Random House Books for Young Readers
A sequel to Gaston Leroux's *The Phantom of the Opera* in which the disfigured Phantom goes to America. He builds the world's greatest opera house, hoping to lure his love, the opera diva who rejected him in Paris. By the author of *The Day of the Jackal*.

Sing Me Forgotten Hal Leonard Corporation

A chilling ghost story with a twist: the New York Times bestselling author of *The Winter People* returns to the woods of Vermont to tell the story of a husband and wife who don't simply move into a haunted house--they build one . . . In a quest for a simpler life, Helen and Nate have abandoned the comforts of suburbia to take up residence on forty-four acres of rural land where they will begin the ultimate, aspirational do-it-yourself project: building the house of their dreams. When they discover that this beautiful property has a dark and violent past, Helen, a former history teacher, becomes consumed by the local legend of Hattie Breckenridge, a woman

who lived and died there a century ago. With her passion for artifacts, Helen finds special materials to incorporate into the house--a beam from an old schoolroom, bricks from a mill, a mantel from a farmhouse--objects that draw her deeper into the story of Hattie and her descendants, three generations of Breckenridge women, each of whom died suspiciously. As the building project progresses, the house will become a place of menace and unfinished business: a new home, now haunted, that beckons its owners and their neighbors toward unimaginable danger.

From the bestselling author of *In Her Shoes*, *All Fall Down* and the forthcoming novel *Who Do You Love*, Good in Bed is a funny and tender story full of heart. *Cannie Shapiro* never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for *Cannie*. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend *Bruce*. But now this... 'Loving a larger woman is an act of courage in our world,' *Bruce* has written in a national woman's magazine. And

Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

Many people who work on Broadway keep scrapbooks of their experiences, with photos, signed posters, ticket stubs, and of course Playbills. Playbill Books has expanded this idea into an annual project that is becoming a Broadway institution: The Playbill Broadway Yearbook. Taking the form of a school yearbook, the third edition is packed with photos and memorabilia from the 2006-2007 Broadway season. The new edition includes chapters on all 67 Broadway shows that ran during the season - new shows like *Curtains* and *Spring Awakening* as well as long-running ones like *Wicked*. In addition to headshots of all the actors who appeared in Playbill, the book has photos of producers, writers, designers, stage managers, stagehands, musicians - even ushers. The Playbill Broadway Yearbook also has a correspondent on each production to report on inside information: opening-night gifts, who got the Gypsy Robe, daily rituals, celebrity visits, memorable ad-libs, and more. Correspondents range from dressers and stage doormen to stage managers, dancers, featured players, and even stars of the shows.

Proving the mask isn't hiding a madman is probably hopeless, but preventing his past from destroying their love-may just be impossible...Four years ago Paris was under siege by Erik the murderously vengeful Phantom of the Opera, who

That is, until a good Samaritan begins leaving strange packages, awakening both his deepest desire and most forbidden fear-love. Anna has no way to escape the memories of her past or her bonded servitude to the owners of the Opera Garnier. Ministering to the less fortunate is the only bright light in an otherwise dark existence. But Erik's powerful obsession with Christine and a deadly con that puts everything she knows at risk pushes her to face terrifying choices. Before lies and the legend of the "opera ghost" threaten the lives of any more people, Erik fights to control his demons and tame a heart torn between two women. Desiring normality is difficult enough with a price on his head, but when Erik is falsely accused of killing Philippe de Chagny, brother of his nemesis Raoul, he is launched toward madness. With the past weeping like an open wound, can

love endure or will it take memories of one unlikely man to heal them all? The Nether Cambridge University Press For months, socially withdrawn Dr. Brent Carson has been reading about women being abducted throughout the city, the most recent article revealing how all of them may have been practitioners of witchcraft. Out of curiosity, Brent decides to personally investigate what is going on, but is distracted when four friends move to the city, all of whom he knows to be werewolves - except for Angela Dane, who is only half. Angela is an energetic, talented and very spirited girl. She is extremely close and loyal to her friends, but the first moment Brent sees Angela, there is something about her he finds disturbing. He cannot understand why, but his first reaction towards her is one of hatred, inexplicably feeling as if she shouldn't even be alive. That night, Angela is attacked by a psychotic demon, one who has been stealing paranormal beings for centuries and taking them to hell for his personal version of trafficking. The demon almost claims her as his newest prize, only to have his interests quickly switch to Brent the moment he learns of his true identity.

Harper had a plan. It went south. Hand this utterly unique contemporary YA to anyone who loves ballet or is a little too wrapped up in their Plan A. (It's okay to fail, people!) Harper Scott is a dancer. She and her best friend, Kate, have one goal: becoming professional ballerinas. And Harper won't let anything—or anyone—get in the way of The Plan, not even the boy she and Kate are both drawn to. Harper is a Scott. She's related to Robert Falcon Scott, the explorer who died racing Amundsen and Shackleton to

the South Pole. Amundsen won because he had a plan, and Harper has always followed his model. So when Harper's life takes an unexpected turn, she finagles (read: lies) her way to the icy dark of McMurdo Station . . . in Antarctica.

Extreme, but somehow fitting—apparently she has always been in the dark, dancing on ice this whole time. And no one warned her. Not her family, not her best friend, not even the boy who has somehow found a way into her heart. It will take a visit from Shackleton's ghost--the explorer who didn't make it to the South Pole, but who got all of his men out alive--to teach Harper that success isn't always what's important, sometimes it's more important to learn how to fail successfully. A Kids' Indie Next List Selection "Longo makes Harper a standout character of fire, commitment, and sass." —The Bulletin, Starred Review "A stunning love letter to ballet and San Francisco, Jennifer Longo's (Six Feet Over It) quirky sophomore novel, Up to This Pointe, is the perfect meld of adorable and heart-wrenching." —Shelf Awareness, Starred Review "One of the most breathtaking explorations of navigating heartbreak that I've ever read. This is one for the ages." —Martha Brockenbrough, author of The Game of Love and Death "Longo's book brings the reader intimately into Harper's heartbreak and healing in a way that will speak to readers of all ages." —Anna Eklund, University Book Store, Seattle, WA "Incisively written. —Publishers Weekly "A moving love letter to dance, dreams, and San Francisco." —Kirkus Reviews "Harper is a well-developed, relatable character. Her

inner monologue is witty and dominates most of the novel, giving a unique perspective. . . . A recommended read for determined teens with an interest in following and exploring their dreams."

—School Library Journal "Harper's temporary Antarctic life is evoked with as much vivid, fascinating detail as her 'second home,' the ballet studio. . . . An affecting, memorable examination of disappointment and loss." —The Horn Book Review "Longo's fabulous depiction of McMurdo and the winter residents captures the beauty, humor, and danger of such an isolated existence. An adventure story with lots of heart."

She and Eric invite Iris to join their Monster Club, where they dream up ways to defeat all manner of monsters. Before long, Iris begins to come out of her shell. She and Vi and Eric do everything together: ride their bicycles, go to the drive-in, meet at their

clubhouse in secret to hunt monsters. Because, as Vi explains, monsters are everywhere. 2019: Lizzy Shelley, the host of the popular podcast *Monsters Among Us*, is traveling to Vermont, where a young girl has been abducted, and a monster sighting has the town in an uproar.
