Candide, Ou l'Optimisme St. Martin's Griffin

Free spirit Gemma Dante wishes her love life were going as well as her New Age business. So she casts a spell to catch her Mr. Right. But when the cosmic wires get crossed, into her life walks a clean-cut fireman who's anything but her type. Sean Kinnealy doesn't know what to make of his pretty neighbor who burns incense. He only knows that being near her sparks a fire in him that even the guys at Ladder 29, Engine 31 can't put out.

The Battlefield where the Moon Says I Love You Simon and Schuster

“Shannan’s story feels at once familiar and spectacular, ordinary and exceptional. You will discover that at the same time her words make you squirm, you will wish you lived next door to her. You will want her wisdom and you will want her pickles.” —Jen Hatmaker (from the foreword)

Shannan Martin had the perfect life: a cute farmhouse on six rambling acres, a loving husband, three adorable kids, money, friends, a close-knit church—a safe, happy existence. But when the bottom dropped out through a series of shocking changes and ordinary inconveniences, the Martins followed God’s call to something radically different: a small house on the other side of the urban tracks, a shoestring income, a challenged public school, and the harshness of a county jail (where her husband is now chaplain). And yet the family’s plunge from “safety” was the best thing that

could have happened to them. *Falling Free* charts their pilgrimage from the self-focused wisdom of the world to the topsy-turvy life of God’s more being found in less. Martin’s practical, sweetly subversive book invites us to rethink assumptions about faith and the good life, push past insecurity and fear, and look beyond comfortable, middle-class Christianity toward a deeper, richer, and ultimately more fulfilling life.

Hung by the Tongue Gibbs Smith

Teaches that when faith is conceived in the human spirit by the hearing of God's Word and then spoken through the mouth of the believer, it becomes a spiritual force that releases the ability of God within the believer.

Gettin' Merry St. Martin's Paperbacks

Two women, Chloe Dale, an artist comfortably ensconced in bucolic suburbia, and Salome Drago, a wily, seductive refugee from a country that no longer exists, confront each other in a Manhattan restaurant, and the battle lines are drawn. Toby Dale, son of the artist and ardent suitor of the refugee, is in no position to choose sides. Outside, the drumbeats for the impending invasion of Iraq drown out all argument, and those who object will soon be reduced to standing in the street. The story of two families—suspicious, territorial, naïve in their confidence that they are free of the past—*Trespass* unfolds with commanding force. It is a bracing, tender novel for the 21st century.

I Know Who Holds Tomorrow Vintage

From the opening scene of a shameless Irish charmer posing as a wealthy Scottish lord, this rollicking tale of love, blackmail and betrayal in 1930s

New York takes you captive. Only ten days before Sir Angus McFarquar, aka Irish scamp Francis Xavier Dempsey, had been released from a Dublin prison for his father's funeral when he and his brother were whisked to a getaway car bound for an IRA 'safe' house. When the house explodes and cash rains from the sky, the boys take the money and run ... When Tom Cronin, a former hitman forced into one last job, tracks the Dempsey brothers down in New York, their lives collide spectacularly. From the smoky jazz joints of Harlem to the mobster warehouses in Hell's Kitchen, *The World of Tomorrow* delivers superb storytelling, unforgettable characters, and a thoroughly good time. It's easy to see why it was picked as of the top six debuts novels for 2017 at Book Expo's 'Buzz Panel'.

Living Crazy Love David C Cook

New York Times--bestselling author Felix Francis returns with his newest edge-of-your-seat horseracing thriller in the Dick Francis tradition. Harrison Foster, a crisis manager for a London firm, is summoned to Newmarket after a fire in the Chadwick Stables kills six very valuable horses, including the short-priced favorite for the Derby. There is far more to the "simple" fire than initially meets the eye...for a start, human remains are found among the equestrian ones in the burnt-out shell. All the stable staff are accounted for, so who is the mystery victim? Harry knows very little about horses, indeed he positively dislikes them, but he is thrust unwillingly into the world of thoroughbred racing, where the standard of care of the equine stars is far higher than that of the humans who attend to them. The Chadwick family is a dysfunctional racing dynasty. Resentment between the generations is rife and sibling rivalry bubbles away like volcanic magma beneath a thin crust of respectability. Harry represents the Middle Eastern owner of the Derby favourite and, as he delves deeper into the unanswered questions surrounding the horse's demise, he ignites a fuse that blows the volcano sky-high. Can Harry solve the riddle before he is bumped off by the fallout?

