 This irresistible little book offers a very different take on Vancouver, one of the world's most beautiful cities. Douglas Coupland applies his unique sensibility to everything from the Grouse Grind to glass towers, First Nations to feng shui, Kitsilano to Cantonese. Cleverly designed to mimic an underground Japanese magazine, this edition is fully updated and revised with riffs on Vancouver as a neon city, a land of treehuggers, and more.

When Ditmars first went to Iraq in 1997 for the "New York Times," she saw beauty, architecture, and music in the midst of despair. Ditmars traveled to Iraq again and again, reporting on every aspect of life. Featuring tales of her visits, this book captures the full humanity of a people who have suffered much yet have maintained a spirit of resilience. Photos.

From the leading independent travel and style magazine Cereal comes Cereal City Guide: London: a portrait of the English capital offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal's founders, travel extensively for the magazine and were inspired to create a series of city guides that highlight their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal's values, in both quality and aesthetic sensibility. Stapleton and Park have personally visited hundreds of venues in London, distilling their preferred locales down to their firm favorites. From the intimate local shops to the eclectic galleries that evoke London's dual sense of history and modernity, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: Photo essays of striking images of the city An illustrated neighborhood map Interviews and essays from celebrated locals such as architectural designer John Pawson, fashion designer Margaret Howell, and more Lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy An itinerary for an ideal day in London Cereal City Guide: London is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, hotels, restaurants, and shops.

As a new year approaches, a twenty-four-year-old woman leaves her unfulfilling life in England to pursue her goal of moving to Vancouver Island, Canada. Upon arrival, she encounters the challenges of adjusting to her new environment, advancing her career, and navigating an unstable relationship. Faced with unexpected struggles, she finds herself on a journey to discover and develop her sense of worth in a foreign country. An honest portrayal of moving overseas and a candid look at the complexity of human relationships, Trail of Worth explores the intertwining elements that influence how we perceive ourselves during the quarter-life period.

From the bestselling author of *Tides of Honour and Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

Until the 1980s, Vancouver was a typical mid-sized North American city. But between Expo 86 and the Olympic Games in 2010, something extraordinary happened. This otherwise unremarkable city underwent a radical transformation that saw it emerge as an inspiring world-class metropolis celebrated for its livability, sustainability, and competitiveness. City-watchers everywhere took notice and wanted to learn more about this new model of urban growth, and the term "Vancouverism" was born. This book tells the story of Vancouverism and the urban planning philosophy and practice behind it. The author is a former chief planner of the City of Vancouver and was a key player at the heart of the action. Writing from an

insider's perspective, Larry Beasley traces the principles that inspired Vancouverism and the policy framework developed to implement it. The prologue, written by Vancouver journalist Frances Bula, outlines the political and urban history of Vancouver up until the 1980s. The text is also beautifully illustrated by the author with more than 200 colour photographs. Cities everywhere are asking the same question. Shall we shape change or will change shape us? This book shows how one city discovered positive answers, and it offers the principles, tools, and inspiration for others to follow.

Margot Moss, a gregarious and witty woman, lives her life with abandon. She knows exactly what she wants and isn't afraid to pounce after it with full-throttle ferocity. Although, she can't quite seem to get it right. When a coveted promotion falls through, Margot finds herself struggling to actualize her dreams and is forced to reconsider her so-called fabulous future. However, when one catwalk ends, another begins. A job in New York City comes knocking and Margot doesn't hesitate to seize the opportunity, setting out on a wild adventure towards love, success, and self-discovery. Unfortunately, nothing is how she imagined it—not the company, the city, or the people. Awaiting Margot is a drama-addicted boss who may or may not be out to get her, and a whirlwind of wealthy men, scams, and scandals. Caught in a cotton candy cloud of sparkling rosé, Margot determinedly navigates her (many) dilemmas with the help of her saucy friends and a healthy dose of buzz-worthy gossip. Yet, as if that weren't enough, Margot's life is made even more complicated when a steamy new beau enters the picture—and even he isn't what he seems. Overflowing with fashion and champagne bubbles, *The Manhattan Mishap* is a hilarious, stylish, and heartfelt novel that oozes confidence and reminds us that leopards never truly change their spots.
