One of the Good Ones Little, Brown

The epic story of war and medicine from the award-winning author of *North Woods* and *The Piano Tuner* is "a dream of a novel...part mystery, part war story, part romance" (Anthony Doerr, author of *All the Light We Cannot See*). Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, *The Winter Soldier* is the story of war and medicine, of family, of finding love in the sweeping tides of history, and finally, of the mistakes we make, and the precious opportunities to atone. "The Winter Soldier brims with improbable narrative pleasures...These pages crackle with excitement... A spectacular success." —Anthony Marra, *New York Times Book Review*

Two for Me, One for You Turner

Amy Lennox doesn't know quite what to expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.

Cats in Egypt were probably domesticated by around 4000 BC from wild ancestors. Over the following centuries, they became popular household pets and are regularly shown in tomb paintings of family life. This volume draws on artistic and written sources to show how they became widely-esteemed and revered animals in Egypt.

The Forgotten Book eXtasy Books

How far will a mother go to protect her family from a madman? An unrivaled master of psychological suspense, Joy Fielding has written her most chilling and intricate novel yet—a compulsively readable look at the razor-thin line between daily domesticity and nerve-shattering terror. It had to end in blood. Family therapist Kate Sinclair, healer of lost souls, perfect wife and mother, has suddenly become trapped in a nightmare of her own. Her teenage daughter has just discovered sex, lies, and rebellion. Her ex-boyfriend has returned to threaten her marriage. Her once-peaceful hometown is being awakened by chilling headlines: Another woman is missing. Kate can sense the darkness gathering around her, can see the mistakes, the missteps, the missing pieces. She is afraid of what tomorrow will bring. Enter Colin Friendly, a man on trial for abducting and killing thirteen women—the handsome, "misunderstood" sociopath Kate's troubled sister plans to marry. Colin loves women to death. He can't wait to see Kate and the girls again. One dark night when they are home alone, disarmed, ready for bed...

Missing Pieces Reagan Arthur Books

Detective Catlin Hill doesn't understand the instant, possessive attraction he feels for the slender John Doe in the hospital bed. But the minute those scared baby blues meet his, Catlin lets his protective instincts rule him. The guy has amnesia, and it's only from a conditioned response that Catlin confirms his name is Gallo Ricci. After passing the case to a fellow detective, he takes the victim home with him and gives in to lust. For some reason, it doesn't even faze Catlin when his new lover turns into a horse in his living room. When a group of guys drop by and start talking about mates and centuries of living together, Gallo has a panic attack, proving his past abuse won't allow him to take charge enough to claim Catlin. Is their relationship doomed from the start? And what's tough enough to take down a shifter and leave him in the hospital?

The History of Herodotus Feiwel & Friends

A magical tale of finding friendship where you least expect it. Bertie the giraffe's life runs over very straight lines. He always has the same breakfast. He always takes the same stroll. He always naps under the same tree. But - wait a minute - who's this under the tree today? A blue giraffe? Blue?! Kristyna studied Illustration at Edinburgh College of Art and graduated in 2010. She now lives in a beautiful village in Yorkshire where she is heavily reliant on the good old pencil and a great big cup of tea to keep her going, whilst habitually singing, or twiddling her hair. Her first picture book, *Flint's Odd Socks*, followed by *Chickens Can't See In The Dark* were highly commended for the Macmillan Prize two year's running.

The Gathering of the Forces of Light Crown Books for Young Readers

Tristan has never been what someone would call a social guy. Like the alligator he shares his spirit with, he prefers being alone. Now, after enduring decades of forced isolation as an animal attraction in a curiosity show, Tristan is even more reclusive than ever. He lives mainly in animal form, swimming in the large pond on the gargoyle's estate. When he helps kidnap his abuser, Bud Wallace, Tristan decides interrogating the bastard is a great reason to finally interact with others. Eventually, Bud is reported missing by his wife, and the trail leads to the gargoyle's estate. Tristan meets Detective Collin DeSoto, who is looking into the disappearance. Tristan immediately recognizes the man as his mate, and while the sex between them is explosive, that's the only easy thing between them. Collin isn't out to his incredibly large family, and he doesn't approve of how Tristan handles Bud. Can the pair resolve their differences, or will Tristan end up returning to his pond...alone?

The Midnight Star Mizan Fantasi

Caspian Carpathian is a nearly two centuries old vampire. He learned to control not only his blood lust, but his emotions as well. That's how he became the perfect diplomat for the Vampire Council. In an effort to warn the vampire population ahead of time, Caspian is sent to Stone Ridge to learn about the scientists threatening shifters. He's not prepared to come face to face with his beloved. After a rocky start, he discovers that Casey, a small bunny shifter, fears him and his teeth. Now Caspian has to use every ounce of restraint he can manage and every seductive tactic in his arsenal to win the trust of the one man that completes him. Casey Streusel is beyond grateful to a number of members of the Stone Ridge wolf pack. After all, they saved him from an almost certain torturous death at the hands of scientists. Sure, Casey is still extremely skittish and deathly afraid of needles, but he'll get over that eventually, right? Discovering his mate is a blood-sucking vampire throws his newly created world completely off-kilter. He suddenly finds himself battling two sets of urges, both new to him. Can he figure out how to relinquish control to his mate and accept the pleasure he offers? Or will he give in to his desire to flee from those needle-sharp fangs?

Soul Beach Little, Brown Books for Young Readers

Based on three years of study in the Serengeti National Park, George B. Schaller's *The Serengeti Lion* describes the vast impact of the lion and other predators on the vast herds of wildebeest, zebra, and gazelle for which the area is famous. The most comprehensive book available on the lion, this classic work includes the author's findings on all aspects of lion behavior, including its social system, population dynamics, hunting behavior, and predation patterns. "If you have only enough time to read one book about field biology, this is the one I recommend."—Edward O. Wilson, *Science* "This book conveys not only the fascination of its particular study of lion behavior but the drama and wonder and beauty of the intimate interdependence of all living things."—*Saturday Review* "This is an important book, not just for its valuable information on lions, but for its broad, open, and intelligent approach to problems that cut across the fields of behavior, populations, ecology, wildlife management, evolution, anthropology, and comparative biology."—Richard G. Van Gelder, *Bioscience*
