Adult Coloring Books VIZ Media LLC

A brilliant Touch and Feel Playbook, based on Tove Jansson's Moomins With plenty for little hands to touch and feel on every page, this brilliant playbook is a perfect introduction to first words, numbers, weather, opposites and colours. Tove Jansson was born in Helsingfors, Finland, in 1914. Her mother was a caricaturist who designed 165 of Finland's stamps and her father was a sculptor. She studied painting in Finland, Sweden and France, and subsequently became a book illustrator. Her extraordinary illustrative style is seen as a design classic the world over. Originally written in Swedish, the Moomintroll books have been translated into over 40 languages and adapted for television, film, radio and opera. Tove Jansson lived alone on a small island in the gulf of Finland, where most of her books were written. She died in 2001.

Moomin Builds a House Macmillan Children's Books

Including all your favourite scenes from The Moomin Colouring Book.

In the Night Garden: Igglepiggle's Lost Blanket Penguin UK

Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse

coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

One Piece Color Walk Compendium: East Blue to Skypiea Macmillan Children's Books

Moomins always sleep through the winter or they did until the year Moomintroll woke up and found he couldn't go back to sleep again. All the clocks had stopped, there was nothing to eat and no one to talk to at home, so he went out straight into the first snowdrift he had ever seen. The valley wasn't green any more, it was white and silent and very scary. But then Moomintroll spied some tracks in the snow and decided to follow them. Maybe he wasn't the only one awake in Moominvalley after all?

The Moomin Colouring Diary Macmillan Children's Books

The natural world is a kaleidoscope of beautiful colours: from the bright pastels that signify the first buds of spring and the lush green of freshly cut summer grass to the rusty red copper of autumn leaves and the frosted white blanket of snow in winter. Bring nature to life in every season with this beautiful colouring book, published in partnership with the RSPB. What colour are the petals of the Michaelmas Daisies? What texture are the kingfisher's feathers? What fruit will the hedgehog nestle up in for hibernation? Flora Waycott's delicate black and white illustrations of birds, bugs, animals, flowers and more will take you on a creative journey of discovery through nature. So grab your colouring pencils and get started.

The Moomin Coloring Book Workman Publishing

Tonight everyone in Moominvalley will be going to the Autumn Ball and Moomintroll and Sniff are busy helping with preparations. But when they discover an extraordinary golden leaf on the forest floor, will they be able to find a tree full of golden leaves and give each of the valley folk a gift they'll always treasure?
