PERKINS BRIGHT

Real Love Simon and Schuster

She was tall, blonde, and offering Garrett an irresistible fee to take a case that seemed open and shut. But in a town of elves and humans, thugs and swindlers—a place where magic and religion could prove an all-too potent mix—Garrett had learned to take a long, hard look before saying yes. Garrett's doubts are confirmed when the Grand Inquisitor comes looking for his help in the lovely lady's wake. But even a hard-boiled detective like Garrett, with a Dead Man for an ally and the toughest half-elf in town guarding his back, can find that it's too late to say no. Turns out Garrett's been fingered as the latest sacrifice to a long-dead

god—and his only chance to save his neck is to solve the case.

Being Upright Penguin

The late Dr. Michihiko Hachiya was director of the Hiroshima Communications Hospital when the world's first atomic bomb was dropped on the city. Though his responsibilities in the appalling chaos of a devastated city were awesome, he found time to record the story daily, with compassion and tenderness. His compelling diary was originally published by the UNC Press in 1955, with the help of Dr. Warner Wells of the University of North Carolina at Chapel Hill, who was a surgical consultant to the Atomic Bomb Casualty Commission and who became a friend of Dr. Hachiya. In a new foreword, John Dower reflects on the enduring importance of the diary fifty years after the bombing.

Bitter Gold Hearts Runi Publications

Bold and irreverent, this is essentially a work of fiction, Arnold's stories are a blend of humour, cynicism and terror. He extracts episodes from religious texts, personal observations and legends of faith that abound in the sphere of faith and spirituality. The stories project an amplified, yet truthful account of the terrible and the ridiculous. The book does not blaspheme any belief, for nothing he says is a departure from what is already woven into the written texts. Yet this remains a work of fiction with superstitions and reality blended into one disturbing narrative.

The Land is Dying American Book Publishing

Though we are seemingly more connected to our world than ever before, many of us cannot ignore a nagging sense of loneliness and isolation. To keep this anxiety and discontentment at bay, we can search for connection through unhealthy distractions, believing these will bring us true nourishment. And yet, loneliness is on the rise, exacting detrimental effects on our mental, emotional, physical, and spiritual wellbeing. Even those of us who have succeeded in the ways that society applauds, often feel unanchored, disengaged, and purposeless. If true pleasure is what we desire, how do we look past the surface, to discover a life filled with meaningful connection and genuine relationships? Untangled is a welcoming guidebook to finding expansive ease and true joy through what is traditionally called the eightfold path, one of Buddhism's foundational teachings. Psychotherapist and Zen teacher Koshin Paley Ellison compassionately walks readers down these eight roads, leading them on a path of transformation and to experience true joy. Combining teachings from both Eastern and Western wisdom traditions, Paley Ellison equips readers with the tools needed to untangle our tangles and

make profound change, inside and out. Infused with Paley Ellison's own anecdotes of his life as a young gay kid facing abuse and discrimination, this approachable guide will help you transform your ever day interactions, your most intimate relationships and offers a path for social healing. It is an ancient cure that's up to the challenge of healing the modern dysfunction of our times.

Whispering Nickel Idols Xlibris Corporation

The New York Times bestselling author and a central figure in the field of meditation, Sharon Salzberg, uses ancient Buddhist wisdom to redefine love and experience it in a more profound way. You are a person worthy of love. You don't have to do anything to deserve all the love in the world. Real Love is a creative tool kit of mindfulness exercises and meditation techniques that help you to truly engage with your present experience and create deeper love relationships with yourself, your partner, friends and family, and with life itself. Sharon Salzberg, a leading expert in Lovingkindness meditation, encourages us to strip away layers of negative habits and obstacles, helping us to experience authentic love based on direct experience, rather than preconceptions. Across three sections, Sharon explains how to dispel cultural and emotional habits, and direct focused care and attention to recapture the essence of what it is to love and be loved. With positive reflections and practices, Sharon teaches us how to shift the responsibilities of the love that we give and receive to rekindle the powerful healing force of true connection. By challenging myths perpetuated by popular culture, we can undo the limited definitions that reduce love to simply romance or passion, and

give the heart a much needed tune-up to connect ourselves to the truest experience of love in our daily lives.

Cold Copper Tears Berghahn Books

Zen, plain and simple, with no BS. This is not your typical Zen book. Brad Warner, a young punk who grew up to be a Zen master, spares no one. This bold new approach to the "Why?" of Zen Buddhism is as strongly grounded in the tradition of Zen as it is utterly revolutionary. Warner's voice is hilarious, and he calls on the wisdom of everyone from punk and pop culture icons to the Buddha himself to make sure his points come through loud and clear. As it prods readers to question everything, Hardcore Zen is both an approach and a departure, leaving behind the soft and lyrical for the gritty and stark perspective of a new generation. This new edition will feature an afterword from the author.

