## **NADIA ISABEL**

**Claimed** Hachette UK  
In our years together,  
I've heard all the  
rumors, faced all the  
dark secrets, and  
survived the danger  
that comes hand-in-  
hand with loving a  
powerful magnate like  
Damien Stark. Now  
we're ready to  
celebrate our legacy

and turn our eyes  
toward the future by  
renewing our wedding  
vows. I didn't expect  
anyone to object...  
Especially not the son  
my husband never  
knew existed. But he's  
here, he's real, and  
he's absolutely livid.  
Our vows of love and  
fidelity are forgotten as  
this wayward heir  
instead promises to  
destroy everything we  
hold dear, everything  
that should have

belonged to him instead of my children. Our world falls to chaos, Damien is wrecked, and I don't know where to turn. What might this unexpected blast from the past mean for our family's future?

BESTSELLER • For fans of *Release Me* comes a series of three enigmatic and powerful men, and the striking women who can bring them to their knees. I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust.

And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other

was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. Heated is intended for mature audiences. **FIRST TIME IN PRINT: THE BONUS STORY "TAKE ME"** Praise for Heated "A steamy story with a dark edge. Recommended for those seeking crime drama with spice."—Library Journal "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her Most Wanted series goes a long way toward solidifying that claim. Her characters' scorching, scandalous

affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more."—RT Book Reviews "The plot is complex, the characters engaging, and J. Kenner's passionate writing brings it all perfectly together."—Harlequin Junkie "In Julie Kenner's typical masterful storytelling, nothing is as it seems. We are taken deeply into the plot twists and the danger of this . . . journey. The chemistry first felt by both Tyler and Sloanne during their first encounter roars into an all-

consuming fire neither one can put out. . . . Take the same journey I did and you will not be disappointed!”—As You Wish Reviews

Jackson Steele and Sylvia Brooks are back in the powerful finale of a provocative, sizzling-hot trilogy set in the world of J. Kenner’s beloved Stark novels: *Release Me*, *Claim Me*, and *Complete Me*. He’s the only man I’ve ever loved, and the one man I can’t bear to lose. Jackson Steele is my light in this world. Charismatic, bold, and always in control, he knows what he wants and how to get it—and absolutely nothing stands in his way. His hold on me is magnetic, his claim on me complete, his kiss

my ultimate escape. We both harbor dark secrets that could tear our lives apart. Though we’ve tried to bury our pasts, there are certain people who won’t let us forget. But the closer danger comes, the brighter the fire between us burns—our ecstasy consuming and soothing us both. There’s no telling what lies ahead, but I know that Jackson never gives in without a fight. I’d do anything he wants to keep him safe, give him anything he needs. And now that we’re in deep, nothing can make me run. Praise for *Under My Skin* “Intense . . . blistering in its sensuality . . . Fans of [J.] Kenner’s sizzling and emotional Stark International trilogy will find plenty to savor in this finale, as her

troubled and passionate protagonists battle to save each other from the darkness that threatens to tear them apart.”—RT Book Reviews “Red-hot and angsty . . . Kenner keeps readers guessing about who was responsible for Reed’s death until the very end, punctuating the story with hot and explicit sex scenes, questions about who’s trying to destroy the resort project that could make Sylvia’s career, and a red herring or two.”—Publishers Weekly “Kenner does a wonderful job of displaying both Jackson’s and Sylvia’s secrets, pains, insecurities and the mechanisms they use when the stress is overwhelming. . . . A

great series about determination, strong personalities, perseverance and standing strong under adversity. . . . A wonderful read!”—Fresh Fiction “This trilogy has everything readers look for in a series. . . . It’s loaded with intrigue, mystery, conflict, and a powerful cast of supporting characters. At the same time it is a tender, beautiful romance between two people that have struggled with their pasts. . . . This book was intense, heartbreaking, emotional, and a page-turner.”—Smut Book Junkie “Filled with all of the drama and seduction I have come to expect and love from J. Kenner, *Under My Skin* was a crazy-

hot story that left me completely satisfied with our characters' HEA."—Harlequin Junkie "Amazingly well written with detailed and complicated characters who are full of raw emotion, passion, and intensity . . . When Jackson and Sylvia are intimate, their passion is explosive and filled with wild desire. . . . The Stark International Trilogy is a must-read!"—About That Story "This story has all the passion, love, heat, and nitty gritty, provocative sex you have come to love from the first two books."—Itsy Bitsy Book Bits "Kenner mixes a hot alpha man with a murder accusation, sabotage and sex so hot you'll fall to your knees. . . . And throughout it all a

thread of heat sizzles just underneath every single scene."—Obsessed with Myself

My wicked sense of humor has made me a local celebrity, but no one knows how much pain lies behind those jokes. Especially not the women who frequent my bed, because I never get too close. And I never let a woman see the real man, only the radio personality. Then I met her. Shelby Drake. Career-focused, goal-oriented, and completely buttoned-down, the shy accountant isn't the kind of woman I'd usually notice. But her soft mouth, hidden curves, and deep sensuality blow my mind. when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as

a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read!
