Princesses C&T Publishing

Inc

For the child who loves

dolls, for the adult who cherishes dolls, the most sumptuous celebration ever in an exquisite, multidimensional presentation, featuring pop-up period dollhouses, secret letters, hidden pictures and more. Meet Albert and Lucinda, Kristen, Oscar, Hattie and more, enchanted dolls who inhabit a magical series of homes, from a Tudor mansion to a twentieth century villa, finding adventure and secrets to discover, dances to attend, and parties to give in each

era. Can it be a surprise that over the many centuries a gentle romance has blossomed between Albert and Lucinda? Pages are crammed with doll lore and historical detail. Lovingly rendered, highly detailed drawings of dolls, their clothing and furnishings, accessories and accoutrements grace each page and spread. Each of the four dimensional dollhouses just begs for readers to peek through windows and doors or lift away the walls to find hidden

details and characters. Tactile treats are everywhere: journals to open, letters to pull out and read, jewelry boxes to explore, fabric to touch, and much, much more. A Children's Book-of-the-Month Club Main Selection as well as crossover selection of several BMOC adult clubs. R. John Wright Five Mile Press [This series] is for kids who can appreciate a little more action and a lot more voice in their reading. (There's more than a hint of Lemony

Snicket's dark hilarity in Gutman's writing.)—Jenny Rosenstrach, *The New York Times* It's Christmas once again. But this year, Dumpster Dog and Flat Cat have decided they're going to celebrate in a house instead of their trash can! But can they find a home for Christmas? Enter the Noel family. Dumpster Dog scratches at their door, which is opened by the young Marie. How wonderful, she thinks, to finally have a disgustingly dumpy dog to leave under the tree for my brother.

With that, she opens the door... *LEGO Disney Princess Enchanted Treasury* Sixth & Spring Books Newbery Honor-winning author McKissack and Caldecott Medal-winning illustrator Pinkney have outdone themselves in this heart-warming picture book infused with humor and the true spirit of Christmas. Christmas always comes to Nella's house, but Santa Claus brings gifts only once in a while. That's because it's the Depression and Nella's family is poor.

Even so, Nella's hoping that this year she and her two sisters will get a beautiful Baby Betty doll. On Christmas morning, the girls are beside themselves with excitement! There is Baby Betty, in all her eyelash-fluttering magnificence. "Mine!" Nella shouts, and claims the doll for herself. But soon she discovers that Baby Betty isn't nearly as much fun as her sisters. Would it be more fun to share this very best gift with them after all?

When Roland Fargo Crump Jr. was born in 1930, who could have foreseen that so many of his creative endeavors would bring smiles to millions of people? A fortune teller's window above Disneyland's Main Street U.S.A. provides some retroactively clairvoyant insight into

the amazing reach of the 90-year-old artist's legacy of imagination. At "The Happiest Place on Earth," Rolly's iconic environmental creations (including the joyfully clock above Small World) have delighted visitors young and old for well over half a century and counting... tick... tock. Rolly was a master mischiefist in all of his endeavors. From his family-friendly Disneyland creations to his counter-culture Beatnik designs, the art of surprise was as much a part of his

repertoire as were drawing, painting, and sculpting. No matter the medium, humor played a major part in Rolly's artistic alchemy. In his early days at Disney Animation, Rolly made an array of ornamental propellers from metal eraser clips. What started as a creative pastime turned into an in-studio art exhibition and eventually led to the creation of the colorful "Tower of the Four Winds" for the 1964-1965 New York World's Fair and the twirling gold whirligigs

and ever-spinning thingamajigs that adorn the famous façade of "It's a Small World" at Disneyland. Rolly's creative sorcery has always had a way of spiraling upward and outward to transform simple ideas into grand accomplishments.

Highlighting a selection of artists who eschew the cold, minimalist aesthetic that afflicts contemporary art, this book explores the truly sinister, hyper-real, and riotous blend of pop culture, fine art, and surrealism that is Neo-Gothic art. Associated with punk and dark fantasy, yet distinct from

both, these risk-taking artists are represented with a selection of hundreds of amazing paintings from the U.S. and European Neo-Gothic scene. Every painting is captioned in detail, many with explanations of the cutting-edge digital media with which they were created.
