**Get the Guy** Harper Collins  
When I'm Your Fan: The Songs of  
Leonard Cohen hit stores in 1991,  
Leonard Cohen's career had plummeted  
from its revered 1960s high. Cohen's  
record label had refused to release his  
1984 album Various Positions--including  
the song "Hallelujah"--in the United  
States. Luckily, Velvet Underground  
founder John Cale was one of the few  
who did hear "Hallelujah," and he

covered it for I'm Your Fan, a collection  
of Cohen's songs produced by a French  
fanzine. Jeff Buckley adored the tribute  
album and covered Cale's cover in 1994,  
never having heard Cohen's still-obscure  
original version. In 2016, Stereogum  
labeled the tribute album "possibly the  
most universally derided format in pop  
music." However, without a tribute  
album, you wouldn't know the song  
"Hallelujah." Through Buckley through  
Cale, "Hallelujah" is now one of the most  
often-performed songs in the world--and  
it wouldn't be without this tribute album.  
I'm Your Fan thus offers a particularly

notable example of a much broader truth: Despite all the eye-rolling they inspire, tribute albums matter. They can resuscitate legends' fading careers, or expose obscure artists who never had much of a career to begin with.

Various Artists' I'm Your Fan: The Songs of Leonard Cohen Harper Collins

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find

and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . .

Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

The Great Mental Models, Volume 1 BoD  
– Books on Demand

*Is This Your Man* is designed to help you spot the wrong man coming from "3 miles" away. This book will give you a checklist and a blueprint to learn how

and why men cheat, why men refuse to explain why it's over, how to determine if a man is really serious, the reason they send confusing mixed signals and why they delay marriage. You will read about Real Men telling Real Stories; the names of these men willing to tell their stories have been changed to protect their identities. With that being said, the men fully exercise their freedom to speak candidly and honestly about how they romance, flatter, manipulate, confuse and deceive women. If you're dating a Total Package, an Online Player, a Baby Boy, a B.S.er, a C.E.O. or a Chameleon, Is This Your Man will give you the insight to recognize the type of man you are currently dating, will date, and most importantly, should not date. You will also learn how to decipher which

ones are the keepers that could lead to a sustainable healthy relationship. No matter what stage you are in on your dating journey, Is This Your Man is a self-help relationship book that is both informative and entertaining. This book is going to give you the answers to all of your questions, but also give you the answers to the questions you didn't even know to ask. So if you are tired of being on the dating roller-coaster and can't figure out what you're doing wrong or you're just looking for an enjoyable read, Is This Your Man is the book for you. So, the question is.....Is This Your Man?

**Book of Longing** Everyman's Library  
NEW YORK TIMES BESTSELLER • “For all those who have lived with Vonnegut in their imaginations . . . this is what he is

like in person.”–USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age–or any age–holds forth on life, art, sex, politics, and the state of America’s soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut’s passions. Praise for *A Man Without a Country* “[This] may be as close as Vonnegut ever comes to a memoir.”–Los Angeles Times “Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut’s] crankiness is good-humored and sharp-witted. . . . [Reading

*A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend.”–The New York Times Book Review “Filled with [Vonnegut’s] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity.”–Chicago Tribune “Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity.”–The Australian “Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family’s legacy and his obstinate, unfashionable humanism.”–Studs Terkel  
*The Great Gatsby* McClelland & Stewart  
 Through a thoughtful and insightful

study of Esther's life, Hammond shows women biblical principles for building and enhancing unity and passion. Married and single women will discover: how women can bring joy and wisdom into people's lives, ageless beauty secrets to promote and maintain attractiveness, and God's unique design for women.

The Spice-Box of Earth Firefly Books

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Ballantine Books

Meet Garrett: 30-year-old computer

geek, master of irrational optimism, and serial-kisser of women who (it turns out) don't like him that way. After three blurry years of business travel and inadvertent celibacy, Garrett is so ready for a serious relationship that he's a little bit dangerous. Inspired by a romantic near-miss on a flight home to Seattle, Garrett hurls himself into the deep end of the dating pool, determined to find happiness no matter how miserable it makes him. Too bad the women he falls for don't share his sense of urgency: Froot Loop sculptress April worries she's warping his personality, cynical attorney Corinne suspects he likes her too much, and upstairs neighbor Meryl just wants to be friends. Garrett refuses to give up though... well, at least until he does. But sometimes, after you've finally

abandoned hope, you find that someone else hasn't given up on you. "With wit, heart and intelligence, Derek Gentry's Here Comes Your Man reminds readers that you never know what is around the next corner or on the next page. Those who enjoy Nick Hornby will devour this book." -Eileen Cook, author of Getting Revenge on Lauren Wood

