Willow Taylor lives in a castle with large walls and iron fences. But this is no ordinary castle. It's called Heartstone Psychiatric Hospital and it houses forty other patients. It has nurses with mean faces and techs with permanent frowns. It has a man, as well. A man who is cold and distant. Whose voice drips with authority. And whose piercing gray eyes hide secrets, and maybe linger on her face a

second too long. Willow isn't supposed to look deep into those eyes. She isn't supposed to try to read his tightly-leashed emotions. Neither is she supposed to touch herself at night, imagining his powerful voice and that cold but beautiful face. No, Willow Taylor shouldn't be attracted to Simon Blackwood at all. Because she's a patient and he's her doctor. Her psychiatrist. The medicine man. NOTE: A STANDALONE novel set in the Heartstone world. KEYWORDS: Forbidden romance, age gap romance, older man younger woman romance, angsty romance, patient doctor romance, alpha male romance, coming of age romance, opposites attract romance, grumpy hero sunshine heroine Bola-Bola Andrews McMeel Publishing Since Aristotle, genre has been one of the fundamental concepts of literary theory, and much of the world's literature and criticism has been shaped by ideas about the nature, function and value of literary genres. Modern developments in critical theory, however, prompted in part by the iconoclastic practices of modern writers and the emergence of new media such as film and television, have put in question traditional categories, and challenged the assumptions on which earlier genre theory was based. This has led not just to a reinterpretation of individual genres and the development of new classifications, but also to a radically new understanding of such key topics as the mixing and evolution of genres, generic hierarchies and genre-systems, the politics and sociology of genres, and the relations between genre and gender. This anthology, the first of its kind in English, charts these fascinating developments. Through judicious selections from major twentieth-century genre theorists including Yury Tynyanov, Vladimir Propp, Mikhail Bakhtin, Hans Robert Jauss, Rosalie Colie, Fredric Jameson, Tzvetan Todorov, Gérard Genette and Jacques Derrida, it demonstrates the central role that notions of genre have played in Russian Formalism, structuralism and post-structuralism, reception theory, and various modes of historical criticism. Each essay is accompanied by a detailed headnote, and the volume opens with a lucid introduction emphasising the international and interdisciplinary character of modern debates about genre. Also included are an annotated bibliography and a glossary of key terms, making this an indispensable resource for students and anyone interested in genre studies or literary theory.

"The merry month of May has always been

famous for its propitious influence over the voluptuous senses of the fairer sex." Walter travels to his uncle's estate for a month of rest and recreation. There he meets Annie, Sally, Polly, and a certain Rosa Redquim. Walter's vacation is transformed into a never-ending sex orgy ... Before internet porn, before porn videos, before porn movies, people lusting for raunchy, X-rated entertainment read pornographic books and magazines. Victorian and Edwardian England had its own adult entertainment industry - countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers - in more ways than one. Written by an anonymous author, "Sub-Umbra, or Sport Among the She-Noodles" was first published in 1879, in the first issue of the British underground magazine *The Pearl*. This raunchy tale is a slice of classic of Victorian erotica.

A Sicilian Marriage Sleeping Dragon Books

Doomed from the start... Nikos Demakis and Cassia Andrade were married under a billion-dollar company merger contract. Nikos isn't ready to give up his playboy lifestyle, and Cassia is far from the glittering socialite that their elite circle expects. Events force them to live separate lives. Ten years later, Nikos is ready to give it all up and settle down with the wife he only sees once a year. Cassia is also ready to settle down...just not with Nikos. Will Cassia once again surrender herself to the man who scarred her forever? Or will she give up her inherited fortune to leave and never look back? Will they still be able to fulfill the terms of their billion-dollar marriage contract, when death and danger stalk them at every turn?

She's With Me Penguin

No one had ever looked at her and seen perfection--until now. Delicate, titian-haired Theresa Noble has met her father's associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must

seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.

When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Three's a crowd, but four's a war. Big girl undies? Check. Speech planned? Check. Nerves of steel? Check. A single crush? ...not check...? What do you do when you find your best friend/crush kissing your other best friend on the day you were going to declare your feelings for him? You only agree to fake date your crush's rival. The King of the Bows, popular golden (play)boy, and all around douche, Xander wouldn't be my last choice for a boyfriend. Across the school, battlelines are drawn and sides are taken between the new 'it' couple of my former best friends and the excitingly scandalous pairing of me and King Douche. Xander keeps distracting me from the plan; make Jason jealous. He insists on holding my hand and kissing me and being nice. Ugh. Xander's not nice and he's not the relationship type, but he's doing a damned good job of acting both parts. He calls it 'keeping up appearances', I call it 'take one more pass at my arse and I'll break your nose'. They say all's fair in love and war, but what's so fair about falling for the wrong guy when your two best friends are on the other side of the battlelines? Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.

Theodore Finch is fascinated by death.

Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—something to keep him here, and alive, and awake. Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground— it's unclear who saves whom. Soon it's only with Violet that Finch can be himself. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink. . . . “A do-not-miss for fans of *Eleanor & Park* and *The Fault in Our Stars*, and basically anyone who can breathe.”

The World According to Humphrey Soho Press

A Study in Scarlet is an 1887 detective novel by Scottish author Arthur Conan Doyle. Written in 1886, the story marks the first appearance of Sherlock Holmes and Dr. Watson, who would become the most famous detective duo in popular fiction. The book's title derives from a speech given by Holmes, a consulting detective, to his friend and chronicler Watson on the nature of his work, in which he describes the story's murder investigation as his "study in scarlet" "There's the scarlet thread of murder running through the colourless skein of life, and our duty is to unravel it, and isolate it, and expose every inch of it."

Operation Break The Casanova's Heart After

Alexa and Alesa Romano are the only daughters of the Romano family. They grew up without their 7 brothers. After the divorce of their parents, their mother took the only daughters with her and the sons stayed with their father. Alexa grew up away without her twin in a very prestigious famous private school while Alesa stayed with her mom and step-dad. Alexa and Alesa had a happy childhood until Alexa left the house to study at the school and Alesa had to stay back. While Alexa learned new things and enjoyed her time there with her friends, Alesa was abused by her mother and constantly raped by her stepfather. But one day everything changed. When their mother and stepfather died, they moved in with their unknown 7 brothers. Alexa is an extroverted girl who can be friends with anyone easily and boss around everyone. She doesn't care for rules and what people think of her. But she has a kind heart and personality and she is everyone's best friend. She comes off rude many times. Alesa is an introverted girl who finds it hard to make friends. People bully

her and she can't fight back. She easily gets scared and follows all the rules. She has a kind heart and loves people unconditionally. The twins are complete opposites of each other. How will they suddenly adapt to this change? Make sure to vote and comment on the story. And I really hope that you enjoy the story. Independently Published

Coco Spencer, the heiress of a wealthy, traditional English family, is a modern woman—and proud of it! She can't cook, but she can pay someone to cook for her. She comes from a rich family, but she makes her own money and takes charge of her own life. She can get any man she sets her eyes upon, but she's never really needed men to get everything that she could ever want. That is, until her deceased grandfather dangled the entire Spencer fortune in front of her in his will. Suddenly, she needs to find a man to marry or lose everything, including her childhood home. But she doesn't want just any man. She wants Rafe Moretti, the notoriously traditional Sicilian man. And what Coco wants, Coco gets.