Coasts of Korea and China Page Publishing Inc

This series in medical anthropology publishes monographs and edited volumes on indigenous (so-called traditional) medical knowledge and practice, alternative and complementary medicine, and ethnobiological studies that relate to health and illness. The emphasis of the series is on the way indigenous epistemologies inform healing, against a background of comparison with other practices, and in recognition of the fluidity between them. --

na Penguin

Near death, Louie Wing gathered together his students and friends to impart his final Zen teachings. Hearing that the great master would soon pass on, people came from all walks of faith to hear his final words. The crowd that gathered was too large to

fit in any nearby building, so Louie Wing spoke from the flatbed of a truck in a wide field. These teachings came to be called The Flatbed Sutra of Louie Wing. Through this allegorical character of Louie Wing, author Ted Biringer brings a life and a force to even the most abstract of Zen teachings. Inspired by the Zen classic The Platform Sutra of Hui-Neng, The Flatbed Sutra of Louie Wing brings an open, modern look at the classic philosophy of Zen. Driven by the belief that anyone can reach enlightenment, this book is made to be accessible for novices and experts alike and includes a glossary, short quotes and stories of Louie Wing, and an additional commentary on the Genjokoan.

Conversational Japanese for Beginners Penguin

A damsel in a dress was Garrett's weakness, especially when she had equipment in all the right places. Still, Garrett wasn't sure it was worth his life to take on Maggie Jenn, the ex-king's ex-mistress, as his client. Not in a kingdom where the biggest con artists weren't human, magic could beat any weapon, and the local killers were built like tanks. It seemed like a simple missing person's case: a vanished teenage daughter, a distraught mother trying to track her down. But when a guy as well-connected as the Rainmaker was gunning to see Garrett permanently removed from the case, he knew he'd have to call in some big favors just to keep his head on his shoulders, let alone to find a kid who probably didn't want to be found.

An Unabridged Japanese-English Dictionary, with Copious Illustrations University of Hawaii Press

The first Okinawan immigrants arrived in Honolulu in January 1900 to work as contract laborers on Hawai'i's sugar plantations. Over time Okinawans would continue migrating east to the

continental U.S., Canada, Brazil, Peru, Argentina, Bolivia, Mexico, Cuba, Paraguay, New Caledonia, and the islands of Micronesia. The essays in this volume commemorate these diasporic experiences within the geopolitical context of East Asia. Using primary sources and oral history, individual contributors examine how Okinawan identity was constructed in the various countries to which Okinawans migrated, and how their experiences were shaped by the Japanese nation-building project and by globalization. Essays explore the return to Okinawan sovereignty, or what Nobel Laureate Oe Kenzaburo called an "impossible possibility," and the role of the Okinawan labor diaspora in Japan's imperial expansion into the Philippines and Micronesia. Contributors: Arakaki Makoto, Robert K. Arakaki, Hokama Shuzen, Edith M. Kaneshiro, Ronald Y. Nakasone, Nomura Koya, Shiota Chika, Tomiyama Ichiro, Wesley Ueunten.

Vachan (Hinglish Version) Simon and Schuster

Blood-soaked blades have been taking their toll among the luscious lovelies in Garrett's home city of TunFaire. And though Garrett can be as civic-minded as the next guy—unless the next guy is Captain Block of the Watch—the private eye isn't sure he really wants to take on a serial killer psycho who does too good a carving job and never leaves any of the blood behind. Still, having Block pay him for his services with lots of ill-gotten government funds, and having his own partner, the Dead Man, strenuously urge him to take the case, prove an irresistible combination for Garrett. And so he begins a search that would take him from the lowest slums to the highest estates, from confrontations with magic-spitting enemies to run-ins with the king of crime's wayward daughter, to a final encounter with an

ancient evil that has once again been loosed on his unsuspecting town.

Hiroshima Diary UNC Press Books

The Korean War lies between the enormity of the Second World War and the controversy of Vietnam. Although it often slips through the cracks of history, it represented a global shift as two opposing ideologies clashed and the Cold War heated up. The fledgling United Nations was called to act, and Australia joined the 21 nations committed to supporting South Korea. Within days of the North Koreans crossing the 38th Parallel, the RAAF was flying missions from its base in Japan. In the ensuing three years, the RAAF gained respect among its peers and the attention of the opposing military powers. When the war reached a crisis point, with UN forces pinned down and threatened with being pushed off the peninsula into the sea, the RAAF was at the epicentre. During the war, the RAAF entered the jet age, and the transition was not without challenges and losses. Ultimately, a generation of RAAF leaders emerged from the ranks of sergeant pilots and junior officers who underwent their baptism of fire on the Korean Peninsula. Using No 77 Squadron operations as a timeline, this concise history of the RAAF involvement in the war examines the roles of the transport unit, nurses, ground crews, prisoners of war and those who still have no known resting place.

