticles of Luke's birth story--the Magnificat, Benedictus, Gloria in excelsis, and Nunc dimittis--are taken to be integral components of the narrative and a sustained lyrical prelude to the author's two-volume historical work. Each composition is analyzed in three steps: proximate context; text; and macrocontext, the last displaying, in each case, a graded contribution to the

cumulative preview of Luke's overall argument that the songs constitute. The summary impression made by this argument is of the author's decisive role in the creation of these passages, of which-- save, perhaps, for the Benedictus--his is the originating hand.

Two more adventures for the Saint, based on two stories from Return of the Saint. *Saint Pauls* HarperCollins

Acclaimed biographer Donald Spoto strips away the legends from the life of Francis of Assisi to reveal the true story of a man who has too often been obscured by pious iconography. Drawing on unprecedented access to unexplored archives, plus Francis's own letters, Spoto places Francis

within the context of the multifaceted ecclesiastical, political, and social forces of medieval Italy, casting new light on Francis and showing how his emphasis on charity as the heart of the Gospel's message helped him pioneer a new social movement. This nuanced portrait reveals the multifaceted character of a man who can genuinely be said to have changed the course of history.
