## FOLEY ANGELICA

---

Frog in Winter Simon and Schuster

A collection of the late poet's only published book is joined with thirteen uncollected poems, with themes of transformation, suicide, and the eternal.

The Bad Mood and the Stick Random House

A cloud of nanoparticles programmed as a predator and capable of self-reproduction escapes from a Nevada laboratory and makes the human population its target.

**Final Fantasy Lost Stranger, Vol. 6** Turtleback Books

Frog is taken by surprise when winter comes. He doesn't understand why everything is covered with white and he skids and slips on the icy pond. He is too cold to take part in any of the joyous fun that Duck is having skating or that Hare is having throwing snowballs. The animals band together to equip Frog for enjoying winter, and later they share in his rejoicing when spring arrives. 'Frog is an inspired creation - a masterpiece of graphic simplicity.' - Guardian

Letters to a Stranger Balzer + Bray

Here back in a paperback edition are the complete set of manuscripts left by Twain, which after his death would be assembled into a bowdlerized version and published as *The Mysterious Stranger*.

Frog Random House

In these unforgettable stories, the acclaimed author of *Imagine Me Gone* explores lives that appear shuttered by loss and discovers entire worlds hidden inside them. The impact is at once harrowing and thrilling. An elderly inventor, burning with manic creativity, tries to reconcile with his estranged gay son. A bereaved boy draws a thuggish classmate into a relationship of escalating guilt and violence. A genteel middle-aged woman, a long-time resident of a psychiatric hospital, becomes the confidante of a lovelorn teenaged volunteer. Told with Chekhovian restraint and compassion, and conveying both the sorrow of life and the courage with which people rise to meet it, *You Are Not a Stranger Here* is a triumph of storytelling.

**Frog is Frog** Random House

In the very first story to feature the loveable amphibian, Frog is feeling most unwell. He keeps getting hot, then cold, and something inside his chest is going 'thump, thump'. Hare says it

means he's in love! But who with? And how can he show his devotion - perhaps by performing the biggest jump ever?

**Frog is Frightened** Random House

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

*The Stranger* Vintage

When Rat comes to live at the edge of their wood, the animals decide they don't like having a stranger in their midst. But Frog is friendly by nature, and decides to find out if Rat is really as unpleasant as he is made out to be. As Frog discovers, Rat is intelligent and good hearted, and proves in a series of unexpected emergencies that the other animals have been too quick to condemn him.

*Frog and a Very Special Day* Pioneer Drama Service, Inc.

A "sublime and gripping novel ... about hope: that within the world's messy pain there is still room for transformation and healing" (Madeline Miller, New York Times bestselling author of *Circe*), from the acclaimed author of *Cantoras*. "In the president's excruciating (and sometimes humorous) encounters with his strangely healing frog ... De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible." —The New York Times Book Review At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness for his nation. Now, as he talks to the journalist, he wonders if he should reveal the strange secret of his imprisonment: while held in brutal solitary confinement, he survived, in part, by discussing revolution, the quest for dignity, and what it means to love a country, with the only creature who ever spoke back—a loud-mouth frog. As engrossing as it is innovative, vivid, moving, and full of wit and humor, *The President and the Frog* explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and the president's lush gardens, the tale reaches beyond all borders and invites us to reimagine what it means to lead, to dare, and to dream.

**Frog is Sad** Random House

One autumn day Frog discovers a blackbird lying motionless in the grass. Worried, he asks his friends what can be the matter. Very gently and simply, then animals begin to understand the meaning of death and the beauty of life in this moving story.

**Wayside School Gets A Little Stranger** Paw Prints

When the stock market crashes on the Thursday before Easter, you—an ambitious, although ineffectual and not entirely ethical young broker—are convinced that you're facing the Weekend from Hell. Before the market reopens on Monday, you're going to have to scramble and scheme to cover your butt, but there's no way you can anticipate the baffling disappearance of a 300-pound psychic, the fall from grace of a born-again monkey, or the intrusion in your life of a tattooed stranger intent on blowing your mind and most of your fuses. Over these fateful three days, you will be forced to confront everything from mysterious African rituals to legendary amphibians, from tarot-card bombshells to street violence, from your own sexuality to outer space. This is, after all, a Tom Robbins novel—and the author has never been in finer form.