Technical Manual Chipmunkpublishing ltd

Meet Garrett, P.I. He's a hardboiled human detective who stands out in a crowd of elves, trolls, and other otherworldly denizens in the magical city of TunFaire. Garrett For Hire is "fantasy noir at its best" (Library Journal), collecting three novels from Glen Cook's classic urban fantasy series. Deadly Quicksilver Lies A rich

woman hires Garrett to find her missing daughter...or to act as her hitman. In TunFaire, sometimes it's hard to tell the difference, leaving him no choice but to sift through the sex, intrigue, and murder to uncover the truth behind this case... Petty Pewter Gods With TunFaire real estate at a premium and prayer palaces at a minimum, the big gods on the block hold a contest: find the "key" to the one temple still available for worship. And when two rival pantheons try to hire Garrett to find it on their behalf, he finds himself facing the wrath of gods... Faded Steel Heat Riots between humans and non-humans have turned TunFaire into a war zone. And when a powerful gang of "human rightists" drag Garrett into the fray, he defends himself with a circle of friends no one would wish on their worst enemy...

Dread Brass Shadows iUniverse

Garrett's having a pretty good morning until, five minutes in, he finds a strange child named Penny Dreadful poking around his apartment. Before he can figure out who the mysterious urchin really is, he's hired to investigate how an old crime boss ended up in a coma—leaving his beautiful, criminally insane daughter to run the family business. The boss's daughter has some lascivious designs on Garrett—and some deadly ones, too. But she's not the only one dreaming up ways to finish off the endangered private eye—who now has to figure out why everyone is suddenly after him...

The Flatbed Sutra of Louie Wing Balance

This translation, supported by the Japan Foundation, makes a strong claim to be the definitive translation of the 95 chapter edition of Shobogenzo, the essential Japanese Buddhist text, written in the 13th century by Zen Master Dogen. The translation

adheres closely to the original Japanese, with a clear style and extensive annotations. Book 1 presents translations of twenty-one chapters of Shobogenzo including Genjo-koan (The Realized Universe), Soku-shin-ze-butsu (Mind Here & Now is Buddha), Uji (Existence-Time), and Sansuigyo (The Sutra of Mountains & Water). Its several reference sections include a Chinese/English appendix of references to the Lotus Sutra, and an extensive Sanskrit glossary. 'At last I visited Zen Master Nyojo of Dai-byaku-ho mountain, and there I was able to complete the great task of a lifetime of practice. After that, at the beginning of the great Sung era of Shojo, I came home determined to spread the Dharma and to save living beings, it was as if a heavy burden had been placed on my shoulders....I will leave this record to people who learn in practice and are easy in the truth, so that they can know the right Dharma of the Buddha's lineage. This may be a true mission.'

California. Court of Appeal (4th Appellate District).

Okinawan Diaspora Penguin

The Stormwarden's children have been kidnapped and Garrett, P.I. is on the case. But caught between the bewitching beauty of a half-elf and the fearsome power of a horde of ogres, Garrett has to think twice before sacrificing all for a fortune in gold—after all, even in this enchanted land, he's only human.

Garrett For Hire Penguin

A treasure trove of sorcery is hidden somewhere in the city of TunFaire, and everyone wants to find it—a prize so rich it makes even a hard-boiled detective like Garrett nervous, especially

when his beautiful red-haired girlfriend is attacked because of it. Garrett's thirst for revenge is quenched when two other redheads turn up at his front door—and he finds himself the center of unwelcome attention from every thug and would-be sorcerer in town. Now, Garrett has to find what everyone is after—the legendary Book of Shadows, made of brass and holding secrets no mortal was ever meant to master—and make sure no one ever has the chance to work its spells on his unsuspecting and unprotected world.

Untangled Flatiron Books

Riots between humans and trolls, elves, and other non-humans have plunged Tunfaire into near chaos. Garrett finds himself pulled into the game when a powerful gang of human rightists tries to shake down his employer and ends up caught in a conspiracy of hate that pits man against—everybody!

South Korea ProStar Publications

This is a Hinglish Version of Book2- Oberoi Series. More than 40% book is written in Hinglish (Hindi dialogues in English.) The second novel of the Oberoi Brothers Saga finds the Oberoi

siblings standing together to support a troubled teenager—a boy who carries their father's name, to honor a Vachan (promise) made on their father's deathbed. Calm, composed, and introverted, Anirudh Oberoi is a modest man who keeps his heart in a cage. Despite his fame in the art world, he chooses to live a reclusive life. When his brother's promise to their dying father brings a troubled teenager home, Anirudh finds himself at a crossroads. Aditya's presence stirred emotions within Anirudh—memories of his mother's pain and tears resurfaced. Yet, he couldn't turn away. The boy's vulnerability tugged at his heartstrings, and compassion bloomed. But acceptance? That was a different battle—one fought against the ghosts of the past. Gorgeous, reserved, and proper to a fault, Dr. Sanjana Mehra's life revolves around her patients. She helped countless young adults, yet none tugged at her heartstrings like Aditya Oberoi. Her mission to aid the boy brings her into contact with a man she finds both attractive and infuriating. When a custody battle turns ugly, Sanjana and Anirudh must unite to support Aditya. As they navigate the legal system and confront their inner demons, they discover that love can bloom in the most unexpected places....
