Get What They Deserve

(*The Fowl Twins, Book 3*)
Turtleback
Presented for the first time in full color, award-winning writer Etgar Keret (*The Seven Good Years*) and Eisner Award-winning cartoonist Asaf Hanuka's (*The Realist*) powerful graphic novel, *Pizzeria Kamikaze*, is a most unexpected story of love, loss, and escape. Mordy wanted to get away. Now condemned to an afterlife exclusively for all victims of suicide, he still has to attend a crappy job in a place no less crappy than the place he came from.

When he discovers that his beloved ex-girlfriend is there too, he embarks on much needed road trip through an absurdist and fantastical landscape to find her.

Oliver and Celia Navel have suffered through a whole summer exploring with their father's nemesis Sir Edmund, and are ready to begin a new school year glued to the TV. But when their mother vanishes (again) in search of the Lost City of Gold: El Dorado, the twins must

trek from the ruins of ancient temples through the shadowy forests of the Amazon. This time, they'll need all their reality TV survival skills to brave raging river rapids, furious fire ants, and a most unusual jungle feast. Worst of all, if they can't outsmart the bad guys, they're going to miss all their favorite television shows!

Gravity Falls: Dipper's and Mabel's Guide to Mystery and Nonstop

Fun! BOOM! Studios My Big Wimmelbooks let kids ages 2 to 5 be the storytellers with hours of seek-and-find hands-on learning—and fun! In these one-of-a-kind picture books, every page is bursting with life—and tons to discover! Children as young as age 2 have a blast pointing out recognizable things—a blue tricycle, a hungry dog, a piggyback ride—while older kids can follow the star characters from page to page, telling their stories along the way. How? Wimmelbooks

are virtually instruction-free, inviting kids to make their own way through the busy Wimmelworld they encounter, and to craft their own stories. First, you're introduced to a unique cast of characters who are hidden in plain sight on the pages that follow. As you seek them out, each character's storyline unfolds, but it's up to kids to interpret the scenes and create stories they think fit. It's hours upon hours of fun—and an effortless introduction to literacy to boot. My Big Wimmelbook—All Aboard

the Train! takes kids on a few fun train rides as a busy cast of characters go on journeys from Wimmeltown Train Station to their final destinations. From boarding the crowded platform to wandering through the aisles upon aisles of train cars, watching the pretty scenery, and more—plenty of interesting things are happening along the way. All aboard! About Wimmelbooks Wimmelbooks originated in Germany decades ago and have become a

worldwide sensation with children (and adults!) everywhere. My Big Wimmelbooks is the first-ever Wimmelbook series to feature Wimmelbooks as Wimmelbooks in English. They've been praised as "lively . . . and abounding with humor and detail" (WSJ), likely to "make any parent's heart sing." (NYT)

Fire ants. Fraud. Footie pajamas. Twins Edgar and Ellen live alone -- their parents disappeared years ago, and who can

blame them? -- in the quaint, little town of Nod's Limbs, in a grim, gray house overlooking the cemetery and the junkyard. They spend their days avoiding Heimertz, the mysterious accordion-playing caretaker; pestering Pet, a hairy, one-eyed creature of indeterminate species and gender; and wreaking havoc on the hapless citizens of Nod's Limbs. But wreaking havoc can incur expenses, so the twins come up with a unique fund-raising scheme: They'll nab the

pets of Nod's Limbs and transform them into exotic animals they can sell for big bucks. Not a bad plan, if one of the purloined pets wasn't a lethargic python with a raging appetite....

From the creators of the hit show "Critical Role" comes Vox Machina's origin story! Writers Matthew Mercer and Matthew Colville team with artist extraordinaire Olivia Samson and colorist Chris Northrop to bring you the story of where the

heroes' journey began. The band of adventurers known as Vox Machina will save the world. Eventually. But even they have to start somewhere. Six would-be heroes on seemingly different jobs find their paths intertwined as they investigate shady business in the swamp town of Stilben. They'll need to put their heads--and weapons--together to figure out what's going on...and keep from being killed in the process. Even then, whether or not they can overcome what truly

lurks at the bottom of the town's travails remains to be seen! Collects Critical Role Vox Machina: Origins comics issues #1-6, one of the best selling digital comics ever!

