Sister*

This book is based on the iconic actor Dharmendra Ji and all his accomplishments and his journey. This book highlights his beginning,

struggle, success, barriers and all his movies and all actors he worked with. Here the reader will embark on a pictorial journey of his life.

**Bollywood**  
Farrar, Straus and Giroux (BYR)  
A chaotic, 13-million-strong melting pot of ethnic groups

from all over India, Mumbai is India's economic engine and home to the world's largest film industry. 600 kilometres away, the golden beaches of Goa feel like another country. Drawing on insider expertise, this book

discusses both locales. Cinema India CMC Verve \*\*A 2024 literary highlight in Esquire, Vogue, GQ, i-D, and Dazed\*\* 'Crisp narration and lyricism... Kalia's take is refreshingly nuanced and - thank God - funny' - Esquire (The Biggest Books Landing on Your Reading List in 2024) 'Soulful, funny and daring... A Person is a Prayer is a plaintive and refreshing take on a cross-generational saga... From the bursting white rapids of the Ganges, to the nail-rapping table tops of a Hounslow kitchen, Kalia proves himself a transportive and stylish novelist, sensitive to the precious, emotional tissues that bind a family unit, and just how easily these can disintegrate when put under inspection' - Vogue (Best Books of 2024) 'Equal parts funny and touching... A multigeneratio

nal story reflecting on the transient connections between generations across time and place, and the nature of home and memory' - GQ (Best Books of 2024) 'Kalia's debut is a moving and often very funny portrait of a family in transit - both physically and emotionally' - Dazed (10 exciting books to look out for in 2024) 'A moving family drama that explores migration, inheritance and loss' - i-D (Fiction to be

excited for in 2024) 'This rich debut... has poignancy and focus. Telling the story over the course of three single days spanning six decades, [Kalia] interrogates the fundamental question of what makes a life happy through characters all striving for a better future' - Observer An intensely moving, lyrical and often funny novel about a family whose story of migration from Kenya and India to

England is told over three separate days, across six decades. Bedi and Sushma's marriage is arranged. When they first meet, they stumble through a faltering conversation about happiness and hope and agree to go in search of these things together. But even after their children Selena, Tara and Rohan are grown up and have their own families, Bedi and Sushma are still searching. Years later,

the siblings attempt to navigate life without their parents. As they travel to the Ganges to unite their father's ashes with the opaque water, it becomes clear that each of them has inherited the same desire to understand what makes a life happy, the same confusion about this question and the same enduring hope. A Person is a Prayer plumbs the depths of the spaces between

family members and the silence that rushes in like a flood when communication deteriorates. It is about how short a life is and how the choices we make can ripple down generations. Perfect for fans of Ali Smith, Jhumpa Lahiri and Monica Ali. 'A Person is a Prayer' moved me so deeply, it's filled with so much feeling you will not be able to stop thinking about it' - Annie Lord, author of Notes on Heartbreak 'A deeply felt debut - smart, funny and impressively soulful. I read it in one sitting' - Harriet Gibsone, author of Is This OK? 'Nuanced and deeply perceptive, an honest reflection of families and how we are inescapably shaped by them. A heartbreaking yet funny and poetic story of finding home in comfort over joy' - Sarathy Korwar, award-winning musician 'An exquisitely written, incisive and evocative family saga. Kalia explores cultural complexity and human frailty with compassion, wit and generosity of spirit' - Jake Lamar, author of Viper's Dream 'A Person is a Prayer has a prismatic quality... It's a rich read, freighted with the weight of expectation, where overlapping perspectives illuminate new corners of contemporary British life' -

Emma Warren, author of *Dance Your Way Home* **Graphicswall** ah Penguin UK *Bollywood Horrors* is a multi-faceted and wide-ranging collection that examines cinematic representations of real-life horror, the religious aspects of horror imagery and themes, and the ways in which Hindi films have projected "cinematic fears" onto the screen. Part I, "Atrocity", deals with Bollywood's representation of the real horrors of communal violence, rape culture, and human trafficking. In Part II ("Religion") the role of myth, ritual, and colonial constructions in producing the generic conventions of Hindi horror are discussed. Contributors focus on the stereotype of the tantric magician found in Indian literature beginning in the medieval period; the myth of the fearsome goddess Durga's slaying of the Buffalo Demon; and the surprising role of religion in the importation of Gothic tropes into Indian films, told through the little-known story of Sir Devendra Prasad Varma. The final part - "Cinematic Fears" - explores three particular facets or exemplars of Bollywood horror: the 2002 film *Raaz*, the role of non-domestic

haunted or uncanny spaces in Hindi cinema, and the aesthetics of film posters and song booklets advertising horror films. *Lonely Planet Goa & Mumbai* SCB Distributors In Bollywood Dreams photographer Jonathan Torgovnik explores the beloved pastime of an Indian population of over 1 billion. As the largest film producer in the world with more than 800 films made each

year, the Indian movie industry is a cultural phenomenon.