*The Stranger Next Door* Random House

While a family visits Grandma for the holidays, an unruly group of forest animals takes up residency in the empty home sparking a tradition they will honor for years to come.

*Prey* Orchard Books (NY)

The birds are the only animals that sing in the forest, but a frog with a powerful desire to make music gets his chance.

**Stranger in the House** Harper Collins

Frog is miserable, and he cannot see why. Nobody has upset him, and nothing has gone wrong particularly, but he still feels blue. Then one of his stalwart friends makes him laugh - and suddenly he realises he's not sad anymore. He still doesn't know why he was so sad in the first place, but it doesn't matter. A perfect book to explore emotions and mood swings with the under 5s.

*The President and the Frog* Univ of California Press

When Rat comes to live at the edge of their wood, the animals decide they don't like having a stranger in their midst. But Frog is friendly by nature, and decides to find out if Rat is really as unpleasant as he is made out to be. As Frog discovers, Rat is intelligent and good hearted, and proves in a series of unexpected emergencies that the other animals have been too quick to condemn him.

**Timothy Frog** Random House

NEW YORK TIMES EDITORS' CHOICE • "A powerful, heartbreaking, necessary masterpiece."—Cheryl Strayed, #1 New York Times bestselling author of *Wild* The moving story of what one woman learned from fostering a newborn—about injustice, about making mistakes, about how to better love and protect people beyond our immediate kin May you always feel at home. After their decision not to have a biological child, Sarah Sentilles and her husband, Eric, decide to adopt via the foster care system. Despite knowing that the system's goal is the child's reunification with the birth family, Sarah opens their home to a flurry of social workers who question them, evaluate them, and ultimately prepare them to welcome a child into their lives—even if it means most likely having to give the child back. After years of starts and stops, and endless navigation of the complexities and injustices of the foster care system, a phone call finally comes: a three-day-old baby girl named Coco, in immediate need of a foster family. Sarah and Eric bring this newborn stranger home. "You were never ours," Sarah tells Coco, "yet we belong to each other." A love letter to Coco and to the countless children like her, *Stranger Care* chronicles Sarah's discovery of what it means to mother—in this case, not just a vulnerable infant but the birth mother who loves her, too. Ultimately, Coco's story reminds us that we depend on family, and that family can take different forms. With prose that Nick Flynn has called "fearless, stirring, rhythmic," Sentilles lays bare an intimate, powerful story with universal concerns: How can we care for and protect one another? How do we ensure a more hopeful future for life on this planet? And if we're all related—tree, bird, star, person—how might we better live?

**Frog and the Wide World** Running Press Adult

A bullfrog in the Old West loses his hop in this lively tale where each page must be turned to complete the previous image.

*Once There Was a Bull...* Frog Bantam

Frog and his friends, Duck and Pig, don't believe in ghosts, until they all hear frightening noises in the dead of night. They huddle together for comfort in Pig's bed, but in the morning it is Hare who gets a real fright when he finds Frog's house empty and gets no answer at Pig's because the three friends are now fast asleep! 'Frog is an inspired creation - a masterpiece of graphic simplicity.' - Guardian

**Half Asleep in Frog Pajamas** A&C Black

A hungry frog finds his lunch when a fly happens by the pond.

*Frog Music Anchor*

A delightfully funny reinvention of the classic fairy tale "The Frog Prince," from author Veronica Bartles and illustrator Sara Palacios. Once upon a time there was a princess named Cassandra who had everything she could ever wish for...except a pet frog to be her best friend. So when the Royal Pet Handler finds her the perfect little green frog with bumpy brown spots,

Cassandra couldn't be happier. Until she gives her friend a good-night kiss and—WHOOSH!—he turns into a prince! But princes aren't pets. Cassandra wants a frog! Soon her castle is overflowing with princes, and if Cassandra doesn't find a way to fix the situation, her overcrowded castle might burst at the seams—and she may never have a frog of her own.
