 Focus on Vocabulary Learning explores teaching vocabulary to second and foreign language learners aged 5-18. It describes the considerable challenges of learning the vocabulary of a new language from a range of perspectives, and aims to equip teachers with practical solutions to meet these challenges. This book provides corpus-informed insights into teaching the vocabulary that is most useful to learners, and examines classroom-based research to identify effective learning strategies. A rich variety of practical activities and examples from real classrooms link theory to practice. 'Focus on Vocabulary Learning provides valuable guidance on a wide range of topics related to vocabulary teaching and learning in school contexts. The connections between current research findings and useful classroom strategies are very helpful. This engaging and accessible book should become an excellent resource for teachers.' Stuart Webb, Professor of Applied Linguistics, University of Western Ontario

Vocabulary skills come easy when practice is fun! If you are looking for extra vocabulary help for your middle school student, you will find this book an invaluable resource. Featuring hundreds of essential vocabulary words, this book offers extensive opportunities for students to learn the vocabulary found in sixth, seventh, and eighth grade curriculums. Each of the book's dozens of lessons focuses on a group of words that will strengthen your student's vocabulary. After the introduction of new vocabulary, each lesson includes three worksheets designed to make learning new words easy and fun. Vocabulary Grades 6-8 features:

- More than 500 words appropriate for students in grades 6 through 8
- 45 engaging lessons that will help your student learn both meaning and usage
- Vocabulary related to math, social studies, science, health, and time
- A puzzle format that makes practicing vocabulary fun
- The tools to master synonyms, antonyms, homophones, and easily confused words
- Guidance on learning prefixes, suffixes, and compound words
- An

alphabetical word list at the end of the book that makes looking up vocabulary easy. After completing this workbook, your middle school student's new word skills will help your child to excel in both the classroom and on standardized tests.

McGraw-Hill Education Vocabulary Grades 3-5, Second Edition Scholastic

The Glencoe Vocabulary Builder program uses a systematic approach to building students vocabulary by presenting words in context or information about word parts to help students unlock word meanings independently, and by requiring students to apply their knowledge of new words in reading and writing exercises. Each book in the seven book series is designed for a specific reading level and features readings from the humanities, social studies, and sciences, vocabulary from Greek and Latin roots, assessment after each writing assignment, and a section on taking standardized tests! Vocabulary Builder is a research-based program and is ideal for SAT/ACT preparation.
