Love Song of the Dark Lord Bantam

This volume offers comprehensive analyses and new translations of Kalidasa's three extant plays: "Sakuntala and the Ring of Recollection," "Urvashi Won by Valor," and "Malavika and Agnimitra."

**The Bhagavad Gita** Routledge

A major work on the practice of yoga and meditation. Learn how you can control your mind and achieve inner freedom and peace through methods taught for over 2,000 years. Our most popular title.

*A Comprehensive Guide to Bhagavad-Gita with Literal Translation*  
New World Library

The adventure starts when cousins Fone Bone, Phoney Bone, and Smiley Bone are run out of Boneville and later get separated and lost in the wilderness, meeting monsters and making friends as they attempt to return home. Simultaneous.

How to Know God Knopf

"The words of Lord Krishna to Arjuna in the Bhagavad Gita," writes Paramahansa Yogananda, "are at once a profound scripture the science of Yoga, union with God, and a textbook for

everyday living." The Bhagavad Gita has been revered by truth seekers of both the East and the West.

**The Rig Veda** Pearson

This is one of the most important works in Indian literature and a source of religious inspiration in both medieval and contemporary Vaishnavism.

*Out from Boneville* Amrik Singh

A fresh, strikingly immediate and elegant verse translation of the classic, with an introduction and helpful guides to each section, by the rising American poet. Born in the United States into a secularized Hindu family, Amit Majmudar puzzled over the many religious traditions on offer, and found that the Bhagavad Gita had much to teach him with its "song of multiplicities." Chief among them is that "its own assertions aren't as important as the relationships between its characters . . . The Gita imagined a relationship in which the soul and God are equals"; it is, he believes, "the greatest poem of friendship . . . in any language." His verse translation captures the many tones and strategies Krishna uses with Arjuna--strict and berating, detached and philosophical, tender and personable. "Listening guides" to each section follow the main text, and expand in accessible terms on the text and what is happening between the lines. Godsong is an instant classic in the field, from a poet of skill, fine intellect, and--

perhaps most important--devotion.

**The Bhagavad-Gita** Red Wheel/Weiser

Phantasies of a Love Thief

Exploring India's Sacred Art Oxford University Press

Hinduism is practised by nearly eighty per cent of India's population, and by some seventy million people outside India. In this Very Short Introduction, Kim Knott offers a succinct and authoritative overview of this major religion, and analyses the challenges facing it in the twenty-first century. She discusses key preoccupations of Hinduism such as the centrality of the Veda as religious texts, the role of Brahmins, gurus, and storytellers in the transmission of divine truths, and the cultural and moral importance of epics such as the Ramayana. In this second edition Knott considers the impact of changes in technology and the flourishing of social media on Hinduism, and looks at the presence of Hinduism in popular culture, considering pieces such as Sita Sings the Blues. She also analyses recent developments in India, and the impact issues such as Hindu nationalism and the politicization of Hinduism have on Hindus worldwide. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**The Lost Wisdom of the Pharaohs** Routledge

The earliest of the four Hindu religious scriptures known as the Vedas, and the first extensive composition to survive in any Indo-European language, the Rig Veda (c. 1200-900 BC) is a collection of over 1,000 individual Sanskrit hymns. A work of intricate beauty, it provides a unique insight into early Indian mythology, religion and culture. This selection of 108 of the hymns, chosen for their eloquence and wisdom, focuses on the enduring themes of creation, sacrifice, death, women, the sacred plant soma and the gods. Inspirational and profound, it provides a fascinating introduction to one of the founding texts of Hindu scripture - an awesome and venerable ancient work of Vedic ritual, prayer, philosophy, legend and faith.

**Theater of Memory** Motilal Banarsidass

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

*Radio 2.0: Uploading the First Broadcast Medium* Bloomsbury Publishing

The Bhagavad Gita is an ancient Indian text that became an important work of Hindu tradition in terms of both literature and philosophy. The earliest translations of this work from Sanskrit into English were made around 1795 CE by Sir Charles Wilkins. The name Bhagavad Gita means "the song of the Lord".

It is composed as a poem and it contains many key topics related to the Indian intellectual and spiritual tradition. Although it is normally edited as an independent text, the Bhagavad Gita became a section of a massive Indian epic named "The Mahabharata", the longest Indian epic. There is a part in the middle of this long text, consisting of 18 brief chapters and about 700 verses: this is the section known as the Bhagavad Gita. It is also referred to as the Gita, for short.