A brilliant weave of personal involvement, vivid biography and political insight, *Koba the Dread* is the successor to Martin Amis's award-winning memoir, *Experience*. *Koba the Dread* captures the appeal of one of the most powerful belief systems of the 20th century — one that spread through the world, both captivating it and staining it red. It addresses itself to the central lacuna of 20th-century thought: the indulgence of Communism by the intellectuals of the West. In between the personal beginnings and the personal ending, Amis gives us perhaps the best one-hundred pages ever written about Stalin: *Koba the Dread, Iosif the Terrible*. The author's father, Kingsley Amis, though later reactionary in tendency, was a "Comintern dogsbody" (as he would come to put it) from 1941 to 1956. His second-closest, and then his closest friend (after the death of the poet Philip Larkin), was Robert Conquest, our leading Sovietologist whose book of 1968, *The Great Terror*, was second only to Solzhenitsyn's *The Gulag Archipelago* in undermining the USSR. The present memoir explores these connections. Stalin said that the death of one person was tragic, the death of a million a mere "statistic." *Koba the Dread*, during whose course the author absorbs a particular, a familial death, is a rebuttal of Stalin's aphorism.

Appearing in 1759, *Candide* is a foreboding, ironic, and fierce satire. The protagonist, *Candide*, is an innocent and good-natured man. Virtually all those whom he meets during his travels, however, are scoundrels or dupes. *Candide's* naivete is slowly worn away as a result of his contact with the story's rogue elements. The wisdom *Candide* amasses in the course of his voyages has a practical quality. It entails the fundamentals for getting by in a world that is frequently cruel and unfair. Though well aware of the cruelty of nature, Voltaire is really concerned with the evil of mankind. He identifies many of the causes of that evil in his work: the aristocracy, the church, slavery, and greed. Susanne Schindler is an assistant professor in the department for architecture theory at RWTH Aachen University.

Sisterhood, motherhood, marriage, baking, and books—these are a few of the things that make this delightful novel a recipe for getting through the tough stuff of life—from the author of *The Summer Sail* and *The Summer of Good Intentions*. Ellen McClarety, a recent divorcée, has opened a new bake shop in her small Midwestern town, hoping to turn her life around by dedicating herself to the traditional Danish pastry called kringle. She is no longer saddled by her ne'er-do-well husband, but the past still haunts her—sometimes by showing up on her doorstep. Her younger sister, Lanie, is a successful divorce attorney with a baby at home. But Lanie is beginning to feel that her perfect life is not as perfect as it seems. Both women long for the guidance of their mother, who died years ago but left them with lasting memories of her love and a wonderful piece of advice: “At the end of every day, you can always think of three good things that happened.” Ellen and Lanie are as close as two sisters can be, until one begins keeping a secret that could forever change both their lives. Wearing her big Midwestern heart proudly on her sleeve, Wendy Francis skillfully illuminates the emotional lives of two women with humor and compassion, weaving a story destined to be shared with a friend, a mother, or a sister.

Hailed by his contemporaries as "the divine painter," Raphael Sanzio of Urbino (1483-1520) was one of the greatest artists of the Italian Renaissance. A contemporary of Michelangelo and Leonardo Da Vinci, Raphael was sought out by popes, kings and aristocrats to decorate their residences. Michael Collins' new biography, Raphael's World, portrays the era in which the divine painter lived. Born thirty years after the invention of the printing press and nine years before the discovery of the New World, Raphael harnessed the new techniques of printing and the riches which flowed from the

Americas into Europe in the early 16th century. The political map of Europe was changing as Raphael painted for his wealthy patrons. Pope Julius II commissioned him to decorate his apartments at the Vatican while Pope Leo X appointed him architect of the new St. Peter's which replaced the 1000 year old Constantinian basilica. While Raphael painted the Apostolic Palace and designed tapestries to be hung in the Sistine Chapel, a German friar, Martin Luther was about to rend Christendom apart. Raphael's World brings the reader into the ducal court of Urbino, and follows the young Raphael to Perugia where he studied in the studio of Perugino, to Florence where he saw Michaelangelo and Da Vinci at work, to Rome where he painted for popes and cardinals, as well as Agostino Chigi, one of the wealthiest patrons of the day. Based on contemporary documentation, Raphael's World explores the complex era in which the artist flourished and introduces the reader to the fascinating panoply of patrons. The 500th anniversary of the death of Raphael occurs on 6 April 2020. There will be a number of events to celebrate the event, including the rare display of his Sistine tapestries and a symposium at the Vatican and other galleries around the world.