My Big Wimmelbook® - All Aboard the Train!: A Look-and-Find Book (Kids Tell the Story) (My Big Wimmelbooks) Random House
Part Hitchcock, part Hinton, this first-ever stand-alone novel from Heather Brewer, New York Times bestselling author

of the acclaimed Chronicles of Vladimir Tod series, uses classic horror elements to tell a darkly funny coming-of-age story about the dangerous power of belief and the cost of blind loyalty that Kirkus Reviews called “a slick, spooky, chilling mystery.” When Stephen's dad says they're moving, Stephen knows it's pointless to argue. They're broke from paying Mom's hospital bills, and now the only option left is to live with Stephen's grandmother in Spencer, a backward

small town that's like something out of The Twilight Zone. Population: 814. Stephen's summer starts looking up when he meets punk girl Cara and her charismatic twin brother, Devon. With Cara, he feels safe and understood—and yeah, okay, she's totally hot. In Devon and his group, he sees a chance at making real friends. Only, as the summer presses on, and harmless nights hanging out in the cemetery take a darker turn, Stephen starts to suspect that Devon is less a friend than

a leader. And he might be leading them to a very sinister end. . . .

The fifth book in Chris Colfer's #1 New York Times bestselling series The Land of Stories! The Masked Man has captured all the royal families from the Land of Stories with the help of his army of literature's greatest villains, including the Wicked Witch of the West, the Queen of Hearts, and Captain Hook. With his sinister plan finally in

motion, he is eager to destroy the families and take his place as emperor. Alex and Conner know they are no match against the Masked Man's legion of villains, but they realize that they may be in possession of the greatest weapon of all: their own imaginations! So begins the twins' journey into Conner's very own stories to gather an army of pirates, cyborgs, superheroes, and mummies as they band together for the ultimate fight against the Masked Man. Meanwhile, an even

more dangerous plan is brewing--one that could change the fates of both the fairy-tale world and the Otherworld forever. Conner's tales come alive in the thrilling fifth adventure in the #1 New York Times bestselling Land of Stories series. **Magazin Buchkultur** 206 Boom! Studios Eleven-year-old twins Oliver and Celia Navel could care less about adventure and they really do not like excitement. They'd rather be watching television. Unfortunately for them, their thrill-

seeking parents have dragged them from continent to continent their entire lives. But when their mother goes missing and their father makes a bet with the devious explorer Sir Edmund, the twins are forced into action. They head to Tibet where they fall out of airplanes, battle Yetis, poison witches, and encounter one very large yak. If they can unravel the mysteries and outwit Sir Edmund, they might just make the discovery of a lifetime . . . and get cable television!

Two sisters come to terms with their extraordinary

powers in a new middle grade fantasy from Supergirl's Melissa Benoist and her sister, the writer Jessica Benoist, with the New York Times bestselling author, Mariko Tamaki Ellie McFadden has intuitive gifts. She can sense what other living things are feeling. She can even talk to animals! Too bad she can't connect with her twin sister, Parker. Parker McFadden has kinetic gifts. She can cause shocks to the earth and produce heat energy that explodes from her body like fire, especially

when she is angry. The sisters aren't aware of the legacy they inherited from their mother until, on their thirteenth birthday, two mysterious relatives on the Power side whisk them off to an isolated sanctuary called Haven. Ellie immediately adapts to their new routine, but Parker has one impulse: to get back to her normal life of friends and sports, fast. Unlocking Haven's secrets is just the beginning of what Ellie and Parker can do if they choose to work together to harness their abilities.

But the sinister force that took their mother has other plans; and if the sisters' fragile relationship succumbs to *The Danger*, a terrible fate may befall the people they love. This epic tale of two remarkable girls and the powers they wield is sure to appeal to fans of Chris Colfer, Rick Riordan, and Tui T. Sutherland.