*Krishna's Counsel in Time of War* Hachette India

The Bhagavad-Gita has been an essential text of Hindu culture in India since the time of its composition in the first century A.D.

One of the great classics of world literature, it has inspired such diverse thinkers as Henry David Thoreau, Mahatma Gandhi, and T.S. Eliot; most recently, it formed the core of Peter Brook's celebrated production of the Mahabharata.

**The Bhagavad Gita** Diamond Pocket Books (P) Ltd.

This is a collection of 46 essays by specialists in Asian literature, who offer a wide range of possibilities for introducing Asian literature to English-speaking students. It is intended to help in promoting multicultural education.

Oxford University Press

*Philosophy of The Bhagavad Gita: A Contemporary Introduction* presents a complete philosophical guide and new translation of the most celebrated text of Hinduism. While usually treated as mystical and religious poetry, this new translation focuses on the philosophy underpinning the story of a battle between two sets of cousins of the Aryan clan. Designed for use in the classroom, this lively and readable translation: - Situates the text in its philosophical and cultural contexts - Features summaries and chapter analyses and questions at the opening and end of each of the eighteen chapters encouraging further study - Highlights points of comparison and overlap between Indian and Western philosophical concepts and themes such as just war, care ethics, integrity and authenticity - Includes a glossary allowing the reader to determine the meaning of central concepts Written with clarity and without presupposing any prior knowledge of Hinduism, *Philosophy of the Bhagavad Gita: A Contemporary Introduction* reveals the importance and value of reading the Gita philosophically.

**Yoga: Discipline of Freedom** Hay House, Inc

With its systematic analysis of major themes, this *Comprehensive Gita Guide* represents a one-of-a-kind companion for beginners, advanced students and experienced scholars. With encyclopedic knowledge and an insider's understanding of the text, the author guides us in simple accessible prose to the very heart of the Gita's sublime conclusions.

**The Caurapañcasika Attributed to Bilhaṅga** Chelsea House

introduces the early history of Islam, from the life of the Prophet Muhammad to the collapse of the Islamic Empire in the early 10th century.

Philosophy of the Bhagavad Gita SUNY Press

*Mothers of Massive Resistance* tells the story of how white women shaped racial segregation in the South and postwar conservatism across the nation. Through their work in social welfare, public education, partisan politics, and culture, they created a massive resistance that spanned five decades, and continues to mobilize local communities and survive legislative defeat.

*White Women and the Politics of White Supremacy* Penguin UK

Malhotra's innovative translation is meant for all those students and general readers who are curious about issues pertaining to the existential predicament of humankind. He presents these enduring themes in a language that will be easily understandable to the newly initiated.

All That Glitters Piatkus Books

Discover the worldwide phenomenon of ThetaHealing® and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal's definitive guide. In 1995, Vianna Stibal was diagnosed with a serious health condition. When conventional and alternative medicine failed her, she discovered a simple technique that cured her illness and sparked a worldwide phenomenon. ThetaHealing® is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is - the energy in everything - to identify issues with and witness healings on the physical body, and to identify and change limiting beliefs. In this revised and updated edition, you will discover: - the belief and feeling work that can instantly change the thinking within you that creates illness - the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is - how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.

**The Gitagovinda of Jayadeva** ABC-CLIO

The Sanskrit Mahabharata is one of the most important texts to

emerge from the Indian cultural tradition. At almost 75,000 verses it is the longest poem in the world, and throughout Indian history it has been hugely influential in shaping gender and social norms. In the context of ancient India, it is the definitive cultural narrative in the construction of masculine, feminine and alternative gender roles. This book brings together many of the most respected scholars in the field of Mahabharata studies, as well as some of its most promising young scholars. By focusing specifically on gender constructions, some of the most innovative aspects of the Mahabharata are highlighted. Whilst taking account of feminist scholarship, the contributors see the Mahabharata as providing an opportunity to frame discussion of gender in literature not just in terms of the socio-historical roles of men and women. Instead they analyze the text in terms of the wider poetic and philosophical possibilities thrown up by the semiotics of gendering. Consequently, the book bridges a gap in text-critical methodology between the traditional philological approach and more recent trends in gender and literary theory. Gender and Narrative in the Mahabharata will be appreciated by readers interested in South Asian studies, Hinduism, religious studies and gender studies.
