## ESMERALDA LIZETH

*The Smurf Menace* Simon and Schuster A #1 bestseller in France and translated into over twenty-five languages, Billie is one of the most beloved French novels to be published in recent years. A brilliant evocation of Paris and a moving tale of friendship, Anna Gavalda's new novel tells the story of two young people, Billie and Franck, who, as the story opens, are trapped in a gorge in the Cevennes Mountains. Billie begins to tell stories from their lives in order to calm herself and Franck as darkness encroaches. In alternating episodes, the novel moves between recollections of the two characters' childhoods and their dire

predicament. Franck's life has been impacted by a childhood spent with a perennially unemployed father who toyed with Christian extremism and a mother anesthetized by antidepressants. A bright kid, Franck's future was menaced at every turn by the bigotry surrounding him. Billie's abiding wish as an adult is to avoid ever having to come into contact with her family again. To escape from her abusive and alcohol-addled family, she was willing to do anything and everything. The wounds have not entirely healed. At the heart of Gavalda's tender story lies a generosity of spirit that will take readers' breath away, and an unshakable belief in the power of art to lift the most fragile among us to new vistas from which they can see futures full of hope, love, and dignity. Billie is a beautifully crafted novel for readers of all ages and from all walks

of life that conveys a positive message about overcoming life's trials and tribulations.

**Children of the Resistance - Volume 3 - The Two Giants** Scholastic Inc.

Philadelphia, 1776: George Washington asks Betsy Ross to design the first flag of the future United States of America. Her housemaid, Angela Brown, adds to it a secret tribute to the black community: a black cotton star that she slips under one of the white ones. Dover, 1944: A soldier named Lincoln receives a letter from his sister back home that reveals Angela Brown's memoirs, and wonders if the star that she mentions truly exists. His superiors seem to think so. In light of this revelation, Lincoln and two other African-American soldiers set out on a dangerous mission, ranging from liberated Paris to the snow-covered Ardennes, seeking answers—and the ultimate prize. *Black Cotton Star* is a magnificent war drama, unfolding a fictional tale of struggle, resilience, and sacrifice with themes that resonate deeply in a divided modern-day America.

**The Legend of the Changeling - Volume 2 - The Bogeyman** Europe Comics

When Private Matt Duffy wakes up in an army hospital in Iraq, he's honored with a Purple Heart. But he doesn't feel like a hero. There's a memory that haunts him: an image of a young Iraqi boy as a bullet hits his chest. Matt can't shake the feeling that he was somehow involved in his death. But because of a head injury he sustained just moments after the boy was shot, Matt can't quite put all the pieces together. Eventually Matt is sent back into combat with his squad—Justin, Wolf, and Charlene—the soldiers who have become his family during his time in Iraq. He just wants to go back to being the soldier he once was. But he sees potential threats everywhere and lives in fear of not being able to pull the trigger when the time comes. In combat there is no black-and-white, and Matt soon discovers that the notion of who is guilty is very complicated indeed. National Book Award Finalist Patricia McCormick has written a visceral and compelling portrait of life in a war zone, where loyalty is valued above all, and death is terrifyingly commonplace. *The Smurfs Vol. 18* Le Lombard Adolescence is a terrible time for most people. For Louca, it's especially bad! Generally mediocre, a poor student, awkward with girls... he's a walking disaster. But Louca has decided: starting tomorrow, he's going to change! Still,

that's easier said than done... especially when your own mind keeps changing! Luckily, Louca will get a helping hand from a certain fellow named Nathan. Good-looking, amazing at football, funny, smart... this Nathan certainly seems like the perfect guy, and the best coach Louca could possibly hope for. With one little exception: Nathan is a ghost... How did Nathan die? Why can only Louca see him? Will Nathan manage to turn Louca into the kind of guy people want to be with? Will Louca manage both to pass his exams, and to win over Julie, the girl of his dreams?

Joe Sacco is renowned for his non-fiction books of comics journalism like Palestine, Safe Area Gorazde and Footnotes in Gaza. Now in Bumf he returns to his early days as a satirist and underground cartoonist. In the vein of the old underground comix like ZAP or Weirdo, Bumf will be puerile, disgusting, and beyond redemption. It will go where it wants to go, and do what it wants to do. It will also be very funny.
