One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she

knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

This is a tale of friendship, greed, and betrayal in the music industry—and a definitive history of America's biggest rap mogul. No one knows more about creating hits than Sean “Puffy” Combs. For years he virtually ran hip-hop. It seemed the perfect arrangement: “Puffy” provided the sounds and obsessive attention to detail while the Notorious B.I.G. promoted an image that kept rap fans happy. It should have lasted forever, but “Biggie” was murdered at the height of

his career—and “Puffy”'s ascension to superstardom ushered in an age of disloyalty and deception that exploded into one of the greatest debacles in the history of the music industry. Through interviews with label insiders, grand jury testimony, and other sources, America's preeminent rap journalist Ronin Ro -reveals the true story of “Puffy” - addresses the larger issues that shaped the man and the industry - explains how Bad Boy both helped and

destroyed hip-hop and R&B music -details why some artists “Puffy” created ultimately left his Bad Boy family in disgust. At once an intimate history and a portrait of an era, Bad Boy shows readers exactly how Combs lost his stranglehold over the multibillion-dollar rap music industry. The story of Bad Boy Entertainment is the story of the American Dream, an up-close and personal account of the people, the money, the creative process that made it all come true, and the young

mogul who caused the dream to fall apart. In this hip-hop tragedy of Shakespearean dimensions, readers finally learn the story that Sean “Puffy” Combs does not want them to know. *Daily Graphic* Graphic Communications Group Get Good with MoneyRodale Books **Get Good with Money** DigiCat NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-step plan for finding peace, safety, and harmony with your

money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy “Budgetnista.” “No matter where you stand in your money journey, *Get Good with Money* has a lesson or two for you!”—Erin Lowry, bestselling author of the *Broke Millennial* series Tiffany Aliche was a successful pre-school teacher with a healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial hole. As

she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, *Get Good with Money* introduces the powerful concept of building wealth through

financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), *Get Good with Money* gets crystal clear on the short-term actions that lead to long-term goals, including: • A simple technique to determine your baseline or “noodle budget,”

examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams. • An assessment tool that helps you understand whether you have a “don't make enough” problem or a “spend too much” issue—as well as ways to fix both. • Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future. • Detailed advice

and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, Get Good with Money will help you build a solid foundation for your

life (and legacy) that's rich in every way.