### **Poems and Songs: Cohen**

RosettaBooks

Hi I am Carlos Bernard... I have worked within the High Tech Industry as a Quality and Operations expert for the majority of my life. I specialize in fostering and developing customer relationships. I have worked with Fortune 500 companies whose revenues are in the billions. I have come to find a simple truth about relationships. Whether it's

for customers that are building multi-billion dollar communications infrastructure or simply selling tomatoes. People like doing business with people they like. Customers develop strong relationships with companies that respect them and most importantly have a concern for their success. Successful companies don't sell products; they sell solutions. The sweet spot is to become a consultant and advisor rather than becoming a supplier. Take a look at the major malls across the world. There is a dominant high tech player that showcases their products where you can interact with them. It also has tons of employees who are on site to assist you with any questions that you may have about their products. They are eager to help you and don't disrespect you should

you not be tech savvy. I have always walked away with a very positive experience when working with their employees. I feel like they really care about me and want me to succeed. I in turn reward them with money, by purchasing their products. You can probably guess who they are. So how does success in the business world lead to success in your interpersonal relationships? They both share a common characteristic; they both deal with people. If you want to be successful in business you have to be good with people. If you want to have a successful relationship you need to be in the people business with your man I have gone through the multiple books out there that provide you with simple easy steps on how to fix or flip something in

someone else. I find these types of strategies interesting. We all know that true change comes from within, and that you have the power to influence your environment on how you perceive the world around you. And I'm here to tell you that there's no easy way or magical recipe to fix or strengthen your relationship. Relationships are hard and complex. They take time to build up and they have a life of their own. And most importantly they need maintenance. So what are we to do if there is no simple fix? We can look for a tool that will assist us and strengthen us in our journey to build and maintain your relationship. There is a tool that you can harness that is time tested and centuries old. It has helped build empires and toppled governments. There is power in your

words. The bible speaks of the power of your words; words can choose life or death. Recall the old saying sticks and stones may break my bones, but words will never hurt me. Words have the power to scar people for life or have the power to uplift someone's soul. What you'll discover in this remarkable book is the ability to build up your man by using respect, love and gentleness. He will come to realize that you are just more than someone he shares things with, but as powerful ally that will help him become a better person. The change that is needed is not from him but from you. You will come to understand the struggles that men face and come to appreciate their deep desire to provide and please you. The secret on changing your perspective and how he reacts to

your words of encouragement and praise can all be summed up with learning how to treat your man better than your own dog. Getting the best out of your man is not that far removed from getting the best out of your dog. You want Love, Romance, and your Soul Mate. Your man wants to be Respected and Successful. My desire is that this book will strengthen an already strong relationship and help those who want more from their man. I pray that you become the instrument of change for your man. All of this for less than a good cup of coffee.

[Here Comes Your Man](#) Colchis Books  
 You Shouldn't Need a Life-Threatening Illness to Reclaim Your Relationship! For Kenya Stevens, that is what it took. Married at age 21 to a man she had met

on a blind date a few months earlier, Kenya's early years with Carl were fraught with conflict-troubles that she now understands had a lot to do with her own need to dominate and be in total control. Then came a bout with a particularly nasty, often-fatal illness, and everything changed. No longer able to control and dominate, Kenya turned to her mate. Forced to dig deeply and become vulnerable, she built her way back to physical and emotional health. Kenya and Carl healed their own relationship utilizing a diverse background in powerful healing, self-help, and spiritual/metaphysical disciplines from yoga to music to Feng Shui to the Law of Attraction. It wasn't long before Kenya started sharing her insights with other women and couples.

As CEO of JujuMama LLC ([www.jujumama.com](http://www.jujumama.com)), she and Carl lead seminars and provide individual and group sessions. Carl has written a companion book for men, *Tame Your Woman*. In this life-changing book you will learn... How both partners can embrace both the feminine and the masculine within themselves and each other. How to phrase criticism in non-blaming, positive ways that inspire action. How to focus on what you want to attract, and stay away from what you want to drive away-and the ways this can help you shape your man's behavior. [Is This Your Man?](#) Anchor The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's *Love Signs* addresses the question asked by

everyone familiar with astrology: How do I relate to someone of another sign? Each sign is “related” to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman’s lively bestseller, which has introduced millions to the concept of astrological compatibility. “What seems to set Goodman’s books apart from other stargazing guides is their knowledgeable approach and comprehensive reach.”  
—Newsweek

*The Tell-Tale Heart* McClelland & Stewart  
A young woman holds her newborn son  
And looks at him lovingly. Softly she  
sings to him: "I'll love you forever I'll like  
you for always As long as I'm living My

baby you'll be." So begins the story that has touched the hearts of millions worldwide. Since publication in 1986, *Love You Forever* has sold more than 15 million copies in paperback and the regular hardcover edition (as well as hundreds of thousands of copies in Spanish and French). Firefly Books is proud to offer this sentimental favorite in a variety of editions and sizes: We offer a trade paper and laminated hardcover edition in a 8" x 8" size. In gift editions we carry: a slipcased edition (8 1/2" x 8 1/4"), with a laminated box and a cloth binding on the book and a 10" x 10" laminated hardcover with jacket. And a Big Book Edition, 16" x 16" with a trade paper binding.