HarperDes When Geena, Amber and Jazz's school is desperate for funds, the girls' formidable young auntie

steps in with a fantastic idea for a fundraising Bollywood party. Swept up in the plans, the girls plot to deliver a real Bollywood actress for a live appearance. Sure their aunt will be thrilled with their plan, they've only got to overcome the fact that their would-be guest of honour is a penniless, faded recluse with a foul temper who decamps to their house and insists on

being treated like a star. A superbly entertaining sequel to *Bindi Babes* by an up-and-coming star of our own list. [Bollywood in Posters](#) Time Out Guides

**BIBLIOPHILIA:** A perfectly acceptable addiction marked by obsessive reading, aggressive book-sniffing and strategic hoarding. For as long as Ferose, a San Francisco-based techie and 'gently mad' bibliophile, has understood

books, he has devoured them with the unmitigated enthusiasm of a toddler on a sugar rush. For him, reading has been more than a weekend pursuit or a hobby on steroids. It has been a lifestyle - generously peppered with serendipitous first edition finds and deliberate in-store title hunting - of which he kept meticulous notes. In this intimate and refreshingly honest essay collection -

illustrated by artists on the autism spectrum - Ferose professes his undying love for books and elaborates on his relationship with the life-affirming act of reading. Enthusiastically noting titles that carry scribbles in the neglected margins to gushing over one-of-a-kind collectibles, he delves into his varied picks, bringing his most formative bookish adventures to readers. Posters" The  
film posters of  
Bollywood  
have a long  
history, and it  
is brilliantly  
celebrated  
here. The  
posters span  
the entire  
history of  
Hindi movies,  
from the early  
twentieth  
century to the  
present day.  
Bollywood  
movies are a  
much-loved  
phenomenon,  
and this  
celebratory  
book will have  
an avid  
audience  
among its  
fans. But its

appeal extends beyond that--graphic designers and artists will find much to inspire them as well'--Cover, p. 2. *Bollywood in Posters* This book explores the field of Comics Studies in South Asia, illuminating an art form in which there has been a much-documented explosion of recent interest. A diverse group of scholars from Asia, Europe, and North America examine

aesthetics, politics, and ideology in sequential art about South Asia and South Asian America. The book features contributions which address gender violence; authoritarian politics; caste discrimination; environmentalism; racism; and urban street art, amongst others. The unique interdisciplinary span of the volume considers mass popular comic books as well as the graphic novel. This edited

volume would be of interest to those studying the influence of graphic novels, graphic narratives, and comic books in South Asia, as well as researchers interested in what these forms might have to say about important issues in society. This book was originally published as a special issue of the South Asian Review journal. *Bollywood Posters* Chronicle Books

This volume brings together contributions that explore the increasingly important roles that English plays in Asia, including its contribution to economic growth, national imaginaries and creative writing. These are issues that are political in a broad sense, but the diversity of Asian contexts also means that the social, political and cultural ramifications of the spread of English into

Asia will have to be understood in relation to the challenges facing specific societies. The chapters in the book collectively illustrate this diversity by focusing on countries from South Asia, Southeast Asia and the Asia Pacific. Each country has two contributions devoted to it: one paper provides an overview of the country's language policy and its positioning of English, and another provides a

critical discussion of creative expressions involving the use of English. Taken together, the papers in the volume detail the most recent developments concerning the politics of English in Asia."

*Bollywood Horrors* Time Out Guides Falling Uphill: Anniversary Edition. One man's quest for happiness around the world on a bicycle. In one week, Scott Stoll lost his job, his best friend, his girlfriend and his confidence. Disillusioned with society,

full of angst, a lost and wandering soul with nothing left to lose, Stoll asked himself a question: "If I only have one life, one chance, if I could do anything, what would I do?" His answer resulted in a 4 year and 25,742 mile odyssey around the world by bicycle, seeking answers to the great mysteries of life, vowing to find happiness or die trying. The quest wasn't easy.

He was imprisoned, held hostage, mugged, run over, suspected of terrorism, accused of espionage, trampled, diseased, heartbroken- he nearly died a dozen times. But more importantly, in the most unlikely places, Scott also discovered the wonders of the world, kindness among strangers, the meaning of life, peace, love and-Yes!- happiness. Re-live and re-imagine an

archetypal journey around the world on a bicycle as a man stumbles through moments of pure survival and moments of pure enlightenment .

India is a unique country that exists in multiple centuries simultaneously. This book unravels the various mysteries and contradictions

embedded in our centuries-old tradition. (...) Using defined sections and relevant case studies, the authors analyse the emotional ingredients that form the essence of India and Indian cinema." (Excerpt from the Foreword by Amitabh Bachchan) Behind the Scenes of Hindi Cinema explores the inner world of Bombay film, the best known of India's movie industries. Many aspects

of Hindi cinema are brought to life on the pages of this richly illustrated book - from its beginnings to the present day. The use of songs to advertise movies, the role of censorship, devotion to god and family: these subjects and many more are illuminated. It reveals the symbolism of the divine role models Radha-Krishna and Ram-Sita at the heart of the main protagonists in many films,

and the passion of the people working behind the scenes. It examines the changing face of the nation's enemies, the marriage scene, lyricists and playback singers, and it sheds light on Tamil cinema, which rivals the Hindi film industry in output and popularity. The book concludes with an analysis of the mass appeal of Hindi film beyond India's borders and the recent embrace of the much-

hyped 'Bollywood' in the West.