I'm Your Man McClelland & Stewart

*A Man Without a Country* HarperCollins

Eleven-year-old Benny Feldman spends his days at Sieberling School obeying his number-one rule for surviving sixth grade: blend into the background. So when he signs up his klezmer band to play in the school talent show, his classmates are shocked. Teased by

guitar superstar and former friend Jason Conroy, Benny vows to win the trophy and erase the embarrassing nickname that has haunted him since his disastrous debut performance in an first-grade Sabbath play. But, there is a problem. Benny Feldman's All-Star Klezmer Band is only a figment of Benny's imagination. He loves the traditional klezmer music of Eastern Europe, but how is he going to find other players to join him? With the show a few months away, Benny, an accomplished fiddler, embarks on a quest to assemble a band that will beat Jason's rock group at the talent show. His search takes him to an arcade convention, a potato chip factory, an oddities shop, and a storage room stacked with cans of creamed corn and succotash. Along the way he meets

Jennifer, a jazz-loving drummer; Royce, a bow-tie-wearing clarinet prodigy; and Stuart, a braggart accordion player from Cajun Country. He also learns a great deal about the joys and sorrows that lie at the heart of klezmer and discovers that being different can be wonderful. Eventually, the ragtag and renamed "Klez Misfits" mount the stage and the tension-filled climax will have young readers wondering until the end if Benny and his band can pull off a miracle. This fun, feel-good story shows how friends, family, history and culture can all build confidence. Benny learns to believe in himself and has fun and finds love along the way.

**I'm Your Man** SAMPI Books

A vibrant picture book celebrating the strength of community and the tastes of

summer from Latin Grammy-winning musician Lucky Diaz and celebrated artist Micah Player. Ring! Ring! Ring! Can you hear his call? Paletas for one! Paletas for all! Kilmer shares the stories behind his most beloved roles, reminisces about his star-studded career and love life, and reveals the truth behind his recent health struggles. Kilmer has played so many iconic roles over his nearly four-decade film career, but here he steps out of character and reveals his true self. While containing plenty of tantalizing celebrity anecdotes, the book is ultimately a deeply moving reflection on mortality and the mysteries of life. -- adapted from jacket  
*I'm Your Man* Macmillan

WITH A NEW AFTERWORD BY THE AUTHOR The definitive biography of the late Leonard Cohen - singer-songwriter, musician, poet, and novelist. The genius behind such classic songs as Suzanne, So Long, Marianne, Bird on the Wire and Hallelujah, Leonard Cohen has been one of the most important and influential songwriters of our time, a man of spirituality, emotion, and intelligence whose work has explored the definitive issues of human life - sex, religion, power, meaning, love. *I'm Your Man* explores the facets of Cohen's life. Renowned music journalist Sylvie Simmons draws on Cohen's private archives and a wealth of interviews with many of his closest associates, colleagues, and other artists whose work he has inspired. Containing exclusive

material and interviews, this is the biography to buy on Leonard Cohen. *Cover Me* Rutgers University Press  
 NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion

to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

**What Shamu Taught Me About Life, Love, and Marriage** HarperCollins

"A music-snob's dream come true . . . One of the best multi-subject music books to come down the pike in years . . . a fresh and deeply informed approach." —Variety A great cover only makes a song stronger. Jimi Hendrix's version of Bob Dylan's "All Along the Watchtower." The Beatles rocking out with "Twist and

Shout." Aretha Franklin demanding "Respect." Without covers, the world would have lost many unforgettable performances. This is the first book to explore the most iconic covers ever, from Elvis's "Hound Dog" and Joe Cocker's "With a Little Help from My Friends" to the Talking Heads' "Take Me to the River" and Adele's "Make You Feel My Love." Written by the founder of the website [covermesongs.com](http://covermesongs.com), each of the nineteen chapters investigates the origins of a classic cover—and uses it as a framework to tell the larger story of how cover songs have evolved over the decades. *Cover Me* is packed with insight, photography, and music history. "Delves into the complicated legacy of artists performing other people's music . . . his research adds fresh context and

intriguing background to many of these songs . . . Astute ruminations on evolving cultural perceptions of the

cover's place in the music canon." —AV Club "This engaging nostalgia trip is sure to appeal to discophiles and cultural historians." —Library Journal
